Senior Footballers retain 'A' Championship status with easy win over Whitehall

[Ballyboden St Endas 1 – 15; Whitehall Colmcille's 0 – 0](#)

As the result indicates, this was a very one sided match which does not say much about the current structure of the Dublin senior football championship. Playing against the wind in the first half it soon became apparent that this was not going to be a difficult assignment to ensure our survival in the senior championship for next year and make progress in this year's B championship. All the early action was in the Whitehall half and Cathal Flaherty, pressing forward from half back, popped over a point from distance after one minute. After 5 minutes Shane Durkin seemed to be harshly treated when sent off on a black card. He was replaced by Collie Dunne. Conal Keaney pointed a free and was followed by a point from play by Robbie McDaid. A pointed free by Collie Basquel and two by Collie Dunne with a point from play by Darren O'Reilly brought the half time score to 0 – 7 to 0 – 0. A feature of the first half was that most of our backs spent a lot of time in the forward area, especially Cian Murray, Tom Hanafin and Cathal Flaherty. The half also saw Bob Dwan and Declan O'Mahony replaced by Brian Bobbett and Sam Molony.

Playing with the wind in the second half, Alan Flood soon rattled the Whitehall cross bar before Conal Keaney popped over a point from play and two more from frees. On 15 minutes Collie Basquel finished to the net following a good move involving Conal Keaney and Collie Dunne which definitely finished off the contest. Further points by Sam Molony, Declan O'Mahony (who came on for Robbie McDaid), Collie Basquel and Tom Hanafin finished off a very one sided contest. All attempts by Whitehall to score were rebuffed by Darragh Gogan in goal, who made a couple of good saves, Graham Heavey and the backs generally who gave no quarter to the Whitehall forwards when they came within scoring distance.

[TEAM: Darragh Gogan; Cian Murray; Graham Heavey; Bob Dwan; Stephen O'Connor; Tom Hanafin; Cathal Flaherty; Shane Durkin; Robbie McDaid; Donagh McCabe; Conal Keaney; Darren O'Reilly; Collie Basquel; Declan O'Mahony; Alan Flood. SUBS: Josh Kane; Brian Bobbett; Collie Dunne; Sam Molony.](#)

Intermediates narrowly lose out in B championship

[Ballyboden St Endas v Scoil Ui Conaill](#)

[Venue: Sancta Maria](#)

The game was played at a good pace, with both sides taking well worked scores after good build up play. Mikey Dunne opened the scoring for Boden with a well taken free. Warren got the 2nd and third points for Boden. Aidan Mellet got the 4th point for Boden. The first 4 points for Scoil were from play, with their fifth coming from a free.

Johnny Murphy then scored the 5th and 7th points from play and Mikey Dunne got the 6th from a free. Scoil then got their 6th and 7th from play. Ciaran Archbold got Boden's 8th from play. Scoil then got an eight point from a 45 to leave it 8 points a piece. Scoil then got a goal and a point late in the first half to go to half time 4 points up.

At half time Cian Kelly came for Barry O'Donnell, with Aidan Mellet going back to the half back line. The second half started with a bang for Boden as Seamus Keane got a fine goal with Warren Egan scoring a 9th point to put the teams level. Johnny Murphy then got two points to bring his tally to four points to put Boden up by two, as Scoil missed a chance,

before scoring a tenth from play. Then they missed a 45 metre free. Ronan Cleary, back from injury, came on for Brian Kirwan, who had tired after putting in a lot of hard work. Seamus Keane, playing his first game of the year moved out to midfield. Immediately Ronan made an impression, scoring a goal with his first touch and a point with his second. Scoil then scored two points to make it 2.12 to 1.13 up with 5 minutes to go. Then came an onslaught on the Boden goal, as they used their bench to good effect. Boden were tiring and had only injured players on the bench. Scoil missed a number of good chances, before scoring a goal to put them one up with a minute to go. Cian Kelly then got the equaliser for Boden to force extra time.

