Dear Members,

The Club has established a Committee to plan a programme of events to commemorate the centenary of the 1916 Rising. A formal launch will be announced shortly at which, a wide range of activities will be revealed.

To commence the programme - *a Guided Bus Tour of the Historic 1916 Sights - will take place on 17 February 2016*. This will be the first of a number of "tours" marking the events of this historic period. Already this bus tour is heavily booked and there are only a limited number of places available. To avoid disappointment it is advisable to make contact with either Fintan or Sean (see details below).

See Details of 17 February Tour.

Regular updates will appear on the website, social media sites and Boden Newsletter once the formal launch is finalised.

Ladies Senior Football Vacancies 2016

Applications are welcome for coaching and management positions on the Ladies Senior Football Team. This is an excellent opportunity to be part of the flagship team of one of most successful ladies football clubs in the country. We are looking to build a management and coaching team that will set out the roadmap for this very important team for the foreseeable future. With 600 girls and ladies playing football for the club the Senior team has access to the largest pool of talent for many years to come and this is an excellent opportunity to shape that journey.

If this exciting opportunity interests you please note your interest to Pat Conway patconbbse@eircom.net

RTE Visit Ballyboden to film our Operation Transformation Family Walk

Operation Transformation Boden Style took to the road again.

On Sunday, we went over to the Dodder Park for a 7/8 km walk with a group of about a 100 men, women, children and dogs!!! The rain stayed away, so we only had to contend with a strong breeze so 'Imogen' didn't ruin our Operation Transformation Social Walk. We were all back in the club having our tea by the time the rain came in.

RTE have been watching our progress and came to meet our leaders and participants. They visited the training at Sancta Maria on Thursday and came out again to join us on our Sunday Walk.

We are in the second half of our programme now with only a few more weeks to go. But we have had great fun, taking more exercise and have said good bye to lots of pounds!!!

[Weigh ins on Monday and the weight loss for the week is 74lbs. 5st 4lbs.](#)

The total loss to date is 697lbs ie 49st 11lbs.

Gaby Harding who is leading the way lost another 4lbs to bring him to a total loss of 21lbs with Louise not far behind with her loss of 2lbs this week bring her to a grand total of 16 1/2 lbs. David is remaining steady as he nears his target. One of our ladies has broke the stone mark, with one of our gents not far behind so the great results are continuing

[Next week, Killian Byrne, a former OT Leader will be in to chat about how to keep motivated after the programme ends. The walks continue as normal on Mondays, Wednesdays and Fridays.](#)
