### Ballyboden St Enda's Major Fundraising Event

*Dear Members,*

As you are all aware, the club has made in recent months a substantial investment with the development of Pairc Ui Murchu and a new gymnasium facility in Sancta Maria. The overall cost for both of these projects will be in excess of €300,000. It is important to understand that these investments were not made just for the benefit of the current adult teams, but more importantly for the betterment & development of future generations of Ballyboden St Enda's players both boys and girls.

The Club's Executive sanctioned these developments, for the reasons stated above, but also knowing that it will be necessary to recover the costs incurred through fundraising activities for years to come.

With this objective in mind, the Club is holding it's major fundraising event for 2016 in Shelbourne Park on Friday 4th November . The details of this event will be published on the website and also through posters and leaflets that will be distributed to all teams and parents of juvenile teams.

Quite apart from the fundraising event itself, a night out in Shelbourne Park is always an enjoyable and exciting occasion and well worth the asking price.

So I would ask every member and supporter of our Club to take note of this date in your diary and to give your support for our worthy cause.

### **Minor D team March on**

On a sunny Sunday morning in Ballycullen our Minor C hurling team had a group ‘table-top’ clash with the unbeaten St Sylvester’s B team. Boden compromising 98’ 99’ and millennium babies needed to beat Sylvesters by 8pts or more to qualify for the final and hoped that Wild Geese didn’t go too wild and beat St Patricks Donabate by 30 pts +. Our slow start was only worsened by the loss of our influential centre back Joe McGrath to concussion and a fractured wrist. We were 3 pts behind at half time but the lads galvanised themselves and decided to put in a special effort for our wounded comrade who was on his way to the hospital.

And then it started....our back division ably led by our captain Eoin Fetherstone and greatly supported by Matthew Nolan, Hugh Kenny, Adam O’Neill, Ciaran McDonald, Oisin Murray and Jack Basquel got stuck in and began to dominate their opponents. Our mid-fielders Jonathan ‘Bold Boy’ O’ Donoghue and Kevin McGrath began to hurl and the forwards started to score. Sean O’Gorman hit a few majestic points, Martin Ryan was working hard all day along with James O’Reilly, James Kinsella, Sean Lambert and Joe Duff. Ross McCormack did what’s rarely seen – he pulled on the ball and scored a beauty. Conor Fallon scored a goal from a long range free and the points started flowing from all angles – it was heavenly watching from the sideline. The crowd were getting excited all asking for an update on the score.....time passed and as the final whistle blew we were 11 pts to the good. The word was that Wild Geese put up a big score against St Pat’ (+ 23 pts) ... but alas not enough for them and the boys in the blue and white stripes were heading for the final and hopefully more glory.

A big thanks to our u16 mentors (Niall Desmond and Alan Kinsella) for helping with our recruitment and our patient men on the line Mark Agnew and Tim Chung.

Best wishes to Joe McGrath on a speedy recovery.

**Football News - Great year for our Boden lads!! Congrats**

Congratulations to the Dublin Senior Football panel on securing back to back All Ireland titles on Sunday defeating Mayo by just a point. A fierce battle between two great sides was in the balance right up to the end and it was great to see our own Michael Darragh make such a telling contribution to push the Dubs over the line. Congrats also to panelists Robbie McDaid, Collie Basquel and Shane Clayton on a quite unforgettable year for them (and us!) With the County games over for the year our attention turns to the Club Championship and we have a bumper weekend of games coming up. Our All Ireland Winners are first up in Parnell park on Saturday against old rivals Kilmacus Crokes in what promises to be a titanic tussle and

## Camogie News - U-15 D Championship – Ballinteer St. John's

BBSE 4 - 3

Ballinteer St. Johns 1 - 1

Our U-15's completed the league section of their championship on Sunday morning when they faced near neighbours St. John's. Having already achieved two championship victories in the previous week, we were hoping to gain a victory that would assure us of top spot and a place in the final. Ballinteer, on the other hand, were fighting for their championship survival, so the stakes were high.

We were short a slew of first team regulars through a combination of football commitments and injury. But this team is nothing if not resilient and they again showed their character here. Not for the first time this year, the u-14s came to the rescue and provided four players (Gemma Hayes, Stephanie Hamm, Ciara Dowling and Lucy O'Connor) to complement the panel, and all can be extremely proud of their contribution.

The opening exchanges were fast and furious as from the off our midfield pairing of Chloe and Lauren gained the advantage, which we held in that sector over the hour.