Extra time was too much for the valiant Boden lads and Scoil took over to go 2.16 to 2.14 at half time. The second half of extra time continued in the same vein, as again Scoil again used their bench and ran out winners 2.20 to 2.17. A great effort by the intermediate lads from a squad of 19 players, two injured, against a strong team who had 24 players out. The longer the game went on, it was always going to be a tough tie. Great credit to all who played, the two Mellet brothers for great performances. Ronan Cleary finally getting back from injury and showing his scoring touch yet again. Seamus Keane in his first game, due to his work commitments. Many of the young lads showing well, Stephen Ward tackling hard and made a great goal line clearance. Johnny Murphy working hard and scoring four fine points from play.

Squad: Mark McNamee, 2. Tom McGrath, 3. Naoise Maguire, 4. Stephen Ward, 5. Cian Mellet, 6. Neil Hester, 7. Barry O'Donnell, 8. Ciaran Archbold, 9. Brian Kirwan 10. Johnny Murphy, 11. Mikey Dunne, 12. Liam Flaherty, 13. Warren Egan, 14. Seamus Keane, 15. Aidan Mellett

Junior A's into championship quarter final

Ballyboden St Endas 4-11 St Peregrines 3-09

Ballyboden kept their ambitions alive with this well deserved 5 point victory over a hard working St Peregrines side. While Boden were on top for most of the game, the visitors fought gamely to the finish and caused the home side some anxious moments.

Playing into a stiff breeze Boden had to defend and work very hard for the first ten minutes while the visitors piled on the pressure. But the home side stood up to the initial onslaught and gradually worked their way into the game. Trojan work at the back by Keller, the ever industrious McGuire and McPartland stemmed the Peregrines attack on each and every occasion.

Burke at right half did really well along with the towering Carolan at centre back and Mulligan who had another superb display were all rock steady and kept the visitors in a vice like grip during the opening fifteen minutes.

Up front the home side gradually worked their way into the game and as their midfield pairing of Flanagan and O Donoghue gradually got on top. Bodens engine began to run a bit more smoothly. Leach as usual worked tirelessly and added some valuable scores while Shovlin provided the platform for the inside forwards to shine. O'Brien plucked a few from the clouds and got the attack moving on many occasions to compliment the work rate of the team.

Inside Carney proved a handful for a number of markers and the elusive O'Dea and Kirwin added to the home side's attack that at times ran the visitors ragged in the fifteen minutes before half time.

A worrying injury to Flanagan saw the introduction of Murphy who again added to Bodens

potent attack.

In the second half Boden were playing with a strong breeze and struggled to take any real advantage from it, while the visitors lifted their efforts and got back into the fray. The home sides ample half time lead was being eroded somewhat, but they managed to keep the scoreboard ticking over with points from their inside forwards. The home side introduces all five subs to freshen things up and of these Mahon stood out. His industry and intelligent play was evident throughout the remainder of the game

With time running out and Boden defending comfortably the home side conceded an own goal to put somewhat of a gloss on the score line for the visitors..

The home side move on to a quarter final against Raheny in a months time. This is an improving team with some really promising young players complimented by the more experienced lads who blend in well.

More to look forward this summer

Junior B's into championship semi final

BBSE 5-8; ST Colmcilles 2-12

The JB's knew they would be in a battle Royale against a very well drilled outfit like St.Colmcilles in this Championship encounter. After getting off to a flying start Boden were under severe pressure but such is the resilience of this team that, in my mind, victory was ours if we held our nerve. Neil Lynch was first to respond to a bad clearance from the Cilles keeper and after chasing down what looked like a lost cause, he rifled the ball into the net after their keeper attempted a clearance kick. Niall Bradley split the posts after some excellent off the shoulder play to keep Boden on the offensive. Enda Daly and Vinnie Moran in the middle of the park were setting out their stall and were instrumental in creating chances for the forward line. Shane Tully at corner forward was making mazy runs into the Cilles area and scored a fine point of his own. Jamie Kavanagh was using all his strength and power to muscle his marker off the ball and helped set up a lot of Bodens attacks in the first half.

