Sparc ignites in Sancta Maria

Eamon O'Reilly, proprietor of SPARC Ireland (Sports Physiotherapy & Athletic Rehabilitation) was welcomed to his new clinic in Sancta Maria last week by John Ryan, Chairman of Facilities group, Cormac Smyth, player representative on the club executive, Brian O'Regan, club Director of coaching and Ciarán Maguire, vice-chairman. This is an exciting time for Eamon who plays intermediate football with Ballyboden and also for all of us in the club. It is intended that we will maximise injury prevention and minimise injury recurrence by building a strong link between Sparc Ireland, the Strength and Conditioning coaches and team mentors.

Sparc will provide match-day support subject to approval of the chairperson of each playing section as well as rehabilitation physiotherapy from his clinic in Sancta Maria. In addition, they will carry out a screening assessment of our senior panels as well as running a number of workshops in the areas of effective warm-up, stretch down and injury prevention. Paid up, playing club members may avail of discounted rates and the benefit of the club injury scheme by booking a slot with Eamon on www.sparc.ie, select Performance Rehabilitation: 30 Minutes', select an available timeslot and enter the relevant team manager's name in the comments field.

Many thanks to John Ryan for managing a transformative building programme in Sancta Maria and to Cormac and Brian for driving the project. The club Executive, Adult Games Executive and all members wish Eamon the very best of good fortune in his new venture. Picture by [Liam Cunningham](#).

St. Vincents take the opening points in AHL

St. Vincents 2 16 BBSE 0 18

A breezy sunny Sunday morning greeted the hurlers of St. Vincents and Boden for this opening AHL1 fixture of the season at Sancta Maria. Both sides fielded without some regulars, but it was the visitors who seemed the least hindered by the encumbrance.

A competitive affair was ultimately decided by the better inside play from the St Vincents forwards. They bagged a goal in each half, and Boden's response from points was insufficient to keep apace with them. Simon Lambert was the home side's top contributor, mainly frees, but also from play.

The visitors were quick out of the blocks with some early points, the best of them from club stalwart Ciaran Hetherington. Boden's Aiden Mellett angled a fine score from a tight angle, and Shane Durkin covered an acre of space to fire a score from out wide. However this good work was wiped out by the Vincents goal, a classy finish from Stephen McGarry, after good work by Connolly. Lambert was a perfect ten from the frees and Durkin popped up again from his defensive position on the Boden forty. Vincents were rewarded with a succession of fine scores from out in the country, floated over off the back of a strong wind from the Western end. Conal Keaney was finding one too many defenders facing him, but he did contribute a fine score from about fifty out. Mellett pointed the last score of the half with another of his specialities to leave the half at 9 points to a goal and 10.

The half time discussion swayed from discussing the Tipp/KK drawn league fixture to an analysis of the future of the Hurling All-Ireland series, and it's response to the Football Super8. A few club veterans were of the view that a new Super2 for the hurling would provide a credible response. Guess which counties these fans may have represented???

(Editor's note....this conversation has not been verified and may or may not fully reflect the views of club veterans!!)

The second half was much less fluent than the first, but it followed a similar pattern in that Vincents again bagged the only goal. Boden were again dependent on Durkin, Keaney and Lambert for vital scores, just to keep in touch with the more effective Vincents attacking force. In the engine room Vincents also proved a handful, particularly Rob Sheehan, who kept the ball moving into friendly hands. Boden's Paul Doherty came into the action and pointed an immediate response.

With ten minutes remaining Boden had the margin down to a point, but that was as good as it got for them, and Vincents finished well with late scores, some taken after good approach work. Photos by [Eamonn O'Sullivan](#).

Vincent's win a scramble for possession

Senior B's start with win over Peregrines

[Ballyboden Senior B hurlers](#) got the League season underway on Saturday 11th March and welcomed [St Peregrines](#) to sunny Ballycullen.

