Pride of place this week goes to Michael Darragh and his fellow Dubs on their well earned victory and 25th All-Ireland Football title. It's Michael Darragh's third All-Ireland and hopefully there's a few more in him. Despite the difficult conditions, Dublin deservedly went on to win a low scoring final where the atmosphere was electric on a scoreline of 12 points to 9 points. We look forward to seeing Michael Darragh returning to our Senior team in their quest for c/ship honours. Well done Michael Darragh, we delighted for you. The football section wishes Ciara Ruddy every success in the Ladies football final V Cork this Sunday, let's hope the Jackies can make it a one-two!

On to club matters and All-Ireland weekend saw the Seniors and Inters both in League action. The Seniors travelled to Parnells and picked up a confidence boosting victory ahead of the Championship meeting with Crokes, running out easy winners by 5-21 to 0-08. The Inters got back to winning ways against Craobh Chiarain at home in Pairc Ui Mhurchu and kept their League playoff hopes alive with an excellent 1-20 to 0-09 points win. Reports from both games below.

Senior Footballers Match Report

Boden 5-21 Parnells 0-8

Boden travelled across the City to Chanel College Saturday evening for their third last Senior League game. The two points were very important to keep their top 4 finish and league playoffs on track. And so they did dominating the game from start to finish. Parnells suffering from a lack of confidence due to their poor league performance to date were no match for the pace and determination of Boden. From the start Boden got into an early lead

and pressed their dominance home with points from Daniel Davey and Collie Basquel. Tom Hannifin from wing back chipped in with 2 points of his own. But for the Crossbar and a little coolness in front of goal, the score could have been a lot more. In defense, Boden were well marshalled by Bob Dwan and Darragh Nelson.

The second half followed a similar pattern. Boden pushed on anxious to improve their score difference and maximise their dominance. They carved out numerous goal chances scoring 5 of them and eventually running out comfortable winners. They know bigger tests lie ahead but it was encouraging to see a very positive all round display from the team.

Next up Friday week will be Kilmacud Crokes in the Championship in Parnell Park, 8.15pm.

Intermediates 1-20 Craoibh Chiarán 0-09

On Saturday evening in Páirc Úi Muiricu the intermediate team played Craoibh Chiarán in a fast paced game with good score taking from both sides in the first half. Boden started well with Sean O'Shea getting the first point from play after good quick movement of the ball from the half back line. Both teams traded scores in an open game with the ball moving quickly from end to end. Craoibh were a big strong team and had a great spell during the half, winning a number of kick-outs to own the middle third. James O'Hara fielded a few high balls to get Boden a share of the ball and the team had opened up a two point lead after 20 minutes, when midfielder Seamus Keane scored a fine goal after a quick pass inside from Adam Carney. The first half finished with the score 1.10 to 7 points to Boden. The scoring was well spread out, with five forwards scoring in the first half and Feargal Purcell working hard and scoring a fine point from out on the left. Brian Bobbit also scored an excellent point after a run from the half back line, while Conor Deane worked hard at wing forward.

Craoibh Chiarán started the second half with intent, but the young half back line of Stephen Ward, Cian Mellet and Brian Bobbit really got into the game and with O'Hara and Keane working well in midfield, Boden took over and ran out winners 1.20 to 9 points. It was far from one way traffic as Craoibh worked hard and had plenty ball, but their shooting let them down on this occasion. With ten minutes to go they were reduced to fourteen when their corner back was sent off for a foul on Carney

The scoring continued to be spread around the forwards, Kenny Naughton scoring four points from play, Adam Carney and Darragh Kilduff got three points each from play. Seamus Keane finished with 1.05, (four frees) Dan McGuinness scored a fine point after coming on as sub and attacking from the defence. Fionn Maguire did well after coming on in the second half and Stephen McDonald showed well at full forward after coming on to test the rehab out on his injured knee.

Minor Championships

Both teams played this weekend. The Minor A team were beaten by a strong Na Fianna team. The Long Fella went to have a look at proceedings. His report is below. They will need to win their last game to qualify for the play-offs. The second team are still well in the mix with two wins and looked impressive when beating Kilmacud Crokes on a score line of 4 12 to 2 12.