Eoghan Buckley collected a fine ball in from Oisín Cannon, turned his man and with skills beyond his years turned another Cilles defender inside out and sent the ball high over the bar. The midfield duo of Moran and Daly weighed in with points of their own to give the JB's a commanding lead. Vinnie scored what could only be described as a "wonder goal" when he lobbed the keeper from outfield, his years of experience showing for sure. Man of the moment, Neil Lynch, actually brought his score to 3-1 before the half time whistle. The JB's went in at half time to a scoreline of 4-5 to 1-5. Management asked them to scratch the scoreline and start again. Tag on our points, show the same aggression and determination in the tackle and we will come away with the win.

However, as can often happen, it was the opposition who brought their game to us. They were hurting and we were now in a game. Cilles quickly tagged on 1-2 after some sloppy passing allowed them a way back into the game. Our defence were under severe pressure and were thwarting attack after attack. We definitely weren't our usual fluent selves. Teams always go through purple patches during games and this was ours. Shane Tully was dropping into the half forward line to collect the ball from Oisín and after some excellent play to get the ball up the field, Oisín scored a goal of his own. The fullback line of McNamara, Dunne and Fitzgerald were quite literally laying their bodies on the line for the team. They were working the ball out at pace but with possession being lost further outfield, we were immediately under pressure again. Cilles scored a fine goal and tagged on points of their own to make it a very tense last ten minutes. Lynch and Cannon split the posts to help settle the nerves a bit. Alan Keane in goal made a great save to his right to keep us in it, Daly made an interception, Fran stood his ground to dispossess the Cilles attacker. All hands to the pump at this stage. Conor Woods came on at corner forward and put in a commanding performance for the team. James McTiernan just shaded the post, sending the ball wide. Lynch let loose a shot only to see it roll past the outside of the post. We were creating chances at least. At long last the referee brought events to an end with the blow of his whistle. The JB's now face St Sylvesters in the quarter final of the Championship. Another tough game for sure but one I know the JB's will relish. They are a tough and talented group of players and a pleasure to work with. We now have the small matter of a Cup semi final v Naomh Olafs on Tuesday the 16th of May at 7.15 up in Ballycullen.

When management set out the plan for the season we wanted to be fighting on all fronts, League Champo and Cup. The panel have risen to that challenge in so many ways. JB's Abu! Report by [Martin O'Donnell](#)

Minor hurlers edged out by Vincent's in A league

[St. Vincent's 3-13 BBSE 2-10](#)

The foundations for this defeat were laid down early at Pairc Uinsíonn last Sunday. 2 goals within a minute scored by corner forwards Mark Carberry and the lively Mark Sweeney made this tie an uphill task for Ballyboden almost from the get go. By the 10th minute Ballyboden were behind with a score of 2-2 to 0-0 and facing a long day at the office. To their credit Ballyboden slowly settled into the game and two superb Luke MacDwyer points on the run had a somewhat settling effect. In the 17th minute a determined run by Shane Kennedy brought him in to the square where he was pulled to the ground but Kennedy still managed to scoop the ball to the Vincent's net. However, from there to the break Vincent's reasserted their dominance and pucked over 5 points from play to leave the score at half time at 2-9 to 1-4.

Ballyboden had the stiff breeze to their backs in the second half and they immediately set about reducing the deficit. Two great goal chances were thwarted by the Vincent's

goalkeeper, Lee Dumbrell, and a string of wides kept the gap between the sides at a sizeable margin. Just as if it seemed that Ballyboden were getting a foothold in the game a sweeping Vincent's move was finished to the net and any chance of a Ballyboden victory vanished. Scores were swapped between the sides throughout the half until the final 10 minutes when a goal from Ciaran Cashman a duo of frees from Conor Fallon and a Ben Kelly minor put Boden only a manageable 5 points down. St. Vincent's stuck to their task, however, and a late free from James Mulcahy settled matters in the Northsiders favour.

