Ballyboden host the Opening Round of Lidl NFL Ladies Dublin v Tipperary

The club were honoured to welcome Dublin and Tipperary Ladies to Pairc Uí Mhúrchú last Sunday afternoon as the girls met in the opening round of Division One League.

The game gave us an opportunity to showcase PUM, our club facilities, and the spirit of Ballyboden which was very evident on the day.

Well done to the Ladies Adult and Juvenile committees on a very well managed event, to Mick and his bar staff for providing refreshments and to Vivian Ruddy and his team on preparing the pitch so well.

Dublin Ladies Gaa very appreciative of the smooth organisation on the day from the stewarding, to the guard of honour for both teams, the half-time mini-game and the provision of the hall after the match for both teams.

Many thanks to all who helped out on the day, to The Spawell for allowing parking on their grounds and to John Kirwan for the great photos.

U14 Hurling Boys Up Against The Best Of Kilkenny

On a fresh January Sunday morning, 39 boys from the U14 hurling squad along with coaches and parents set off for the hurling mecca of Kilkenny. The team spreadsheet was called upon to send boys to play against the locals from Thomastown GAA and Young Irelands of Gowran. After a warm welcome from our hosts and a hectic exercise drill to raise the boys temperatures, the hurling got under way. The lads had a convincing win in Thomastown, but

not so in Gowran where they came up short against the very best of country hurling. The results were quickly forgotten as both clubs provided great hospitality with an abundance of tea, coffee, sandwiches, buns and cakes. Everyone was left satisfied as they reflected on a great morning of hurling.

Next stop was Nowlan park to see Dublin play Kilkenny in what promised to be an intriguing clash. Goals can often make the difference and it was here that Kilkenny showed their true class, despite the best efforts of the Dubs. There was no lack of vocal support from our boys as they ruled the terraces. Their behaviour was a credit to the club and county, they also had good craic at the same time. After the match there was time for a puck around on the pitch, a few selfies with the living legend, Marty Morrissey, and then a stop-off for a feed at Paulstown before the final journey home. This was a great day out for the U14 boys, a feast of hurling and fun, and a fantastic start to the season in the hurling hotbed of Kilkenny. The coaches, parents and supporters of Ballyboden St Endas would like to thank Thomastown and Young Irelands GAA clubs for hosting the visit and for their generous hospitality.

U14 Boys prepare for Feile with a 5K run at Marlay parkrun

A large contingent of our U14 boys arose early on Saturday morning and headed to Marlay Park to take part in the regular Marlay parkrun over 5km. The boys had been busy raising sponsorship over the previous weeks, all to help fund their year of Feile competition. For many, this was the longest distance they had ever run, but there was no shortage of confidence as they dispensed with any decent warm up, preferring to enjoy the delights of the adjacent empty playground.

Ready for action at 9.30am, most of our boys placed themselves at the front of the starting line among the elite athletes aspiring to better their PBs on this perfect day for running. The lads set off at a blistering world-record breaking pace that would have put the frighteners on any experienced Olympian. Sports Minister Shane Ross was present to witness the spectacle and reportedly tumbled at the sight of a rushing tsunami of blue and white jerseys. By the time the boys reached the first hill, the line had stretched considerably, the cheeks had turned a dark shade of crimson and levels of oxygen in South Dublin were in dangerous short supply as it was sucked deep into bursting lungs. But such is the character of this group, they stuck at it to discover their hidden reserves of energy. All finished the race in respectable times and it didn't take long for recovery and the reappearance of smiling faces.

As well the boys, a group of brave coaches and parents also took part in the run. Experience showed as they started off at a more sedate pace, though curiously, for most it remained that way for the duration of the run. It is pleasing to report that all of our adult runners finished in the top 800 and before the bright winter morning sun started on its inevitable retreat. Well

done to everyone who took part in the run and also to the supporters who provided all of the vocal encouragement.

Páidí Ó Sé 2020 Tournament Launch

The Annual Dingle Tournament was successfully launched in the club last night in conjunction with Sportstalk.

Many clubs from around the country sent representatives and attended alongside Gaa legend Michael Ó Muircheartaigh, Páidí's son Padraig Óg, former Dublin Ladies footballer Rachel Ruddy and Kerry's Tommy Walsh.

We wish our two Ladies Senior teams the Best of Luck in the competition which runs from 21st-23rd February.

Concussion Management Guidelines for Gaelic Games

If in Doubt, Sit Them Out

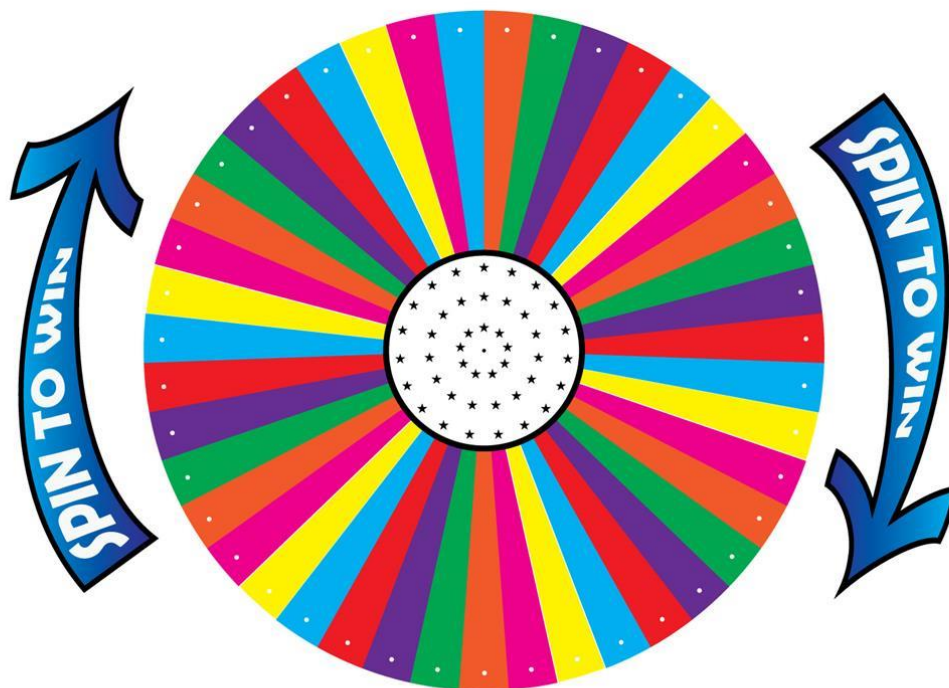

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
