## Bereavement - Ryan

The club extends its deepest sympathy to former Senior hurler Joe Ryan and family on the recent death of his father in Inistioge. Joe played in the club's first senior championship final in 1983 (of any code). He has resided in New York since the mid 1980s.

## Hurling News - Win for Snr B Team

### Senior B Hurlers notch up second win

The Senior B Hurlers played Naomh Barróg on Sunday Morning. Fortunately the All-weather pitch was available, as otherwise the game would not have been played.

Boden found it very hard to settle into this game. In the first half scores and points in particular were very scarce with only two from play (A. Jermin & J. Roche) & a third by Roche from a free. On the other hand Naomh Barrog were popping over points much more easily and finished the half with a total of eleven points. However they say that goals win matches and in this case two good goals kept Boden well in the game. The first goal came after a great run and finish by wing back Kenny Wigglesworth. The second was also a well taken goal by Finnian McDonagh. This left the score at 0 11 to 2 03 in favour of Barróg.

The Boden team certainly benefited from the half-time pep-talk and a number of substitutions. The fact that the breeze, now favouring Boden picked up also helped matters. Boden now playing with far more determination, went on to dominate the second half, scoring twelve points, while Naomh Barróg only scored two points.

The game ended on a score of 2 15 to 0 13 in favour of Ballyboden. The game marked the very welcome return of Malachy Travers from his travels and he appears to have lost none of his gentleman like approach to the game!!

*The Team was; Keith Robinson, Niall Keegan, Donal Butler, Malachy Travers, Kenny Wigglesworth, Stephen Nagle, Mick McGarry, Naoise Maguire, Adam Jermyn, John O'Driscoll, Finnian McDonagh, Dermot Coffey, Eoin McKenna. Subs Used - Paul Doherty Collie O'Neill, Eoin Small, David O'Connor and Darragh O'Gorman.*

**PS.** The Senior A game was called off due to the St. Vincent's pitch being unplayable.

**NOTE.** Leinster League v St. Vincents on Saturday 11th April (fixed for 4.30 in PUM but watch the website).

## Football News - Win for the Junior B's

### Round Up

Unfortunately the heavy rain on Saturday night/Sunday morning put paid to a number of matches with pitches being unplayable as a result. The Seniors, Inters, Junior A's and Minor A's were all casualties and only the Junior B's and Minor D's managed to get their games played while our Minor C's had a bye. The Minor B's match against Isles of the Sea went ahead on Monday night but the lads just fell short losing by 2-11 to 1-10. Back to the Sunday matches and the Minor D's were well beaten by a strong O'Dwyers side but in a fairly drab weekend for football the Junior B's were the shining light continuing their fine run by beating Templeogue Synge Street in the Sheridan Cup by 2-11 to 1-12, see report below. With no competitive matches on this coming weekend we would like to wish everyone a Happy Easter.

### Sheridan Cup: Ballyboden St Enda's 2-11 Templeogue Synge Street 1-12

Another great win for the JB's. On a cold and windy day, Boden chose to play against the wind in the first half. TSS were quick of the mark and latched on a few well taken points. TSS were 5pts up before Boden got their act together and created openings of their own. Colm Reade opened his account with a well worked point. Points from Paddy Carr and Tom Connors settled the nerves before Connors chipped in again with a neatly taken goal. TSS scored a goal of their own just before half time, leaving the JB's 3 behind at the break. A much more fluid Boden were quick of the mark with points from Carr, Reade and Connors putting us a point in front. But TSS came back to go two points ahead yet again. With the introduction of Johnny Ahern, Boden got on the ball more and "the Fox in the Box" Mikey Ryan was at it again with yet another well taken goal. Well taken points from Carr and Connors sealed a great victory for this Boden team. With Anthony Manning standing out on the half back line and great all round team performances, things are looking up for this team!

## U16 Ladies Football - Win for Div 2 Team

*I've always believed that if you put in the work, the results will come. Michael Jordan.*

The U16 girls fought courageous battles this weekend as the squad played a Div 1 Kilmacud Crokes and a Div 2 Cuala, Both games were fought with determination. Unfortunately the Div 1 girls were unable to hold Crokes and didn't quite get on top throughout the game. The Div 2 girls on the other hand did take control and after a very strong first half with the wind behind them, they finished out the game on top.