Nil Points, But Title Hopes Still Intact

Na Fianna 1 18 BBSE 1 12

A spirited and encouraging second half performance augurs well as the stepping stone for a semi final place for our Minor championship side on a perfect Mobhi Road surface on Sunday. Their opponents, unlike Ballyboden, had lost their opening game of the series and were under pressure to deliver, watched by a sizeable home support. Their side featured some Dublin Minors and a physically stronger side, whereas Boden fielded a younger side, almost half of whom are still eligible next year.

“Pressure is for tyres”, and Na Fianna were determined to prove that right by opening up in style. They got a grip at midfield and through Cathal Doran they started feeding a hungry attack, where Colin Curry, Gavin King and Donal Burke notched up some fine scores. By the quarter they had chalked up nine points, whereas Boden only had a Conor Kennedy score from out wide and a Michael Boland free to show. Curry was perfect from the frees and with Peter Feeney playing solidly at centre back, Na Fianna looked unbeatable.

But looks can be deceiving and Boden finished the half well enough with well worked scores from Cillian Byrne, Aaron Coffey and Cian Murray. Na Fianna were, meantime, adding to their tally through Curry and Burke. The half time score was 14 to 5. Neither side had created a serious goal chance, showing the domination of the last line of both defences.

Some serious talking took place in the Boden circle and they emerged for the second half in a more determined mood, clearly not prepared to allow the home side the kind of space they did in the opening thirty. Neil Hester got a grip of his zone and proved influential in creating space for the men in the scoring area. Within a minute they had worked a fine goal down the wing, through several players, and finished expertly by Boland.

The next ten minutes were Bodens and scores came without reply. Byrne did well from the free line and the overall approach across the numbers was encouraging for the team management. They had introduced John Murphy from the bench and his physical and no less skilful contribution was paying dividends. Then a “sucker blow”, a high ball from the clouds into the Boden square finished in the onion sack and was allowed to stand by the official. The Boden defence clearly expected a free to be awarded in their favour for an infringement, but despite the protests Na Fianna had cancelled out the good work. 1.6 to 1.15.

The home side now withdrew players from their attack and were content to frustrate Boden for the last 12 minutes. Byrne got some chances for frees and converted most of them, Murphy got a fine point from tight space, and Boland got a cracker after some good teamwork. Goal chances came Bodens way but were met by the Na Fianna Team-bus, causing some angst among the Boden following. A few fracas developed and one involved almost all players within a thirty metre radius. The official dealt lightly with the incident, regarding it as case of “les sac a main”.

Boden had outscored the title favourites in the second half, but finished six points adrift, their tally of 1 12 being a modest total for such fine conditions. That said the team management will be reasonably happy with the showing, hoping for a more rounded performance in the last game of the group against St Brigids.

Side; Conor O’ Donoghue, Kevin Cronin, Luke Corcoran, Karl Weldon, Rob Leddy, Neil Hester, James Holland, Sean McDonnell, Cillian Byrne, Michael Boland, Cian Murray, Aiden Mellett, Aaron Coffey, Luke O’Donoghue, Conor Kennedy, John Murphy, Darragh Byrne, Cian Kelly, Shane Kennedy, Jack Mahon.

U16 Ladies Football News

If you believe in yourself and have dedication and pride - and never quit, you'll be a winner. The price of victory is high but so are the rewards.
Paul Bryant (American Football Coach)

In the dying moments of the greatest upset in rugby history the Japanese rugby team took the brave decision to risk everything and believe in themselves. This decision was not to settle for a draw but to go for victory. As a result the mighty South African rugby team were defeated. The following morning the Under 16 BBSE girls faced Clontarf, the Division 1 league champions. The BBSE girls have had a challenging start to the Championship losing their first two matches. The question facing the girls was simple, do they have the courage to believe in themselves? This was a question of Championship survival.

