Handball Coaching Workshop

Below is a picture of Enda coaching some juvenile boys during the recent School of Excellence.

- When: Friday 9th June
- Time: 7.30pm
- Venue: Sancta Maria Wall Ball

National Handball Tutor and former Ballyboden senior football coach Enda Timoney will hold a coaching workshop for coaches and parents next Friday the 9th of June at 7.30pm in Sancta Maria.

Handball was successfully introduced to the Under 13, 14 and 15 boys and girls at the recent Easter School of Excellence.

The feedback from the players was extremely positive.

During the camp Enda, along with other handball coaches really challenged the player's hand/eye coordination and footwork skills through fun games and drills. This workshop is particularly relevant for juvenile coaches who could introduce handball as part of their teams coaching sessions or to assist them in setting up leagues amongst their players to play in their own time.

U11 Camogie match report Friday 2nd June;

Photo caption, this is the kids quoting by the way, "We're off to kick some ass" from left Ruby Murphy, Cara Cosgrove, Millie Larkin..... photobombed by Ann Marie

We travelled out to Pairc Naomh Uinsionn to play a camogie blitz against St Vincent's on their main pitch. The matches as you would expect were very competitive. Our girls as always gave a very good account of themselves, showing fantastic skills & great teamwork. The girls showed all facets of the game from tackling, blocking, free taking & a range of very well taken scores. They took quick sideline balls to their team mates, their stick passing & hand passing was executed very well.

On team 1; Ciara Allen did exceptionally well in goals not conceding a score all night, and as a forward converted some brilliant points. Excellent defending from Ruby Murphy, Lauryn Jennings & Gillian Mc Donald, the midfielders Rachel Vaughan, Rachel Heavey & Millie Larkin during both matches contributed handsomely to the score board & worked extremely hard never letting the Vincent's girls settle on the ball. Our forwards in Grace Quinn, Caoilfhionn Roche & Kate Brosnan worked tirelessly during both games, converting very well taken goals & points.

On team 2; some excellent defending from Olivia O'Brien, Eabha Ryan & Joy Ralph, kept Vincent's to 1 score all night no mean feat considering how competitive the games were all evening. In midfield Ruby Cummins, Grace Callan & Rachel Lawlor worked very hard for their team all evening. The score of the evening came off a hand pass from Rachel Lawlor to Grace Callan who slotted a long distance point over the bar..... a fantastically worked team score. In the forward line we had great performances from Cara Cosgrove, Olivia Lacey & Charlie Murphy who all converted some excellent scores.

For their commitment on the bank holiday weekend, we had to reward the girls with some treats, I also have to mention the parents were a great support to all our girls on the night. It is also worth a mention as always Vincent's were very good hosts on the night.

Later that evening the coaches reconvened to the pub to discuss all things Camogie.....

Also a mention of our walking wounded currently out injured Emma Moran & Corrine Power. Wishing you both a speedy recovery.

Boden Ladies attend AIG and "Greenlight for girls" (g4g)seminar.

On Tuesday 23 May 80 girls(aged 11 -15) from Dublin GAA clubs gathered in the AIG office, Dublin for a fun filled day of Science Discovery to help inspire young girls in STEM (Science, Technology, Engineering and Maths)

Kate Coffey (U13), Laura McGrath (U13) and Sarah Joyce (U16) were the lucky ones picked from Ballyboden St Endas and they had a brilliant day. To start, they each decorated their own lab coats and went on to discover science in everyday life, with experiments using daisies. Next up was the Coding challenge, where they learned about programming and the knowledge behind coding.

Virtual Reality AIG HAKA 360 Degrees followed and seems to have been one of the highlights! The girls got to experience being on the pitch with the All Blacks when they are performing the HAKA - really cool!!

Finally the day rounded off with the g4g DNA necklace experiment, where the girls learnt about the molecules of life and extracted their own DNA and wore it as a little pendant.

Overall the Boden girls had an amazing day and AIG looked after them really well ,with plenty of treats and fun.

Great memories and inspiration. Thanks to AIG for a really excellent approach to supporting both ladies GAA and girls' participation in STEM.

Rathfarnham Theatre Group Presents...

Please show your support for the Rathfarnham Theatre Group in their upcoming production!

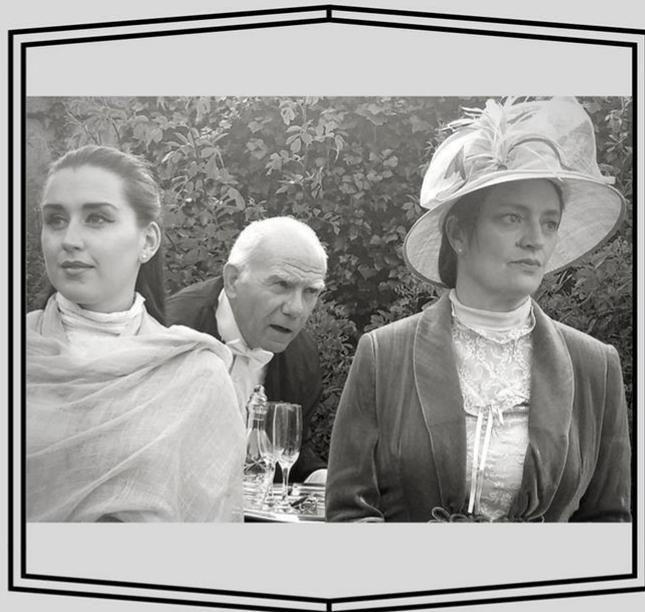

"A Galway Girl" is the story of an Irish marriage. Maisie and Dermot are the perfect picture of incompatibility. Married in 1950, they tell us about their life together from early disillusion to late acceptance. They bicker, quarrel and disagree. We also see wonderful moments of joy and connection.

A Galway Girl shows us the ups and downs of a shared life with a mixture of humour and tragedy, held together by a love that endured.

"The Importance of Being

Honest" is a Play about how life has changed for three of Oscar Wilde's characters - Cecily, Gwendolen and Merriman. This is a very entertaining and light-hearted look at their relationships with each other and how a caraffe (or two) of white wine, shakingly served by the loyal old butler can even topple the 'high and mighty' from their pedestal!