Lucy opened the scoring with a massive point from the far sideline. And she was a thorn in the Ballinteer side throughout. This was followed by a few "near misses" in the Ballinteer goalmouth, before Chloe Murphy found the net. Soon after, Gemma pulled first time on a ball in the Johns parallelogram and the ball again found the net. Aoife then gathered a delivery, headed for goal, lost her marker, dropped her stick and gave the goalie no chance as she added to the goals tally. John's solitary reply in this half was a point

**Half Time – BBSE 3-1; BSJ 0-1.**

It should be noted that the team was lifted in that half by the arrival on the sideline of the injured Emily Sharkey and "non-playing captain" Ciara Duffy, who were there to cheer on and encourage the team.

The second half began and Muireann gathered the ball straight from the throw-in and headed

off on a determined solo run bearing down on goal – until someone reminded her that she was bearing down on her own goal and had to quickly stick the engine into reverse!

Scores were hard to come by until finally we won a close in 20 metre free virtually in front of the goal. Blathnaid faced up to it and the instruction came in from James on the line (with one eye on the thick undergrowth behind the left hand goal) to “tip it over the bar”. The message mustn’t have got through as Blathnaid, with scant regard for the price of sliotars, sent the ball over the bar and into the bushes at the speed of an Exocet missile, never to be seen by mankind again.

Soon after, Blathnaid again grabbed the ball and set off on one of her trade mark solo runs through the heart of the Johns defence. As she shaped up and got ready to hit, James again feared the worse, realising that the bushes were again well within her range. Mercifully, she elected on this occasion to lower the trajectory, out of range of the despairing dive of the goalie, and it nestled in the back of the net.

At the other end, Johns scored the goal that their mighty efforts richly deserved, before Gemma closed out the scoring with a smart point on the turn.

[Final score – BBSE 4-3; BSJ 1-1.](#)

Once again this was a real panel effort.

Caoimhe was as steady as a rock in goal with a series of top class saves and intelligent clearances.

Outside her, Robyn was probably player of the match. She was brilliant, plucking ball after ball from the air and emerging from many a ruck with ball in hand and opponents in her wake. Outside her, Megan, Megan and Zara in turn all held up their ends and gave nothing away.

The half back line of Hannah, Muireann and Cathy held sway throughout, with tigerish tackling and lengthy clearances the order of the day.

Midfield never put a foot wrong, and never allowed Johns to influence proceedings.

In the forward line, as well as the scorers, Rachael, Chloe Curran, Stephanie and Ciara put in massive shifts, and never allowed the backline an easy clearance.

Finally a word for Aoife who went off injured just before the end. Hopefully it’s not serious and she will be back fighting fit for the final.

All eyes now turn to the county final and James was already plotting his strategy as the final whistle sounded. Rest assured that no stone will be left unturned in the preparations in the coming weeks. Rumours of a week of warm weather training in La Mange have yet to be finally confirmed, but rumour has it from a usually reliable source that James sent out an instruction to the extended panel to ensure that all passports are up to date. The same source has also reported the even better news that Gerry White has confirmed that the Camogie Section has ample funds in its coffers to fully cover the trip. We’ll keep you updated on this story.

## Huge win for U16 A team in championship semi final

On Sunday afternoon 2 October our Boden U16 Ladies took to the Prunty pitch in Santa Maria to take on arch rivals from Foxrock Cabinteely looking to defeat them for the first time in 4 years and book a place in the U16 Division 1 Championship final.

With the cobwebs all wiped away from the previous day's celebration of Dublin's historic victory the 2 juvenile heavyweights collided in a much anticipated game watched by a very sizeable crowd. With both teams eager to get the upper hand early on, it was Bodens lightning quick corner forward Eva Cunningham who opened the scoring with a well taken point from the left hand side after a defensive splitting run from wing forward Aisling Byrne. From then on it was point for point with Fox Cab until the 17th minute when Sarah Moore put Boden 4-3 up and it was a lead that they would never surrender.

Points quickly followed from attacking half backs Hannah Murphy and Joanne Munnelly as Boden began to pass the ball with tremendous vision and accuracy. This enabled their now rampaging forwards to take control of the game with Eric Tobin and Bronagh Lynn dissecting the posts and the deadly finishing from Alanna McGarry who finished the half with 4 points leaving Boden with a 10-4 lead at halftime.

With the expected back lash from the opposition the home side knew the importance of starting the 2nd half as they had finished the 1st and that's exactly what they did. Eva Cunningham now operating at centre forward took her chance after a lung bursting run to crash the ball into the Foxrock net and bring a deafening roar from the Boden supporters.

