## Concert on Aug 26th - CANCELLED - Please Support

Apologies all, upcoming concert to be held in Boden in aid of Lyme disease has been cancelled. Please still support this worthy cause below.

*Many thanks,*

**About Denise.**

My name is Denise Ryan, I'm 32 years old. I suffer from a very aggressive and advanced case of Lyme disease. I need to raise €100,000 to go to Seattle for 12 months of specialist treatment as soon as possible, without it my prognosis is terminal.

### **How I contracted Lyme disease**

I moved to Toronto for work in 2009, during my 4 years there I made great friends and memories. I also had many mosquito bites and a tick bite, but I had never even heard the word 'Lyme' then.

I spent the last two years of my Canadian adventure going to doctors and consultants, as my health kept going downhill. I had to come home to Ireland because my illness was getting out of control. I was devastated because I had just been accepted into college in Toronto and was so excited to start learning a new career. Instead I spent the next year back home going to more doctors and hospitals searching for answers, searching for help.

In June 2014, I was finally diagnosed with Lyme disease. My GP in Ireland sent my blood to an accredited specialist lab in Germany where I tested positive, which was confirmed again by an Infectious Disease Consultant. My blood tests also showed numerous other bacterial and viral infections, including Ehrlichia, Strep, Epstein Barr Virus, Chl. pneumoniae, Anaplasma Phagocytophilum and the Coxsackie Virus. I feel like I got hit by a truck all the time due to such a heavy viral load.

## Closure of Páirc Uí Mhurchú

Páirc Uí Mhurchú will close on Monday 22nd August for major refurbishment . This will include lengthening, leveling and resurfacing with new boundary fence at Westbourne side. It will take approx 5-6 weeks to complete programme subject to weather conditions. While the work is in progress the top half of the car park will be used by the contractors with pedestrian access only to the dressing rooms.Unfortunately car parking spaces will be limited for this period and would appreciate members support during the development.

Weather dependent the committee would anticipate re-opening in June 2017. We understand this will cause considerable disruption for all our members but hope the inconvenience caused will be worth it in the long term. We thank you in advance for your patience.

*Kind Regards,  
John Ryan  
Chairman Development Committee*