Minor C's too good for Castleknock

Limrick Layder Reports

BBSE 3 11 Castleknock 2 06

We had a successful medal presentation last Thursday night in the clubhouse - for last year's minor C hurling team that brought glory to the club on a glorious autumnal day last October at the Trinity Gael's Complex near the town of Malahide - where they were crowned county champions.

But that was then...so with a new team and a few old stalwarts the 'glory hunters' set off for Somerton in Castleknock to take on the locals minor B's in a Div 5 league match. With a big 'clear out' of the old guard a more youthful management was put in place. Robert Lambert (he of the last remaining hill farmers in Rathfarnham) was appointed chief coach with Alan Kinsella as PRO and smoking partner of Robbie.

A lot of fine tuning took place over the winter to assemble a panel of wanabee glory hunters but in fairness to all a nice balance was arrived at with the help of fellow minor A & B

mentors and u16 mentor Brendan (3rd policeman – once removed) .

But back to the match....Matthew 'The Paw' Nolan was in goal and caught some great high balls on the line, 'Thundering' Thomas O'Neill was right corner and always looked threatening (well the corner forward stood well back), at full we had 'The Swimmer' Darragh Murphy and left corner and making a return to duty was Sean 'The Quiet Man' Mahon. As a unit they held the line well and Castleknock only scored 1 goal, the other one was an og (we won't mention the culprit...for the moment). Half time score was 1-11 to 1-04 in our favour - after playing with the wind at our backs.

Within 5 mins of the restart C/knock had scored 1-2 without reply leaving only 2 pts in it. Evan 'The Long Fellow' Rossiter was introduced as a sub for James 'The Politician' O'Reilly and scored a good goal with minutes of his arrival. Alan 'The Dinger' Mc Govern was switched to the backs and quietened his man straight away. The half back line were steady throughout, particularly at centre where Jack 'Hardy Boy' O'Sullivan is improving all the time. Jack 'The Baker' Basquel and David 'Tidy Hurler' Barrett were doing their bit. Both our midfielders Oisin 'The Tiger' Murray (Captain and man of the match) and Sean 'The Gazelle' Lambert were playing well and picking off good points from distance.

We'd another two Lamberts (Rathfarnham's version of The Waltons family up in Blue Ridge Mountain) in the half line, young Jack (1 – 4) and his cousin Rob junior (1 – 1) were keeping the scoreboard ticking over nicely while their colleague James 'The Runner' Kinsella was contesting well for all balls. James 'Smiler' Hanrahan was deceptively skilful throughout and scored a great point early on with a great dummy and a nice side-step. At right corner was Liam Mac Pháidín who alongside his father 'as umpire' worked well together and got us a few turnover balls when things weren't looking too rosy. Dioma 'Rugby' O'Rourke was introduced late but made an impression.

At the finish the score was 3 -11 to 2-06 in favour of Boden. The lads went home smiling and hungry - looking forward to a big dinner.

p.s. The Lamberts/Waltons had to head home in a rush – a few cattle has broken through a gap into the wood and had gone missing....

[Foxrock Cabinteely A Vs. Ballyboden A](#)

Our U13A team headed to Kilboggett Park on the back of 4 league wins out of 4 but wary of

the threat that FoxCab always pose throughout the Ladies Football age groups. The slight hill and cross wind slightly favoured the Boden girls in the first half but the FoxCab girls made light of the conditions with some slick hand passing up the field to register some neat scores. In contrast the Boden girls shooting seemed to be affected by the strong wind with a number of wides and after 15 minutes the game was evenly poised at 3 points each. When the ball went below the crossbar, the 2 goalkeepers for both teams were in commanding form with some great saves on both sides. As the half went on, the Boden girls started to pull away into a decent 6 point lead.