The goal seemed to light a fire under the away side and they responded with a goal 2 minutes later with an unstoppable shot flying into the top corner. From that moment it was backs to

the wall but the Boden defenders stood tall against the onslaught that was coming their way with the fullback line of Hannah Molloy, Aisling Gargan and Aoife Allen showing why Boden have had the tightest defence in the competition.

As the game neared a finish it looked as though the Boden Belles might not be able to see it out but when they needed players to stand up and fight for the win they got it and midfielder Oliva Meagher was chief orchestrator in keeping Fox Cab at bay. She had the energy to start an attack that led to Bodens 2nd goal when a high ball was played across the square and again it was Cunningham who leapt for the sky and palm the ball into the net.

As Foxrock descend on the Boden goal the home side needed heroic defending from Aoife Dwyer and super sub Hannah Leddy to hold onto the lead. Our goalie Laura Smithers stood up to her Captains role on the day and made some super saves. While at the other end of the pitch Aisling Byrne again ghosted through the mesmerised Foxrock defence to give Boden a 2 point lead.

With the referee signalling 5 minutes of injury time the 2 sides again went point for point with Moore getting her 2nd point and full forward Bronagh Lynn smashing over her 3rd just as the final whistle went to leave Boden 2 point winners 2-14 to 3-9.

The management would like to sincerely thank all the parents and club members who have come out over the last couple of months and shown massive support for the girls and helped us get that extra edge. We do appreciate it. See ya at the final

**Great win for U/13 B in c/ship semi final 1 October**

#### U13 Girls Division 3 Championship Semi Final:

Ballyboden St. Endas B 2-6 Foxrock Cabinteely B 0-5

A very nervy start from both sides saw scores at a premium in the first half. Boden defended superbly and caused numerous turnovers with great tackling and blocking. Boden took the lead with a brace of points from Ellie McAree. A great goal on the turn from Dearbhla McCarthy on the stroke of half time gave Boden a 1-2 v 0-0 advantage.

Play opened up a bit more in the second half and points from Lucy Horan and Ellie McAree extended the Boden lead. The Foxrock Cabinteely opened their account and scored four points on the bounce to leave just a goal between the sides.

Boden redoubled their efforts and a fine point from Alannah Norris settled the nerves before a second goal came from Ellie McAree. A late point a piece finished the scoring and a tremendous team display was rewarded with a hard fought 2-6 v 0-5 victory. The final is scheduled for Saturday 15th October.

A special word of thanks to the superb support the girls received.

Scorers: Ellie McAree 1-3, Dearbhla McCarthy 1-0, Alannah Norris 0-2, Lucy Horan 0-1.

### U13A's through to cup final

#### U13 Div 1 Ladies Football (Cup):

The U13 Div 1 panel progressed to the final of the cup after a hard fought 10 pts win over Na Fianna.

The margin was only 3 pts with 10 mins to go but the Ballyboden players raised their game to pull away in the final 5-10 mins.

This performance was probably not the teams best and we will need to rediscover the form of the group games to maintain our unbeaten record.

The girls will now focus on preparing for a final with Foxrock/Cabinteely on 15th October.

The players and mentors appreciated the large support.

## U/12's record good victories over Kilmacud Crokes

## **Ballyboden St Enda's GAA Club Injury Claim Procedure for Juvenile Boys**

In the event of a juvenile boy (player) suffering an injury it is essential that the injury is reported within 60 days of the date of the injury.

The club executive can no longer deal with injuries that are submitted late.

The GAA Injury form is available to download from the club website (blue in colour and five pages in length)

After the injury occurs it is vital that the form is filled out (you will only have details to complete the first two pages) and the form left in behind the bar for my attention .Please text me to let me know it is there and I will forward to Willis(Insurance Company).

Willis will then issue a Claim Number with a letter outlining what information is missing from the claim. However once I have a claim number the other information can follow in time, i.e. medical receipts and stamp from medical centre attended etc.

You can only claim for costs that are not covered by your own Health Insurance Company. A Statement of Account will need to be produced from your insurance company to confirm that the costs were /are recoverable.

Injuries occurring in a Training session will need to produce a letter from Club Secretary

confirming this. (I will contact the appropriate personnel in the club in relation to this)  
All these forms (and in some cases a referee's report is asked for, which I will request from the county board) are forwarded on to Willis to complete the procedure.  
Once payment has been approved, a letter will be sent to the club confirming the amount to be paid. This amount will be less the €100 excess, which the club will pay.  
Thank you for taking the time to read this document.