The teams were well-matched at the start and shared four points. Naoise Maguire was tidying up well in the Boden defence and distributed good ball to the forwards. After 15 minutes a good ball from Paul Doherty put James Roche in space, who burst forward and sent a low shot to the net. Doherty himself put a few nice points on the scoreboard but the home team could not fully shake off Peregrines. Keith Robinson in goal had to remain alert and while beaten once by a fine shot to the top corner, saved Boden on a number of occasions with some fine catches and good clearances. The pace of David O'Connor was also causing the visitors some problems and some good points were added, the pick of these from Finn McDonagh. Half-time score : Boden 1-9 to St Peregrines 1-8.

The visitors started brightly after the resumption and went four ahead through a goal and a couple of points. However, Boden steadied with Tom Hanafin beginning to dominate in defence. In midfield, Fionn Maguire was working hard and up front Doherty's points worked Boden back into the game. On heavy ground, Boden's fitness began to tell and a number of

good deliveries were sent to the full-forward line. One of these found sub Joe Mernagh, who held up the ball and sent a flick to the in-rushing Dónal Butler whose shot found the net. This finally gave Boden the daylight needed and they closed the game out with further points from distance. Final score : [Boden 2-15 St Peregrines 2-10](#).

Senior Cup win for Senior A Footballers

[Ballyboden St Endas 4 – 14; Thomas Davis 2 – 8](#)

This was a very competitive game and a rehearsal for next week's league game. Both teams were missing a lot of players that will probably feature next week so no conclusions can be drawn from today's result. Still it was nice to get our first competitive win of the year.

The first half saw the visitors get off to a good start with points from Barra McGarry, Collie Dunne (free) and Alan Flood with a point and then a goal. Davis' responded with a point, and a goal from a penalty. Further points from Darragh Kilduff, Collie Dunne (free) and Alan Flood, and a goal from John Murphy, with a one point response from Thomas Davis, left the half time score at 2 – 6 to 1 – 2 for Ballyboden.

The second half was also won by Ballyboden starting with an early goal by Collie Dunne followed by points from Warren Egan and Declan O'Mahony, on as a substitute and making his first appearance of the year. Davis' replied with three points (one free). Boden emptied its bench with Mickey Dunne, Scott Cullen, Liam Flaherty, Naoise Maguire and Tom McGrath replacing Donagh McCabe, Cian Murray, Brian Bobbett, Bob Dwan, Darragh Nelson.

Mickey scored an early point from play after Barra McGarry had his second point, playing in the half back line. Warren Egan got a goal followed by points from John Murphy and Alan Flood. Davis' responded with a point and a goal before Mickey Dunne finished the Boden scoring with two points, one from a free. Davis' never gave up and scored two more points in added time.

So now that the shadow boxing is over, it's down to the real business next week in the league.

[TEAM: Darragh Gogan; Cian Murray; Graham Heavey; Brian Bobbett; Barra McGarry; Aran Waters; Bob Dwan; Darren O'Reilly; Darragh Nelson; Donagh McCabe; Alan Flood; John Murphy; Collie Dunne; Warren Egan; Darragh Kilduff. SUBS: already mentioned.](#)

Junior B's march on in Murphy Cup

BBSE 3-15;Ranelagh Gaels 0-7

The JB's were determined to keep the momentum going in this encounter against Ranelagh Gaels. Despite the recent bad weather, conditions were perfect. The ground was a bit soft, so the initial brief was not to bounce the ball, move the ball at pace. Both teams lined out and the referee got the game under way.

Jamie Kavanagh in midfield was first to re-act to a loose ball. Gathering the ball on the run, he neatly passed off to Anthony Manning who in turn sent the ball into Eoghan Buckley. But the Ranelagh defence were quick to clear their lines and go on the offensive. Some poor finishing from both sides led to a rather subdued game for the first ten minutes with neither team registering a score. Boden had to up the intensity and they did in style. Fran Cooney grabbed the game by the scruff of the neck with some inspirational defending at half back. His deep running into Ranelagh's half caused all sorts of problems. Linking up well with Kevin O'Reilly, he sent the ball to young Bradley who in turn rounded his man and hand passed off to Brian Kirwan. Brian kept a cool head to rifle the ball low into Ranelagh's net. Game on.

