Faraor, is beag atá ar siúl sa chlub faoi láthair de bharr Covid-19. Toisc go bhfuil ar gach éinne fanacht sa bhaile, bheartaíomar ar roinnt áiseanna a chur ar fáil don fhoghlaimeoir san eagrán seo.

Club statement - Covid-19

Ballyboden St. Endas Club Members,

Due to the rapidly changing situation with regard to the Covid-19 virus, the Club Executive has taken the decision to close all facilities effective immediately. This is in an effort to help protect our staff and members from the risk of infection. This means that the clubhouse, hall, bar, gym and all playing facilities will be closed and will remain closed until advice from the HSE recommends re-opening.

There will be no walk-in service available from club staff, but if members require support, they can contact Brian, Paul, Mick or Con (acting on behalf of the club General Manager) at their usual phone or email contacts. In the event that groups need to meet, it is recommended that you try to this via voice or video-conferencing where possible.

As they say on TG4, ‘ níl tuilleadh dá mhéad nach dtránn’ (even the highest tide will turn), and we will get through this pandemic together as a community. Remember to look after each other and the more vulnerable members of our community, and please ask if you need help.

On behalf of the Ballyboden St. Endas Executive Committee,

Ciarán

If in Doubt, Sit Them Out

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion

injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