This is a great squad of girls. The U16 ladies continue to develop as individuals and as a squad. It is a huge challenge to step out of a pitch and face teams that have played together for a long time. But they are strong and unphased by the challenge. Their determination to improve is inspiring and these improvements become more evident as the weeks of hard work and training are met with enthusiasm and expectancy. The girls know that they don't judge themselves on a single performance or a couple of results, be them good or otherwise. A much greater measure of performance is to look at the effort and determination which they are building each time they come together. This is what will bring the results of the future.....watch this space!!

*Now, back to the training field.*

Div 1 BBSE 1-09 Kilmacud Crokes 3-10

Div 2 BBSE 7-12 Cuala 4-05

## **U14 Hurling trip to Donegal**

Killer whales and dolphins welcomed twenty Ballyboden U14 hurlers to the waters off Rossnowlagh beach in Donegal last weekend.

Uncontained joy was heard in the laughter of the seagulls flying above our hurlers as they surfed enormous waves.

When asked; what's the point; hurlers surfing? The third policeman replied," Muscle, sinew, blood and bone, water wave or grassy plain. Hurling, Surfing; it's all the one source man... swear to god."

## U12A Hurlers V Lucan at Arthur Griffith Park

“The Under 12A hurlers lined out for their third Blitz game of the year against Lucan on a beautiful summer’s like day on Saturday. Having already lost one and won one the lads were keen to increase their “Win stats.”

The lads started well with Alex Gavin and Rhys McDonnell running the show in the engine room for the duration of the game. With David Gannon, David Kane and Josh Corcoran repelling attack after attack it was left to the full backs of Oisin Byrne and Harry Duff to mop up any loose ball that came through and that they did superbly with Lucan having to rearrange their attack on a number of occasions.

Michael McDonald and his very able assistant, Cian Kelly, were causing no end of problems for the Lucan full back line. Cian Durkan and David Keogh were running hard at their opponents and supplying quality ball to the inside forwards as was the ever industrious Cormac McDonnell”.

Whilst the lads admitted to relaxing and letting Lucan back in to it in the second half they

quickly realised the error of their ways and finished Lucan off with something to spare.

Save of the Day – Matthew Ormsby (also catch of the day !)”

## **Ballyboden U9 girls first go games!!!!!!**

### **Team "TIGERS"**

This Sunday was the second outing in the Go-Games for the four BBSE Under 9 Camogie Teams. Due to much improved weather conditions, today's experience was significantly more enjoyable than their first Go-Games two weeks ago.

Two of the teams travelled to Castleknock to play against Castleknock, Erin Go Bragh and St Olafs. Our team played two matches against the Erin GoBragh's two teams. Our girls played with enthusiasm and determination and displayed some great camogie skills. As we were the better team on the day, the girls came off the pitch feeling happy and confident in their own abilities. Thanks to all the parents and mentors who were there on the sideline supporting them. Report - Kathleen O Leary

### **Team "LEOPARDS"**

Our team, the leopards, really enjoyed their 2 games today against commercials and St Marks. We opted for ground hurling in the 1st half of both games and normal game for second half. What was most pleasing was seeing our (so called) weaker players perform so well. It will do wonders for their confidence. We played really well as a team and players acquitted themselves excellently in a variety of positions. Plenty of players trying the jab/roll lift and striking from the hand. A pleasing weekend's work from a coaching point of view. Leopards Abu! Report - Donal Griffin

### **Team "CHEETAHS"**

We had a successful morning we played one against Erin go Bragh and the other against Olafs. We were the stronger team in both games the girls really enjoyed it. Report - Deborah Heavey.

### **Team "PANTHERS"**

The girls skill levels were truly off the charts, during the warm up all girls were striking comfortably over the bar & ground striking was exceptional. The girls brought these skills into both matches this morning. Most girls were ecstatic, due to every player scoring in both matches.

Well done to all mentors & coaches today who helped out & the referees Aoife & Ciara O'Neill These girls have a great football future ahead!

### U11's Camogie Blitz

The 1st March 2015 was a milestone for the 2004 Ballyboden Camogie girls for two reasons. It was their first outing representing the club as U11's, and it was also their first ever match played in snow!

Our girls played teams from Cuala and Commercials on a cold, wintry day in Sancta Maria and they did so with great distinction. Although conditions were against them, the girls displayed brilliantly all the skills they have been practising and they did both themselves and their parents proud. Special mention for Annabel Cosgrave and Lara Cormack, who were taking part in their first ever competitive blitz.

The very next night, Monday 2nd March, 40 of the girls braved another snowy evening for a training session under the lights. Needless to say, we had the pitch in Sancta Maria all to ourselves!!