This seemed to spark Boden into life. Brian Fitzgerald, ably assisted in defence by the ever youthful Aaron O'Reilly were key to Boden's counter attacking philosophy. As soon as they broke down the attack, the speed at which they got the ball out of defence and into the scoring zone was a joy to see. Donal McCarthy was again instrumental at corner forward. The

opposition could not handle his penetrating runs and was rewarded with a fine point of his own. Ian Clarke at half back was cleaning up and once again put on a master class in high fielding and distribution. O'Reilly calmly put away a penalty after Lynch was taken down in the area. Further points from Neil, Eoghan, O'Reilly and Manning settled Bodens opening nervy 10 minutes and by half time we were 2-8 to 0-1 in front.

Oranges were had, water was supped, instructions were handed out by management. The opposition would have the wind at their backs, we would have to work the ball out from the backs up to our half forwards at pace. Lynch was first to tag on a point in the second half with Rosco getting in on the act himself. Donal McCarthy got the score of the match when he got the shot away despite being closed down by four of the opposition. Gathering the ball from Kirwan and with four defenders closing him down, he dropped the shoulder and curled the ball high over the bar forty yards or so out. Young Murphy came on for the injured Kavanagh and settled into midfield winning ball after ball. Boden cleverly kept possession and after the ball was played from player to player, a score that would grace any All Ireland field split the posts after at least 15 passes from the excellent JB's.

We weren't finished there, plenty more in the tank. O'Reilly took his tally to 2-2 with the sweetest of goals, leaving the visitors keeper with no chance. Boden ran out winners with a scoreline of 3-15 to 0-7. The professionalism of this panel of players is a sight to behold and the management hold them in the highest regard. Numbers are high for training and when we set down a challenge, they gladly accept! A credit to all. Up next is Na Fianna in the league next Sunday, a tough test but one I know we can triumph in. Not forgetting that the team beat Garda in the League opener on Thursday with a score line of 2-12 to 0-6. It shows the ambition and drive of the entire JB panel. See below. Report by [Martin O'Donnell](#).

Junior B's off to winning start in league

JB v Garda 2-12 to 0-6

This league opening encounter got under way on the all weather in Sancta Maria. After winning promotion last year it was vital that we set our stall out and hit the ground running in a very tough division. Enda Daly and Brian Kirwan in the centre of the field dictated play and were vital to our attacking play. Donal McCarthy was playing out of his skin and was a handful for the Garda defence. After rounding his marker he sent the ball high over the bar. Boden weren't having it all his own way. Garda are a tough team to break down and tagged on scores of their own. Our defence were immense yet again and were ably led by Michael Dunne at full back. Their attention levels never dropped and the Garda attack were pushed back time after time.

Man of the moment, young Donal McCarthy, scored an excellent goal after some fine passing out of defence. Taking his tally for the game to 1-3. Liam Flaherty and Conor Deane made a huge impact when brought on at half time, settling into the flow of the game with ease. Both players registering some fine scores of their own. James McTiernan at half back was his usual industrious self, solid and an astute eye in cutting out the Garda attack. Neil Lynch scored his goal after a Garda run was broken down and Boden counter attacked. There is a never say die attitude that runs through this team and they keep going to the final whistle. In the dying minutes they were tagging on scores and with plenty in the tank to keep going, the referee brought the game to an end. Make no mistake, Garda are a serious outfit and the JB's had to

be at maximum levels to get a result here. One game at a time, that is our mantra. Chalk it up and move on in a very difficult division. A special mention to Alan Keane in goal who kept us in the game with some fine shot stopping. Boden Abu!

Junior A's beat Synge Street in Conlon Cup

Ballyboden 4-11 Templeogue Synge Street 0-09

Ballybodens Conlon Cup Campaign continued with a well deserved victory over a heavy footed Templeogue side. Boden ran out comfortable winners and the visitors were not helped by a straight red card to their right corner back, half ways through the second half, for what looked like a harmless enough challenge. Carney tucked the resulting spot kick neatly in to the bottom right hand corner and the game was virtually over as a contest.

