Tá Márta dian curtha dinn agus Aibreán buailte linn. Agus sinn ag clutharthú (cocooning) inár dtithe, ag féin aonrú, tá sé an-ait gan bheith in ann freastal ar chluichí beo na laethanta seo. Mar fhreagra ar an ngéarchéim ina bhuilfimid, d'eagraigh Joe Johnston seisiún ar-líne ina raibh beagnach 20 duine páirteach ann, idir ceoltóirí agus amhránaithe. Chum Joe amhrán speisialta don seisiún 'Óró Fanaigí sa Bhaile'. Maith fear Joe, ardmholadh tuillte duit. Tá an t-amhrán ar fáil anseo:

<https://voca.ro/nMEwkbBSbKL>

ÓRÓ, FANAIGÍ SA BHAILE– Joe Johnston

Cúrfá :

Óró, fanaigí sa bhaile, óró, fanaigí sa bhaile

Óró, fanaigí sa bhaile , is cuirfimid ruaig ar Chovid.

Sé do bheath' a bhean tá léanmhar,
Is é ár gcreach tú bheith i ngéibhinn,
Do dhúiche bhreá i seilbh Covid,
Agus ' queues ' ar fud na háite.
Cúrfá

Tá dochtúirí ag teacht thar sáile
Chun cabhair a thabhairt dár muintir cráite
Gaeil iad féin agus déanfaidh siad gaiscí,
Is cuirfidh siad ruaig ar Chovid.

All-Ireland Gold ar TG4

Tá deis féachaint siar ar chuid de mhór chluichí CLG ar an seinnteoir TG4. Ar an Domhnach 5 Aibreán bhí an cluiche leath ceannais peile ó 2013 (Áth Cliath v Ciarraí) ar taispeáint ar All Ireland Gold.

Foclóir

Cén Ghaeilge atá ar 'Cocooning'? Úsáideann an HSE an focal 'cocúnú' ach is fearr linn 'ag clutharú' nó 'ag neadú'.

Nigh do lámha – Wash your hands

Casacht – Cough

Sneeze – Sraoth

Fiabhras – Fever

Masc – Mask

Scarardh Sóisialta – Social Distancing

'Their Story': How the U14 Boys Are Coping With Social Isolation

Last week we asked the U14 lads to send in "Their Story", to document their thoughts and difficulties experienced during the Covid 19 pandemic crisis. We asked them to describe how they were coping with the restrictions through stories, pictures, new things they've learned, inspirational quotes, how they've managed to maintain fitness, anything they have watched and enjoyed, something or someone that has inspired them.

We've gathered all of the responses to date and wish to share them with the wider Ballyboden St Endas community. They clearly show that the boys' talents extend far beyond the football and hurling pitches of Co. Dublin. They are a very creative and resilient bunch of lads who, while struggling with social isolation, have found a variety of ways to cope with this very difficult situation. It will hopefully be a once in a lifetime experience for all of us, leaving lasting memories and a range of emotions. Through their enforced new lifestyles, the boys provide some inspirational advice, funny stories, great poems, and routines to keep fit and the skills levels up to a high standard. It is well known that a healthy body leads to a healthy mind, the U14 boys are showing us how this can easily be achieved. Good luck to all of our friends and community during these trying times.

Club statement - Covid-19

Ballyboden St. Endas Club Members,

Due to the rapidly changing situation with regard to the Covid-19 virus, the Club Executive has taken the decision to close all facilities effective immediately. This is in an effort to help protect our staff and members from the risk of infection. This means that the clubhouse, hall, bar, gym and all playing facilities will be closed and will remain closed until advice from the HSE recommends re-opening.

There will be no walk-in service available from club staff, but if members require support, they can contact Brian, Paul, Mick or Con (acting on behalf of the club General Manager) at their usual phone or email contacts. In the event that groups need to meet, it is recommended that you try to this via voice or video-conferencing where possible.

As they say on TG4, ‘ níl tuilleadh dá mhéad nach dtránn’ (even the highest tide will turn), and we will get through this pandemic together as a community. Remember to look after each other and the more vulnerable members of our community, and please ask if you need help.

On behalf of the Ballyboden St. Endas Executive Committee,

Ciarán

Concussion Management Guidelines for Gaelic Games

If in Doubt, Sit Them Out

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion

injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
