## Minor Hurlers beaten by 2 points! Final Score: 0-14 to 3-07

### Heartache for Boden Minors

Ballyboden St Endas lined up against Na Fianna at a windy Chanel on Sunday 27th January 2013 in the final of the Division 1 Minor Hurling Championship.

Boden played against the stiff breeze in the first half but were the first to take the initiative with a point from out on the left by James Roche. Further points from Roche and Conor McHugh had the half-time score at Na Fianna 2-6 to Boden's 0-5.

Managers Ciarán Maguire & Ray McKenna, at the interval, urged the team to press forward at every opportunity. However, it was Na Fianna who held sway in the first ten minutes of the second half and while no score was registered, the clock began to tick loudly for all present supporting Boden.

Disaster then struck for Boden when a break forward by Na Fianna saw them fire their third goal to the net. The character of this Boden side was shown when they continued to attack and were rewarded with a penalty with normal time almost up!

Thanks to Ray McKenna, Ciarán Maguire, John Keegan and Mick Ryan for their guidance of the team throughout the year and to all coaches and mentors down the years. It was great to see Liam Phelan, who coached these lads at U13, in attendance. **Many thanks to the parents for great support and encouragement over the years. Finally, great credit is due to this superb group of young men, many of whom who now begin their junior and senior hurling careers. You have displayed great courage, skill and determination over the years lads. These will serve you well in the future, but most impressive is the friendship you have forged. It is our hope that you never lose this because it is special. Remember – keep hurling !**

## Recent Car Break-ins in Sancta Maria

Unfortunately five more cars were tampered with in Sancta Maria tonight (Monday) and its all our responsibility to be much more vigilant.It appears mobiles,sat nav and cash is their target. To minimize the damage all such items should be removed from display or take them with you if possible

As matter of urgency we need to prevent any further break-ins . Effective from tomorrow night(Tuesday) a club member will be positioned appropriately in the Sancta Maria car park for a period of two weeks from 7-9.30pm. If the culprits strike again the authorities will be notified immediately. Hopefully this will deter them in the future.

However we need support from all sections to fill rota. John Manley, chairman of patrol group, will advise each person how to deal with situation.In principal you will park your car in suitable location and should you see the culprits arriving dial 999 immediately and advise robbery in progress. You will not get out of car or approach anyone.This will be the job of the professionals.

Could I appeal on this occasion for a parent who is not involved in team to assist. Unfortunately this type of work usually falls on those who are already very committed to the club. You Do not require any experience - all you need is good pair of eyes and mobile phone.

Please email [cruaghenterprises@gmail.com](mailto:cruaghenterprises@gmail.com) or 0872542214 John Ryan if you can spare a few hours .

I will be in Sancta Maria to cover tomorrow night from 7-9.30pm and you can also meet me there to agree an appropriate night.

Thanking you in advance for your support. John Ryan

## The Boden 'Sportsprophet League' returns for 2013

The Boden '**Sportsprophet League**' proved a great success in 2012 with over 100 participants.

Pictured is the 2012 winner **Ken Clince** receiving his winners cheque for E500 from Gerry White. *Congratulations again to runner-up Mary O' Toole(E250) and third placed Rory Mc Mahon(E100).*

The good news is that we will be running a Sportsprophet League in 2013 - this time aiming to get in excess of 150 entries.

With our many sports fanatics in the Club, who can prove themselves by topping the table??.

*Closing date is the beginning of March, so keep an eye on the Club Website and the Newsletter in the coming weeks for further details on how to enter*

## **Siúltóirí Buadáin - Winter Wonderland**

Well done Eamonn O'Sullivan for capturing, through your photography skills, our winter wonderland walk from Marley to Fairy Castle. [Click here to view Eamonn's terrific presentation](#). All of you, who have clicked in and enjoyed the magic of Eamonn's work, will appreciate our decision to head up to Fairy Castle again on Saturday.

Our route took us along the full crest of Tibraddan Hill. We trekked in all weathers. We encountered ice, snow, gale force winds, rain and even a little sunshine. Our trekking skills were put to practice and our abilities to tread tentatively over ice and trudge through impacted snow were tested.

The trails were a hive of activity on Saturday with mountain runners challenging themselves to finish their race in good time and with parents and their children enjoying some family time together.

Each time you trek a mountain a new experience is born, so true of Fairy Castle. On the other side of the hills a group of Na Siúltóirí took on the trek from Brennanstown to Carrickgollogan Hill. Carrickgollogan Hill and its surrounds are managed by The Dublin Mountain Partnership. The panoramic views from its summit over South Dublin and North Wicklow is spectacular and its woods are a fine habitat for badgers, rabbits and a large variety of birds.

Na Siúltóirí intended to carry on over from Carrickgollogan to the Scalp but weather conditions prevailed and instead of the ice and snow that their fellow walkers were experiencing, their path to The Scalp was flooded. There was no way through. How diverse the elements can be on the Dublin Wicklow Hills.

No matter the weather, the enthusiasm among our walkers is infectious. It is heartening that each week Na Siúltóirí gather in growing numbers to trek the hills and each week they return to trek some more.

*New members always welcome!*