[Half time Foxrock Cabinteely A 0-4 Ballyboden A 0-10](#)

The second half saw the Boden girls get into their stride early with another point followed by a slightly fortuitous goal to make the scoreboard a little healthier. From then on, the girls started to play with a little more freedom as they continued to rack up more points. At the other end, the defence stopped any threat and again the goalkeeping was superb restricting FoxCab to a single point in the second half. A couple of late goals made the scoreboard look a little healthier but in truth the score line probably flattered a little in what was a closely fought contest.

[Ballyboden A Vs. St. Brigids](#)

Monday evening's clash with St. Brigids was always going to be tough and so it proved on a windy evening in Cherryfield in front of enthusiastic support from both teams. Brigids won the toss and played with the wind at their backs in the first half. They started strongly putting a couple of points up but the Boden girls battled hard to stay with them and registered a couple of scores of their own, one of which a goal put them in the lead. The action continued to swing both ways and any score was hard fought. The referee had to keep a close rein on the action with every ball fought for by both teams as if lives depended on it. As the half time whistle blew, both teams had scored 5 times although 2 of Boden's scores had rippled the net so they turned with a lead.

[Half time Ballyboden A 2-3 St. Brigids 0-5](#)

Turning around with a 4 point lead and a wind at their back gave the Boden girls a good degree of confidence going into the 2nd half. This confidence was enhanced when the Brigids keeper was beaten for a third time. However this was a quality Brigids team and they were still well in the game. A few points were exchanged before an intense period of pressure from Brigids led to 2 penalties and a number of goalmouth scrambles. However, crucially the Boden goal was not breached with one penalty over the bar and the 2nd saved and some super backs-to-the-wall defending. Having weathered the storm, the Boden girls pushed forward and finally killed off the game with 3 goals to give the scoreboard a more flattering look.

[Full time Ballyboden A 6-6 St. Brigids 0-9](#)

This really is a fantastic group of girls with all 22 of the squad lining out for the match and each one of them playing their part in the victory. The team is pictured below after the match.

Emphatic win for Under 14 A hurlers vs Faughs

This was the game our U-14A hurlers had been looking forward to since their narrow defeat to Faughs in the Feile semi-final over the May weekend! In the immediate aftermath of that loss, the lads made a collective commitment to each other and their mentors that they would avenge that loss at the soonest opportunity and win the league this season. A tall order possibly...but why not ?

Well if the league is to be won, reigning champions Faughs would have to be vanquished along the way and the opportunity came around sooner than even hoped, to put the Feile disappointment behind them once and for all.

After a successful return to league action in midweek away to Naomh Baróg...the Boden lads were intent on extending their unbeaten run at home to our nearest neighbours and league champs in a tantalizing derby which promised to be another cracker of a game. Conditions were good but for an erratic stiff breeze which Boden would have at their backs in the opening half.

With long range specialist Rhys McDonnell in fine form of late, it was hoped that full advantage would be taken to build a sustainable lead when facing into the wind in the second period. Boden started the better and quickly opened up a lead of four points from play with some text book hurling including two trademark long range efforts from Rhys McDonnell added to by Conor Casey and Cian Durkin.

Faughs had registered their first by the time lone full forward Hugh O'Sullivan benefitted from the hard work and excellent service from outside by Connell McGlynn and Davy Keogh, who imposed himself on his opposite number from the get go... O'Sullivan latching onto a long pass from out the field and spinning to his left around his marker to slot over on the run to extend Boden's advantage.

Try as they might, Faughs were finding it difficult to find a rhythm as the stubborn Boden defence had settled into their task from early on. The ever reliable line of resistance of Josh Corcoran, David Keane and the imperious David Gannon were coping admirably with everything Faughs could muster against them and when long deliveries were put deep into their full forward line, they were repeatedly repelled by the force of nature that is Alex Gavin, ably assisted by the excellent Thomas Culleton and Mathew Ormsby who battled tigerishly for 'gach aon liathroid' that came their way, frustrating their opposite numbers and restricting their opportunities to a minimum.

However, shortly after Thomas Brosnan had slotted over Boden's sixth score of the half after running a clever support line and receiving a slick pass from O'Sullivan, Faughs managed to drag themselves back into it with a goal out of the blue and against the order of play up that point.

