## U12s Football Challenge v Templeogue Synge Street

With the grading games for the U12 football leagues just weeks away, Boden's U12s welcomed the opportunity of challenge matches across all 4 grades on Saturday, with 2 teams travelling the short distance to the VEC Grounds and the other 2 hosting Templeogue in Ballycullen.

As might be expected, these were very closely contested affairs across the board, with all teams very evenly matched. On a perfect afternoon for football, all four Boden teams put in 100% effort, and gave the lads a taste of the competition to come as they move out of Go Games, and into proper competitive leagues for the first time.

In training too, the intensity has stepped up, with all the boys aware that there is a new rotation system in place to make sure players are rotated through teams based on merit, ability, performance, attendance and attitude. All the training sessions are designed to be 'game based' – this was the first group to undertake the 'Coaching the Boden Way programme' - and the boys have responded with their usual enthusiasm, making for high energy training sessions for boys and coaches alike.

Well done to all the lads, great performances on Saturday point to a very promising year ahead.
