Football News - AFL Action and a Dublin win

Weekend round up

The build up to the start of the AFL continued last weekend with both the Seniors and Inters in action. The Seniors faced Templeogue Synge Street out in IT Blanchardstown on a windy but thankfully dry Saturday morning and took a while to get into their stride with a strong crosswind slightly favouring the opposition. After a strong showing from TSS in the first half the lads finally found some rhythm and finished strongly coming out winners by 3 points. It was especially heartening to see the young lads stepping up to the plate in the absence of the County and injured players.

It was the Inters turn on Sunday evening as they entertained St.Jude's in Sancta Maria. With numbers low thanks to young minor player Liam Flaherty who stepped in to help out in a pacy well contested match. The lads ran out winners by a few points. Well done to those who doubled up and played both games for the club.

[Congrats to our Dublin contingent Michael-Darragh, Declan and Darragh on their victory over Westmeath by 0-14 to 1-07 in Mullingar on Sunday in the second round of the National League.](#)

Unfortunately the Dublin Minors and our own lads Colm Basquel, Warren Egan, Shane Clayton and Barra McGarry were pipped by Meath by a single point in their Leinster MFL clash in Ashbourne on a scoreline of 1-11 to 0-13 despite Warren scoring 0-05 and Barra 0-02.

Adult Football League

The League begins in earnest this Sunday with a mouth-watering Div.1 clash with St.Brigids in PUM at 10.30am. The Inters and both Junior teams also get underway on Sunday.

Congrats to 3 Boden Leinster Stars

The victorious minor hurling team were presented with "hoodies" on Friday night at a gathering in the club. New hurling chairman, **Conor Sheehan**, welcomed the team and recalled the memorable victory in last year's county final. The final, he said, was one of the outstanding memories of 2013. Last year's chairman, **Tomás Ó Reachtabhra** was also present. He urged the boys to make the transition to Adult hurling. He advised that to reach the top, they would need to look after themselves and he had every confidence we would see many of them representing club and county in the future.

All the mentors had their say on the night and the close bonds forged between the team and mentors were very apparent.

Sincere thanks to The Dry Cleaning Company for their support to the team

Most of our Academy & U9-U13 coaches have completed this course already but there are still some coaches who have not yet completed it.

This is the Introductory Coaching Course for GAA Mentors and it is really important to get done.

As a club there is a big push being put on the development of our Coaching standards and this course is the minimum qualification we expect our mentors to have.

Boden Operation Transformation

Another really good week for the Ballyboden Operation Transformationers!

The results for Monday 3rd Feb are as follows:

120 weighed in

7 stone 11lbs was the total weight loss for the week.

Just like the TV Show the weight loss is dipping a little but people are still weighing in their numbers every Monday.

Weigh in was followed by a wonderful talk by Fiona Nea, Human Nutritionist and Dietitian. It was full of practical information and had lots of tips.

The Ballyboden crew have lost a combined weight of 51 stone and 13lbs to date and the aim is to lose 80 stone by the end of the programme. That's a weekly weigh loss of 9 stone 5lbs or an average of 1.1 lbs per person per week if 120 people continue to weigh in. That's definitely an achievable goal with the results so far.

Remember we are on Facebook [so click here to join or follow us.](#)