We are very proud to say that without exception each of these girls rose to the challenge before them. Each girl taking ownership of their own battles and ensuring they played to the game plan and the best of their abilities. They battled and fought for every 50/50 ball, they scrambled their defence, worked the ball through the mid-field and delivered opportunity to the forwards. They went toe-to-toe and never stood back. The BBSE girls took the lead early in the first half with a goal and quickly added to their tally. But Clontarf are a strong and talented team and responded with a couple of goals of their own. The Boden girls kept the lead throughout, winning the game 6-10 to 4-07.

The BBBSE girls showed self belief and courage which along with their 'never quit' attitude made them a very potent force. Their coaches, parents, supporters and club are very proud of their performance.

Now back to the training grounds.

The U16 coaching team.

Well done to our U16A Hurlers who were in Championship action twice this week

Earlier in the week, the U16A's played Lucan Sarsfields in the Quarter Final Replay in The 12th Lock, having lost their earlier home advantage. An inspired performance saw them run out comfortable winners to proceed to the Championship Semi Final.

Despite the lads having played on Wednesday evening, the Semi Final went ahead as scheduled, a match away in Pairc Naomh Uinsionn against St Vincents at 3.30pm on Saturday afternoon.

Despite chasing the game for 60 minutes, a goal in extra time saw the lads emerge victorious with a one point win.

They will now face Cuala on October 17th, time and venue TBA.

[Many thanks to the travelling members in the last week who cheered on the boys and gave them such great support.](#)

U15A Report Hurling A Championship

The U15A's hosted Crokes in the Division One Championship semi-final on Pairc Ui Mhurchu on Sunday morning confident that at their best they could have a right good go at toppling last year's National Feile Champions.

Right from the off they tore into Kilmacud, and a strong showing from Kevin Desmond - winning a free and crashing the ball of the crossbar - saw Boden race into an early 2 point lead.

Rocked by a goal against the run of play the lads kept at it & a clever finish from Luke McDwyer and a fine point from Joe McGrath, who was returning from a long injury lay-off, saw the lads go in at half time down by only a couple of scores.

In the second half - playing into the wind - the team battled manfully. Every single defender - led by Captain Conor Kelly - played their hearts out to defend Matthew Nolan's goal. Nolan himself made some fine saves when the defence was breached.

Jacques Dalton at centre back burst forward to score a point - Jack Kenny & Feargal Ryan on either wing ably covering the gap.

Even when the gap threatened to widen no heads dropped. Malachy Codd was rewarded for his efforts with a fine goal & Cillian Kirwan also crashed the ball to the net from a penalty.

The team battled to the end - Conor Lowe and Dillon Dunleavy getting some fine scores but they couldn't bridge the gap.

[Best of Luck to Crokes in the Championship Final when they will face Whitehall Colmcille.](#)

U15B report...U15 Hurling C Shield Semi Final

Last Sunday morning, roared on by a big home crowd, our under 15B hurlers took on Thomas Davis in Cherryfield in the Shield Semi Final.

It was close tight encounter and the boys started really well taking an early lead. In a hectic first half, the lead swayed between the teams but Boden went in at half time a point ahead. Boden extended their lead early in the second half and with the game still in the melting pot, Thomas Davis were reduced to 14 for a second bookable offence.

As is often the case it's the team that are a man down that react better and sadly for Boden that was the case here. Boden had a late comeback but every time they pulled the game back Thomas Davis seemed to go down and score.

Final Score Thomas Davis 9-5 Ballyboden St Endas U15B 5-5.

Afterwards the boys went to the club and were treated to pizza and soft drinks (many thanks to Des Nolan for that). They chatted had a bit of fun and when fed and watered they were all back on the field pucking about together before going off in time to go and watch the Dubs lift Sam.

Team: Padraic Doyle, Darragh Murphy, Eoin Duffy, Cian Mealy, Thomas O'Neill, Benjamin Hurley, Alan McGovern, Tommy Duff, James Kinsella, Robert Lambert, John McGinn, James Hanrahan, Ciaran O'Neill, David Barrett, Paul Kavanagh, Sean Lambert, Tommy Farrelly, Adam Farrell, Dioma Murphy-Rourke, Cian Corcoran.

