Hurling Update - Big week for Senior B Hurlers

The Senior B hurlers top the bill this week with a championship Quarter final V St. Kevin's. The game is on Saturday at 5.30pm in PUM. The teams have not met to date this year. They are side by side in the AHL2 League table so a close encounter is expected. Please support the lads as they attempt to emulate last year's success.

Dublin's victory in Croke Park on Sunday means the Senior A Championship has been deferred until the Friday after the football final. At time of writing, it is uncertain where the Senior A team will be on Saturday next. They have been invited to play in the Kilmacud Sevens but we also have an AHL game V Crumlin. Check the website for an update.

The Junior A team make the short journey to St. Jude's to play in the All Ireland Junior Sevens. Games start in Tymon Park at 11am.

The Junior B team play O' Tooloes in AHL5 in Blunden Drive on Sunday morning at 10.30am.

The Senior hurlers have a new sponsor. The management team of Johnny Kenny, Davy Kane, Darragh Spain and Brian O' Regan see the deal as very important in their attempt to regain the Senior Championship. BBSE fell short last year in an effort to win a 6th Championship in a row and are under no illusions how difficult it is going to be get back on top of the pile. The team already have silverware to show this year. They won the Leinster Senior League title in July and with county commitments over for this year, the team is now firmly focused on the very difficult task ahead. The Grafton Lounge, which is just off Grafton Street, is managed by Noel Anderson. Noel, a Rathfarnham lad, knows a thing or two about hurling. He

played hurling himself and once scored three goals in a final in Croke Park!! He is hopeful that the partnership with Boden will assist in bringing further success to the Boden Boys.

The launch is on Thursday at 9pm and all are invited. The Grafton Lounge have a special loyalty card for club members and they will be available on the night.

Best of luck to our club members with Clare and Cork affiliations in Sunday's All Ireland Final. We also send our congratulations to our Dublin footballers after their epic win over Kerry.

Football News 02/09/13 - C.O.Y.B.I.B !

What a week of football capped off with the Dublin Senior Footballers getting through to the All-Ireland final against Mayo. **The scramble for tickets is on!**

Results were mixed this week. Our senior footballers had a dramatic win against Raheny in St. Annes Park. Seamus Keane coolly despatching to the net from a magnificent catch and pass from Sean Gibbons. This resulted in a 1 point winning margin – 1-6 to 8 pts. This places them in a strong league position for the playoffs.

Next up, the Junior C's were away to St. Killian's. Despite being up 3 pts at the interval they were unable to sustain the tempo and lost in the end by 1pt on a scoreline of 1-9 to 11 pts. The league playoffs are still in their sights.

Our Inter footballers kicked off the weekend at home to St. Finbarrs. They struggled with several players away. However they showed great spirit coming from a half-time deficit of 2 pts, to win by 5 pts on a scoreline of 1-9 to 7 pts. Thank you, particularly to Evan and Ciaran for their contribution.

Our Junior A's came up against table toppers Parnells and were well beaten in the end. It has to be said that they too struggled with fielding a team on the night. Finally our Junior B's lost by 3 pts to St. Brendan's Sunday morning at home. Despite getting 2 early goals they failed to hang on, eventually losing 16 pts to 2-7.

*We ask players to raise the commitment levels as we head into the final part of the season in our quest for success this year – **you owe it to the team and yourself.** Please ensure you wear the proper club gear and respect management and the referees.*

This weekend also saw our facilities in Sancta Maria play host to the Kerry Footballers in advance of Sundays All-Ireland semi final. It was great to see some of the elite footballers from the Kingdom up close and hopefully they will avail of them in the future. What a game of football they served up with the Dublin team. Congratulations to Michael Daragh, Dara and Declan and all the Dublin Football team on reaching the All-Ireland Final for their second time in 3 years.

Looking ahead, next weekend sees all our Minor teams in action in the first of the round robin c/ship matches. Good luck with the preparations this week. Look out for the full list of fixtures on the web and support the lads.

Reminder please get your sponsorship in for the Golf Classic taking place on Friday next the 6th September.

Finally, can members who are interested in being involved in any of our adult and minor football teams next year contact **Ger Flaherty 0876599359** or **any member of the football committee**. We can always accommodate fresh faces and new ideas to bring our teams forward. You will be working with a great group of people without whom we would be unable to run our 5 adult teams and 3 minor teams.

SENIOR CAMOGIE TABLE QUIZ - DEFERRED

The Senior Camogie fundraising Table Quiz that was to be held this Thursday evening has been deferred to a later date.

On the field, the Senior 1's began their Championship campaign last Thursday with a victory over N Brid . After a sluggish start, a goal before half-time settled the team down. The performance improved as the game went on and some fine scores were picked off, resulting in a comfortable win on a score-line 3-14 to 1-3. We have a bye this week, so our next outing is Tuesday 10th at home to Erin's Isle.

The Senior 3's had a disappointing start to their campaign, also last Thursday. The girls never got out of the blocks and Na Fianna ran out deserving winners. This Thursday we have a must-win encounter away to Kilmacud Crokes to keep our hopes alive.

The Senior 6's had a fine win last Tuesday at home to Castleknock. A strong first half performance laid the platform for the win, final score 2-4 to 2-1. Tonight, Tuesday we play Good Counsel at home, and a victory will ensure safe passage to the semi-final stage.

