Christmas Tree Collection 2018

Another Christmas came and went and once the turkey leftovers and mince pies had been finished off, the Christmas tree collection committee sparked into action.

The main collection day itself was Saturday January 6th but for the organising committee, there was at least a full week leading up to this of texting, organising vans, responding to texts, organising helpers, responding to more texts, putting up signs, responding to more texts.... you get the idea!!

On the day itself, the Gods were smiling again as the weather (as with previous years) was fine, apart from a couple of light showers – shouldn't have said that – I've jinxed next year! The first unlucky estates got an early knock on the door at 9am to be greeted by a cheerful Boden volunteer. However, as the years have gone on, the public have got used to the service, and now seem to be more prepared for our visit with much more trees out ready in the front garden this year and not so many with lights, decorations and protesting kids attached as there was in earlier years.

The effort put in by the organising committee makes the whole process run efficiently and with over 1600 trees to collect in a short space of time there is no time to be wasted.

There are so many people who make all of this happen:

Thanks to the public who support this initiative in aid of the club.

Thanks to Laura, Catherine and James who “manned” the phones and laptops back at base.

Thanks to Damian Coleman for the refreshments and to Denise and Pauline for serving the troops.

Thanks to all the van crews & helpers and to Lee of AJ Grab Hire who kept things moving.

Special thanks to the committee: Kieran Rudden, Eoin Reid, Peter Wall, James Murray, Ger Delaney, Richie Sweetman, Cathal Fitzgerald and Steve McDonald – these guys start working after the Mrs. Browns Boys Christmas Special and they don't stop until all trees are collected – “Leave No Tree Behind”

Finally though special thanks goes to Gerry White who pulls the whole thing together and without whom the event would not be such a success.

We will see you all next year – and don't be buying any more of those massive trees – you know your house isn't big enough for it!!

Give up yer auld clothes!