Boden didn't flinch however and Rhys McDonnell tagged on a couple of more scores from frees and normal service resumed as Boden began to build a lead again. Despite their dominance however, a few chances were missed with Hugh O'Sullivan uncharacteristically pushing a few scorable efforts wide of the posts and even the normally deadly accurate Rhys McDonnell appearing to be human after all, with a few strays also. The door remained just about open for Faughs and they duly burst through it before the break with another goal to reduce the deficit to just four points when it could so easily have been fourteen at the midway stage!

Having played into a stiff breeze and been dominated for large periods of the first half, Faughs would justifiably have been upbeat about their chances in the second half with the elements in their favour and it seemed Boden would have their work cut out if they were to prevail with such a slender lead to show for all their excellent hurling in the opening half.

The early exchanges after the restart were keenly contested as the intensity levels ratcheted up in the pursuit of dominance. Inevitably, Faughs started to chip away at the Boden lead and another gear would have to be found to stem the tide.

What for a while seemed like an onslaught, the Boden stand-in keeper, Michael McDonald (who was carrying an ankle injury) was under enormous pressure as Faughs began to test his resolve with long deliveries into the square and shots from all angles as they endeavoured to maximize the dominance they had started to exert over the home side. McDonald answered all questions with aplomb however, with some excellent fielding and swift and intelligent distribution to turn defence into counter attack and put the visitors on the back foot with every clearance.

Reid Barry, introduced into the full backline, made his significant presence felt with a determined rear guard display, not conceding ball or ground to his opposite number and Boden continued to stand firm.

Fortune would favour Faughs however, when awarded a dubious penalty and Rhys McDonnell, who is also blessed with a good goalkeeping pedigree, would stand between the sticks to face down his friend...and foe for the day, the excellent Faughs talisman James O'Brien...this would be a duel of wits as much as skill and bragging rights for months on end was the prize for either on a personal level...but of course it could prove a pivotal moment in determining the outcome of this enthralling clash. Rhys would prevail to stop a thunderous shot and clear the lines...it was as good as a goal to Boden and stirred the ranks again throughout the field.

The ever lively, all-action Cian Kelly came more into the game up front on receipt of more regular quality ball and this spelled trouble for Faughs as he and the robust Jason Dwyer, now operating at full-forward began to cause all sorts of bother for the Faughs rearguard who had been enjoying a prolonged breather it seemed.

Between them and the advancing menace of Cian Durkin and Davy Keogh, a few more points were added to the Boden basket and goals from Rhys McDonnell and Jason Dwyer restored Bodens grip on the game.

However, when it appeared the spoils were all but secured another penalty came Faughs way to rock the Boden boat yet again...A repeat showdown between Rhys and James and a chance of redemption for the Faughs man...However, a 'Rhys of the Rovers' performance was capped by yet another fine save and this finally took the wind out of Faughs sails and further points from David Keogh, Jason Dwyer, Hugh O'Sullivan and Cian Kelly saw Boden run out victors by a margin of twelve points in the end.

Another stirring display from the Boden boys and they have built up a real head of steam in the league now and having proved their credentials this season must be considered the team to beat going forward.

Please show your support for the Rathfarnham Theatre Group in their upcoming production!

"A Galway Girl" is the story of an Irish marriage. Maisie and Dermot are the perfect picture of incompatibility. Married in 1950, they tell us about their life together from early disillusion to late acceptance. They bicker, quarrel and disagree. We also see wonderful moments of joy and connection.

A Galway Girl shows us the ups and downs of a shared life with a mixture of humour and tragedy, held together by a love that endured.

"The Importance of Being Honest"

is a Play about how life has changed for three of Oscar Wilde's characters - Cecily, Gwendolen and Merriman. This is a very entertaining and light-hearted look at their relationships with each other and how a caraffe (or two) of white wine, shakingly served by the loyal old butler can even topple the 'high and mighty' from their pedestal!