Juvenile Championship's began last weekend, and there were some promising signs at all age-groups. All teams are in action again this weekend before they have a break the weekend of the Camogie All-Ireland.

Congratulations to Doireann Mullany, Sarah Nagle, Martha O' Donoghue & Aisling O' Leary who were part of the Dublin Minor Camogie panel that won the Leinster Final on Sunday, defeating Offaly.

Ladies Football Update

The Juvenile Championship kicked off last weekend for under 14, under 15, under 16 and Minor. Team mentors have been putting in a big effort in training over the last few weeks in order to get girls fit and ready for September. Indeed some teams continued to train right throughout the summer.

On Friday night our under 14A team were disappointed when Foxrock Cabinteely did not turn up. Points were awarded to Boden but this team were all set for a game. However they now look forward to Friday evening's away match against Brigids.

The Under 15 Division 1 team had a good start to their Championship with a great win over Cuala. A convincing score of 5 -7 to 3 -7 was a great result for their first outing in the Championship. Special thanks to the under 14 girls who helped out the team as numbers were short due to injuries and illness. Get well wishes to Emily Flanagan as she recovers from a recent appendicitis.

Meanwhile the Under 15 Div 2 team went down to Scoill Ui Chonail. Next Sat they take on Donabate at home. The Under 16 Div 1 team have their first Championship game this Tuesday evening against Synge St at home. The Under 16 Div 2 were unfortunate to go down to Birgids at the weekend, their next outing is against Foxrock next Sunday out in Cabinteely.

Our Minor team got off to a cracking start with a great win over Castlknock this evening, 7 - 23 to 2 - 7. That will leave the two Micks happy men this week anyway.

In the Under 13 Cup the C team went down to Naomh Mearnog on Sat last, while the Under 13 B team were disappointed when Skerries could not field a team on Saturday. They now look forward to taking them on this Wednesday evening instead. The 13A team are all set for their first Cup match next Saturday against Templeogue Synge St. The very best of luck to all teams in Cup and Championship over the next few weeks.

Declan Reilly's Senior B team are top of the League with two more matches to play. This Wednesday they are away to Portobella and the following week they are home to Crao Ro Naofa.

The Go Games teams are all back training this week with a full schedule of matches from this weekend. The long summer break is alas over and its time to dust down

the boots and shake out the Jersey's. Pat Conway and Ciaran have the busy task again of finding pitch space for all the teams. Lets hope we have good Autumn and games can go ahead as scheduled.

On Saturday next 7th September registration for all Academy children born in 2007,2006 and 2005 will be held in the Club House. Girls registration is at 11.00 a.m. Full details on the club website. A special welcome all the new little girls that we hope to see.

Chairman's Update regarding Club Refurbishments

As many of you will have noticed we are in the process of carrying out a number of refurbishments to the Clubhouse and surrounding grounds area. These improvements were badly needed and apart from the contractors involved, I would like, on your behalf, to extend my sincere gratitude to our Club members and staff, who on a volunteer basis, have contributed so much to the refurbishment program.

I thought it best at this stage to provide you with an up-date on where the program stands and a time-scale for completion.

A complete overhaul of the main hall has taken place making it so much brighter and the floor has been sanded and varnished to a very high specification. In addition a new projector and screen has been installed, which will make viewing of major matches much more enjoyable for members. Of more significance, the new projector/ screen system can and will be used by our coaching staff when we convene seminars and other events. Apart from the coaching side, the refurbished facility will make a positive contribution to the social enjoyment in our Club such as the Music & Drama Society and the Cheile dance nights. We hope in time that members of our Club, will utilise the new facility for functions such as parties or other special events.

A number of on-going improvements are taking place in the bar area and a new HD 51" TV will be installed later this week (in time for the Dublin/ Kerry match) which will make a significant improvement on the old model that has been there for years. In addition the lighting in the bar area, will be improved with the installation of an energy efficient system. The refurbishment being done to the ladies toilet in the bar area, will hopefully be completed by this week-end and the new look gents toilet will be completed during the following week.

Every aspect of this program will be fully completed in time for the All Ireland Hurling Final and we trust that our members especially those with Cork or Clare affiliations will visit our Club and enjoy the occasion in our new look facility.

Hosting the Kingdom in Sancta Maria

Sancta Maria played host to the Kerry Footballers in advance of Sundays All-Ireland semi final. It was great to see some of the elite footballers from the Kingdom up close and hopefully they will avail of them in the future. What a game of football they served up with the Dublin team.

St Martins Wexford Hurling Tournament - U 11

Well done to the Boden u11 hurlers who took part in the St Martins tournament in Wexford on Saturday. A big thank you to St Martins for an excellent day. A great experience for all the lads.

Coaching Corner - It's Not About You – Vern Gambetta

Despite what some coaches think it is not about you the coach. Lest we forget, it is about the athlete. Any good program recognizes that it is athlete centered and coach driven. The athlete is the reason we are coaching. Our effectiveness as a coach and the athlete's success is highly dependent on our emotional intelligence. It is how we communicate, how we motivate that helps propel the athlete to greatness. Technical knowledge is important but if you can't impart that knowledge what good is it. Step back and put the spotlight squarely on the athlete and do everything ethically in your power to get them to be the best they can be. **And don't forget it is a journey.**
