U16 Hurlers swap their hurls for rakes!

Last Saturday week our U16 hurling panel braved the elements for one final chance to get together as a juvenile group

and offered to spend their time cleaning up the leaves at the Sancta Maria All-Weather pitches.

After 90 minutes of chasing leaves around the place, everyone retired to the dressing rooms for some badly needed biscuits and hot chocolate!!

Nice to see them give a little back – well done boys – your efforts are greatly appreciated by the grounds staff. Thanks to Vivian Ruddy, Martin Durkin and Peter Hanrahan for facilitating the meitheal.

Declan Maguire Memorial Tournament - St. Stephen's Day in PUM

The Annual Declan Maguire Memorial Tournament will take place on St. Stephen's Day in PUM at 11.30am. This will be the 17th Anniversary of the tournament. Traditionally, two teams of club members participate with one representing Rathfarnham and the other representing Firhouse. Basically, if you turn right leaving the club, you are eligible to play with Rathfarnham and if you turn left, you play with Firhouse (some exceptions may apply!!). Last year's match went to a Penalty Shootout!! It is a wonderful opportunity to get together and dust off the Christmas cobwebs, have the "craic" and remember one of our great players.

As in recent years, there is also a curtain raiser with an over 35 team challenging the Junior hurlers at 10.30am. If you still have a hurley (and a helmet), this may be your chance to relive former glories.

We look forward to seeing you on the day.

Concussion Management Guidelines for Gaelic Games

If in Doubt, Sit Them Out

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
