Club Lotto Recommenced

After a 5 week suspension, the weekly club Lotto recommenced on the 23rd of April. To ensure that no Lotto member is out of pocket we have stopped one months Direct Debit payments (for the month of April) and will do the same for all Debit/ Credit Card monthly members in April / May. We will also ensure that all annual upfront paying members will be entered in all 52 draws for this year. Because of the ongoing COVID-19 restrictions, the weekly draw process will take place virtually – the Lotto numbers will be selected using an online random number generator, and the draw will be video recorded and also observed by at least three members of the Lotto Committee using the Zoom videoconference application. Now, more than ever, it is more important that all club member support the Lotto, as one of the most important revenue generating methods for our club

Covid-19 GAA Update for Clubs and Counties

Some key points :

GAA has confirmed that no official on-field activity will resume before July 20 and our facilities will remain closed until that date.

The GAA will issue detailed advice before any return to play

The GAA Player Injury Scheme will remain closed until an official return to activity is confirmed (i.e., training is not permitted / no injury claims can be submitted).

County Committees will be devising revised competition schedules for each county for games and activities at all levels and grades.

The maintenance of facilities can continue while adhering to the guidelines and as of May 18 construction work on our grounds is also permitted

Senior Camogie Bank Holiday Decathlon Challenge

The sun shone on the Bank Holiday weekend with the smell of BBQ's filling the air. However the Senior Camogie team are not the sort to rest on their laurels and under the stewardship of coach Matty Weldon and manager Terry O'Neill, they ran a Decathlon (yes that's 10 events) competition with the panel split into 3 teams, The Holy Ones, Toddlers Tuesdays & Teachers +1. The teams started on Saturday

Day 1:

Saturdays events of 'press-up challenge', 'striking challenge' and 3km time trial were hotly contested. Leading the way after day 1 were 'Toddlers Tuesdays' with 420 points. Second place were 'The Holy ones' with 236 and third were 'Teachers +1' with 201 points. Toddlers Tuesdays lead position was helped by strong performances in the press ups taking the top two places (Hannah Leddy and Aoife Durkin with 50 each in a minute) and taking 2nd and 3rd in the other two events. But with 7 events left, there is plenty of time for the other groups to claw them back if podium positions are won! All groups got the bonus 10 points for entering over 5 different scores in each event.

Day 2:

A fascinating day 2 saw strong performances from all teams. Catherine Nagle taking first place in the 'plank hold' event with Doireann Mullaney claiming the 75 points for the 'box jump' event. Mairead Luttrell claimed the honours in the roll lift event. All to play for today on the final day with 'The Holy Ones' leading the way but with only 40 points separating the 3 teams!

Day 3:

The final events of striking, running, burpees and more saw the competition coming to a conclusion. On a tense Zoom call, the winners were announced and it was 'Toddlers Tuesdays' who had fought their way back to claim the title. Team captain Danielle White accepted the plaudits on behalf of her team with their chosen charities of Pieta House and Irish Cancer Society receiving a charitable donation on their behalf.

BBSE Hurling/Camogie Quarantine Challenge : give it a go

In these very strange times we are continually finding new ways to entertain ourselves ,be it a quiz with your friends or just a catch up on Zoom. Like me I'm sure many of you never heard of Zoom until the Lockdown and now everyone is using it as standard tool to communicate with business colleagues, friends and family.

The Boden family is no different and we're also trying ways to keep in contact. A group of club coaches have come together headed by Seniors coach Mickey to launch the Hurling/Camogie challenge underneath. As always this would not have been possible without the input of the techie group of Smythie, Sinead, Gareth, Susan and of course Naoise who is the time machine. Thanks everyone for the support.

This initiative is special as it includes almost all age groups and includes Camogie and Hurling players. The proficiency level is set accordingly and I understand the fun has just begun.

TJ Vaughan (U10-U13) leads Stephen Pullen(U14-U18) by 10 seconds heading into the w/e with both their fathers scrapping it out at the other end of table (we'll be kind and not give their times) .

So why not GIVE IT A GO and see can you take on the best of the best .

Bragging rights (and few prizes) at stake and you can also make a voluntary/anonymous donation to our front-line health working heroes if you so wish.

Thanks again to everyone for the initiative.