At half time Boden lead by 6 after playing with the help of a nice breeze. On a heavy surface the lighter and more mobile home side looked the better outfit. Moving the ball quickly their opponents never could get near the home side who mixed it up nicely and kept the score keeper busy. But the visitors were physically stronger and some of the tackles were hard and uncompromising. Boden stood up well to the challenge and their work rate was outstanding. Chasing and covering back each player worked their socks off for the team.

In the second half it was nip and tuck until the hardworking Carney set up McGee for a simple tap in. Within minutes the visitors lost a player to the red card and the home side were in cruise control. Between the posts McGrath was solid while in front of him the full back line was rock like in all they did, especially McGuire who was outstanding. In the half line Boden lost the mercurial Leland to a nasty looking hamstring injury. Either side him, Cronin and Mulligan were always in the thick of the action. The midfield pairing of Barton and O Donoghue had the upper hand throughout. In the three quarters Weldon, the industrious Leech and Murphy were all action getting up and down the field with pace and power. In the full forward line Carney was at his potent best while McGee proved a great target man for the attack, along with Kelly who won everything that came his way.

[A solid Boden performance against a tiring visitors side, who didn't have the wherewithal to deal with a good home side. With qualification now assured for the latter stages of the Conlon Cup, Boden move on to league action away to a tough Ballinteer side next Sunday on Marlay Park.](#)

That one could be a lot closer than this one.

Minor A's seen off by Crokes

Kilmacud Crokes 2-11 Ballyboden 2-4

It was a 9.30am start at Silver Park on Sunday and both the early start and the windy conditions seemed to unsettle the Boden lads who never quite managed to get a foothold in this game.

Crokes had 1-5 on the scoreboard before Boden managed to score with a well worked team goal. The move was instigated by the excellent Ciaran O'Reilly and finished to the net by Daniel O'Riordan. This should have been the catalyst for Boden to drive on however they were left to rely on goalkeeper Mark McNamee who made a string of outstanding saves to keep Boden in touch. The Boden defence was breached again by Crokes who scored another 1-1 to lead by 2-5 to 1-0 with half time approaching. However some hope was restored for

Boden when, with the last kick of the first half, Luke McDwyer finished coolly to the net following a great through ball from Ross McGarry.

Chasing a five point deficit the Boden lads pressed forward but despite scores from Ross McGarry, Daniel O’Riordan (0-2) and Kieran Kennedy they couldn’t penetrate the Crokes defence. Instead they were left to rue some poor finishing which was punished by a succession of counter attacking scores by Crokes to leave a final score of 2-11 to 2-4.

Squad: Mark McNamee, Ryan Bradshaw, Karl Reddy, Ruairí Hester, Fionnán Keogh Ronan Wallace, Sam Lally, Rob Donohoe, Kieran Kennedy (0-1), Kevin Desmond, Ciaran O’Reilly,

Luke McDwyer (1-0), Ross McGarry (0-1), Ross McCormack, Eoghan McGarvey, Daniel O’Riordan (1-2), Jamie Dooney, John McGinn

U16 A Camogie side get league campaign off to perfect start

BBSE 8 - 14 Faughs 1 - 0

Saturday saw our U-16A's make their first appearance in this year's camogie league, when Faughs were the visitors to the Prunty.

Our girls began at a hectic pace attacking the near goal. Katie opened the scoring with a good point before Aisling added a second, and then Erica shook the net for our first goal. Our girls continued to apply the pressure but the Faughs rearguard did their utmost to stem the flow.

Hollyn then gathered possession and bore down on goal, dropped the hurl and netted with a neat hand pass. Erica then added to her tally with a point, before Hollyn gathered a pass from Katie before slotting over another point. Blathnaid was working really hard on the edge of the square and then deservedly opened her account with a point that hopped off the crossbar on its way over.