U10 Go Games, Saturday 19th September 2015, 10am at Clondalkin Community Centre

Team Mayo, from Ballyboden St Endas U10's, faced Round Towers.

Boden started off well and got some good scores which they built on. The boys continued to play good football and took their scores. They saw the game out and got a good win. It was a performance they should all be very proud of.

This was the second game after the Summer break and passing the ball and tackling has greatly improved.

This was a fantastic team effort with players such as Christopher o Sullivan, Tadhg Tuile, James Lawlor, Oisín Lawlor and Luke Nicholson making a great contribution.

Camogie News - Div 3 Championship

A busy week on the Camogie front. The Senior A Championship game away to Erins Isle was due to be played last Sunday, but was postponed. At time of going to press it is uncertain whether it went ahead on Tuesday (last night) or will go ahead tomorrow (Thursday). The B's had a fine win in their Championship away to Na Fianna last Thursday evening. They now have 2 wins from 2, and host Portobello on Sunday morning, throw in 11am at Sancta Maria.

The C's begin their campaign away to Lucan Sarsfields also on Sunday morning at 11am. As always your support for our teams is much appreciated.

On the Juvenile front well done to the U14A's & U13's who both have 2 wins from 2 games played, and both have already qualified for their respective semi-finals with a match to spare. Well done also to the U14B's who had a fine win also. Hard luck to the U16A's and U16B's who were unlucky in their games.

Division 3 Championship Thursday 17th September Na Fianna 0-5 Ballyboden St Endas B 0-11

Parnells was the venue for this Division 3 Championship encounter on Thursday evening. After beginning their campaign with a struggling home win over Crumlin, hopes were high that we could put up a strong performance against a Na Fianna side who had a comprehensive win in their first game.

A bright start to the game by the Boden girls was encouraging, and all over the pitch we were on top. This first half performance is as good as we have played this year, and some great scores were picked off by a variety of players including Aoife Tobin, Aisling O' Leary, Claire Kirwan, Aoife O' Neill, Jodie White & Danielle White to leave the half time score 8 points to 2 in our favour. The high work rate was notable, and the question was could we repeat this for the second half.

The second half was more competitive, with much of the play confined to the middle third. It was encouraging that when Na Fianna did score, we immediately responded with one of our own. The defence was on top throughout, well martialled by Jane Nolan & Grace Walsh (the night before her debs!), with young Fiona Masterson very strong throughout. Emer O' Leary was composed in goal, and her accurate puck-outs were a great asset. The 6 point margin was well deserved. All 4 substitutes made a fine impact when they entered the fray with 15 minutes to go. There is no room for error in this Division, with the 6 teams playing each other, and the top 2 straight to the final. Next up is Portobello at home on Sunday 27th, and we fell to them at the semi-final stage last year.

A special mention for Aisling O' Leary who made the trip up from Galway for last weeks fixture, and returned at 6am on Friday morning. This week she went one better, again making the trip up on Thursday afternoon but then returning to Galway on the midnight bus, terrific dedication from her.

Team: Emer O' Leary, Sarah Lambert, Grace Walsh, Fiona Masterson, Rebeka Kamvar, Jane Nolan, Gráinne Corcoran, Laura Burns, Aoife Tobin, Claire Kirwan, Aisling O' Leary, Aoife O' Neill, Danielle White, Aoife O' Brien, Jodie White, Ciara O' Neill, Eimear Butler, Orla Tevlin, Leanne Barrett

Under 14 Camogie Championship Round 2, Saturday 19th.

Saturday saw our u-14A camogie team face Cuala at home in PUM in the second round of the championship. Having already accounted for Raheny, and with Plunketts left to play in the group after this match, the team was determined to do well.

The sun was shining, the sod was perfect and the team was "rarin' to go" as the academy kids departed to make way for the serious business.

The ball was thrown in and our girls camped at the scoreboard end, but found the Cuala rear-guard in resolute mood, with their sweeper providing additional cover that proved difficult for our girls to break down. Then, in a rare break away, Cuala won a free which they converted.