It had all been one-way traffic to this point but the Faughs forwards then showed sharpness when they found the net in a rare breakaway move.

However, our girls regrouped and kept up the impressive work rate all over the pitch. A free was dropped in by Katie and somehow found its way to the Faughs net. Katie followed this up with a sublime point from the far sideline, and then a long delivery from Hannah was collected by Hollyn, who scored a point smartly on the turn, Blathnaid then took a pass from Olivia and drove an absolute piledriver to the net.

The half-time whistle sounded and we were relatively comfortable at 4-7 to 1-0.

The second half took off where the first left off with Erica, Blathnaid and Olivia slotting over three lovely points, Aisling then found the net before a succession of points from Erica, Hollyn and Katie kept the scoreboard ticking over. Sinead then got in on the goal-scoring act, before Hollyn grabbed another brace of goals and a final point completed the scoring.

Final score 8-14 to 1-0.

This was a really good team performance, but much stiffer tests lie ahead. The back line was well led by Hannah. They will have busier matches but they did all that was asked of them on the day. Midfield worked their socks off while the forwards could hardly be faulted on scoring rate. A special word for Anna and Lucy, who played their first competitive at this level and slotted seamlessly into the set-up.

[A good start, and now we prepare for Good Counsel in two weeks' time.](#)

U13 A Camogie ease past Cuala

Ballyboden U13A 3-3 – 0-0 Cuala U13A

The U13A team started off their league campaign in Meadowvale against Cuala early on Sunday morning. All but one of the Boden team had been playing together the previous evening against Kilmacud with the bigger ball.

The Boden team got off to a good start showing good skills throughout the team but on a tight pitch it was difficult to find a rhythm. Despite being camped in Cuala territory for the majority of the first half, the shots were going wide and the numbers of Cuala defenders and good goalkeeping kept the score down. The girls turned at the break with a 2 point to nil advantage after scores from Abbie and Clodagh.

The second half continued much the same as the first but with a little bit more space than the first half. The nerves were settled a little when Aine got the ball in the net to make the lead a little more solid. They had to be careful though as there were more breaks from Cuala too in the second half with the keepers long pucks on the shortened pitch putting pressure on the Boden defence. However Emma Jane, Megan Deignan and Kate Lennon stood firm with Sadie mopping up superbly. The one time the defence was breached, a great stop by Shauna kept Cuala at bay.

There were further goals from Leonie and Alice and another point from Abbie. On another day Kate Donaghy, Megan Dignam, Sarah Cooney and Shona would have had scores but it was not to be. Around the middle of the park, great winning and running with the ball from Clodagh, Sarah Gleeson, Caoimhe and Leah kept the pressure on Cuala but they had to be content with the 6 scores.

Overall a good performance by the team and but plenty to work on before the next round of League matches in April.

U16 C Camogie narrowly lose out to Faugh's

Ballyboden St. Endas 2-3, Faughs 4-1

Our third U16 team played their first league match of the season at Cherryfield on Sat 11th Match. The girls have been training hard on Wednesday evenings and the weather has prevented them seeing competitive action until now. It was our first chance to mix the 2001 and 2002 girls together and after a slow first half, adjusting to new team mates and the different speed from astro to grass, we were breaking even with possession but had only one Sarah White goal to show for all our chances.

After half-time, Boden dominated the game for long periods and showed great battling qualities to continually test the excellent opposition keeper. We had great ball winning midfield with lots of opportunities coming from Lily and Beth, supported ably by the two Ciaras and Kiara. Ciara Doyle slotted a couple of points from play but we didn't seem to be able to get the crucial extra goal to get ahead.

A late gamble by the management saw our confident keeper Sarah pushed into attack where she got a goal to narrow the deficit to one point again, but Faughs punished her absence with two scores and were flattered by a four point win.

We had great defence led by Laura, Mia and Zara with Stephanie and Jemma allowing no space to their opponents, and clearly the progress with this squad augurs well for the season ahead.

We are back on the road on March 25th and hope we'll see more of our panel making their 2017 debut in the away game against Fingallians.

U13 C Camogie outclass Raheny for perfect start

On Sunday morning in Cherryfield our Under 13 C girls Camoige played their first league match of the season against Raheny. Aided by some of the under 12 team the Boden girls were brilliant. The Raheny goal led a charmed life, especially in the second half, but the girls showed great determination, skill and grit to get a well deserved goal to leave the final score 2 goals each. Well done girls.

Aoibhe Johnston, Aoife Gollogly Doyle, Abbie Melia, Emily Tuite, Anna Kinsella, Saoirse Mahon, Rachael Coyle, Senna Culbert, Nessa Codd, Sadhbh Ni Chianain, Ailbhe Christie, Ellen Sweeney, Abbie Fitzgerald, Julie Brady, Heather McGrath

U13 A Ladies Footballers see off Crokes

Ballyboden U13A 2-12 – 1-6 Kimacud Crokes U13A

After the recent bad weather and match postponements, the girls and mentors alike were raring to go for Saturday's match out in Silver Park. The Boden girls got off to the best possible start after a run and shot found the back of the net. This was followed by 4 more points to give Boden a good lead before Crokes registered a point.

Crokes tried to get back into the game but were met with an outstanding rearguard and when they did manage to get through, they found keeper Clodagh in outstanding form.

A further opportunist goal and 5 points gave Boden a good lead of 2-9 to 1-3 at half time.

The second half was a tighter affair with Crokes defending their goal superbly. The Boden girls continued to dominate but without converting the scores. In the 2nd half only 3 points were registered by each team.

Overall a good day for the team and a second win at the start of their league campaign.

U16 B Ladies Footballers lose out to Man O War in league opener

Finally the Under 16 B ladies football got their season under way against Man O War in North Co. Dublin. The team lined out with 5 Ciaras, 3 Caoimhes and 2 Emmas. A great excuse to just get on and enjoy the game and ignore the calls from the side-line. The game was played on an energy sapping pitch but all the girls kept going until the end. The game was very much alive at half-time with the score 1:3 to 1:2 in favour of Man O War with their goal coming from a penalty which was so nearly kept out by Shauna who was unfortunate to see her save ricochet back into the net. A burst of scoring by Man O War with the wind at their backs in the second half put the girls 8 points down but a tremendous battle by all the Ballyboden players brought the scores level with only 5 minutes to play. Unfortunately Man O War pulled away with the last 3 points of the game despite some brave defending which the referee punished with a couple of late frees.

[Final score Man O War 3:13 Ballyboden 5:4](#)

U14 B's claim win in Division 3

[Ballyboden St. Endas B 4-5 V Fingallians 3-1.](#)

Playing with the wind in the first half the Boden girls took some time to settle. Boden dominated the early possession but couldn't convert it into scores. Fingallians lifted the siege to score a goal. Boden responded well with a point and a goal. However, once again Fingallians lifted the siege to score a goal. Boden kept plugging away and were rewarded with a point and a goal from the penalty spot.

Playing into the wind in the second half and with a narrow 2 point advantage, Boden needed a fast start. The defence were on top and time and again mopped up the Fingallians attack. Great points got the score board ticking before a goal for Bodengave some breathing

room. A goal from Elena McDonagh was just reward for the girl's efforts. Fingallians did get a late consolation goal and point.

It was a real team display with the defence getting on top into the wind and repelling Fingallians time after time. The midfield worked tirelessly throughout and covered every blade of grass. The forward linked well together and got the scores the team's dominance deserved.

Scorers:- Ciara Duffy 1-2, Ellie McAree 1-1, Dearbhla McCarthy 1-0, Elena McDonagh 1-0, Ciara Sweeney 0-1, Lucy Horan 0-1

Under 9 girls play first blitz

The U9 girls played their 1st ever away matches on Sunday when they played St Brigid's in a blitz to prepare for the commencement of Go Games in 2 weeks' time.