A quick response was then provided by Erica, not once but twice. First she split the posts with a long range effort and followed this up with a lobbing ball into the square which somehow ended up in the net, much to the relief of all the home contingent. In fact, lobbing balls were proving problematical for the last line of the Cuala defence, as another high ball from Katie also ended up in the net soon after. Saoirse Hassett sent over a 45, Katie added a free, and even Ally came forward to try her luck with a free, but was just wide. In addition, Hollyn, Aisling and the other forwards were proving a thorn in the side of Cuala. At half-time, the score was 2-5 to 0-1 - a good lead, but we knew Cuala would hit us hard on the resumption.

We made a few changes at half time and in the early stages of the second half, and the subs carried on the good work of the team, and two goals came directly from their hard work. First Ciara McCullough tackled the Cuala goalie, and the ball ended in the net, and then Blathnaid and Robyn were involved, as the ball again rested in the Cuala net.

The final score was 4-6 to 0-3, good enough to ensure qualification for the semi-final.

THE SERIOUS WORK STARTS NOW!

Later in the afternoon the B squad left the comfort of the sitting room and the Irish Rugby World Cup opener to head down to Cherryfield to face Erin go Bragh in a re-fixed championship round, two game. You would have forgiven a sluggish start under the circumstances but the opposite was the case. The Boden girls chased and hassled every ball and within the first few minutes it was clear that the girls were well up for the encounter. Our usually busy and reliable full back line saw virtually no action in the first twenty minutes - Caoimhe Lynne and Roisin enjoyed the break and watched from a relaxed vantage point as the half backline of Cathy, Ciara and Chloe pushed forward, while the two hardy midfielders (Elaine and Beth) were given the freedom to run the show further forward. Aoife Leavy was outstanding in her new role up front while Emily Sharkey, Rachel Kilmartin and 'back turned forward' Ciara McCormack were ever lively. Rena held the right wing secure with some great first-time ball into the corner. As halftime approached a healthy lead of nine points was threatened as Erin found their feet and began to exert serious pressure. The fullback line was called into serious action and Caoimhe was forced to make some excellent saves.

The second half saw an invigorated Erin side emerge. They began to move freely and their scores started to mount. Emma O'Riordan showed great skill to re-take control in the middle third aided by huge work rate from Lauren Gray and the ever present Elaine. Beth had a few of her trademark mazy runs and two consecutive scores eased the nerves. Megan Gray defended two determined attacks while Chloe Murphy and Leah Fagan started to pick up any loose ball around the middle. With time ticking down our lead of 4 – 3 to 3 – 1 looked to be enough.

Then disaster! Two soft goals in quick succession had us down by a point with a few minutes remaining. Cathy Flanagan who had caught and struck excellently all day picked a ball and played it down the left wing. Two quick ground strikes later the ball found its way to Hannah Tevlin thirty yards from goal on the right hand side. Hannah drove straight at the defence

before letting go an unstoppable shot which rattled the back of the net. Her goal completed a great performance from Hannah. Two point win in the bag – never any doubt!!!!!! Hopefully a nasty looking injury to Aoife Leavy will not prove too serious.

Well done on a super team performance. A great win.

U13 Division 1 Championship Ballyboden St Endas 4-3 Faughs 3-1

Boden U13 Camogie won their second championship game versus Faughs Celtic at Cherryfield. While we were missing three starters from the first game, we were delighted to have Zoe Campbell, Ella Thompson, Claire & Niamh Guilfoyle and Katie McDonald aboard this week.

Katie linked up really well with Aisling and Lucy and contributed two excellent points.

Boden made a lightning start to the game with goals from Aisling Murray and Ciara Doyle and the defence was very solid throughout. Ciara Dowling, Caragh and Anna supported Sarah very well and Kiara and Lucy O'Connor got in some key clearances.

In the second half, we had goals from Ciara Doyle and Sinéad Sweeney and a very useful point from Lucy O'Shea. Faughs finished very strongly but Boden battled on well to go top of their championship group

Scorers

Ciara Doyle 2 -0

Aisling Murray 1 -0

Sinéad Sweeney 1 -0

Katie McDonald 0 -2

Lucy O'Shea 0 -1