Stay Safe

A MESSAGE FOR GAA CLUB MEMBERS

A MESSAGE FOR GAA CLUB MEMBERS

A chairde,

We are living in the most extraordinary times.

The Coronavirus pandemic has changed almost everything about our world and has impacted upon so much of what we thought was normal about our lives.

Like all sport, Gaelic Games have gone into hibernation.

But it is a source of enormous pride to us that what has not disappeared or become dormant has been the spirit and the passion for community that is the life force of the GAA in every corner of this island.

Clubs big and small and across towns and rural parishes are doing what the GAA has been proud to do for 136 years – and that's be a light and a standard for the people who they represent.

We have always said that the GAA ultimately, is all about People – People working together for a goal. We have a common goal now like never before.

Our goal is to help the island of Ireland push back against the spread of this virus and give the people of Ireland the best chance possible of limiting its impact and being able to hopefully, some day in the not too distant future, come out the other side.

This community spirit is also prominent among our hundreds of GAA clubs overseas who are such a vital support network for our Diaspora.

To the people posting skills drills for stuck at home players, keep up the good work. To all of those who have been able to offer help to the vulnerable in their communities, we extend our

sincerest míle buíochas and urge you to stay safe while doing so and follow all the advice and guidelines from the health and statutory authorities.

From the outset of this crisis the GAA has been working closely with the HSE and we have made all of their guidelines available to all of our clubs. Their request for our support has deepened in recent times.

The large car parking facilities at Croke Park have been made available for staff working in nearby hospitals. We have made part of Croke Park available as a drive through test centre for people with symptoms of Covid-19. Cars arrive by prior appointment and drive into the Cusack Stand tunnel where they are tested by doctors in their cars and they then drive away out the other side.

It is all conducted under full medical supervision.

It is an opportunity for GAA HQ to play its part and mirror what is being done by so many of our members elsewhere.

Similar testing facilities are now in operation at several other GAA county and club venues around the country - all of them playing an important role.

Sport is not a priority at a time of a national emergency.

But when the time comes again for the boots to be laced, hurleys to be gripped, nets to be hung and the pitches to be marked and when the time comes for men and women, and boys and girls to run out into the air and play the games they love, sport will be more important than ever before.

We are planning for that day – whenever that day may be.

In the meantime, we can help make that day come quicker if we do what we are being asked to do by the people who know what they are talking about.

Stop, look and listen to all of the advice that is there on how we beat this common foe.

Washing our hands, personal distancing and if needs be self-isolation are the weapons that we have.

Keep safe, keep thinking of others, keep fit and healthy in body and mind.
As that great son of Derry, Seamus Heaney wrote:
“So hope for a great sea-change
On the far side of revenge.
Believe that further shore
Is reachable from here.
Believe in miracles
And cures and healing wells.”

Inaugural Courtville Jewellers Camogie and Hurling Ball-Wall Competition-a great success!

The matches may be on hold but the inaugural Courtville Jewellers sponsored ball-wall competition held over the Easter weekend gave rise to plenty of competitive Camogie and Hurling action. The Camogie competition featured the Senior A Camogie panel and the Senior B hurlers fought for the coveted bragging rights in the hurling competition. The hurling report is not available at the time of going to press. It is thought that the delay has resulted from various ongoing disciplinary appeals arising from the competition (suggestions of impersonation and violent scenes being posted in the ball-wall video by the eldest son of the Club Chairman and Drama Group Queen being some of the concerns). No such difficulties with the Camogie competition however where all was above board. The competition started on Friday evening and finished in a thrilling last hour on Monday evening.

Competition Rules

Hit the ball against the wall followed by a clean catch as many times as you can and post your video.

Video Highlights

There was great ingenuity in finding a wall within a 2km radius of home, particularly after some participants were moved on by unhappy neighbours. The competition attracted international entries with Laura Nagle and Jodie White flying in from LA and Madrid respectively. Sarah Nagle kindly let her sister beat her as a welcome home gesture. Martha O’ Donohue’s brother was unimpressed with his intercounty sister’s ball-wall performance – ‘Depressing’ is how he described it in the video.

Martha redeemed herself with a change of wall and camera operator (Eve being much more supportive). Kitman Bernard misunderstood the rules and posted a video of himself doing press-ups in his garden (it won’t be going on general release).

Oh and the results... After a nail biting finish the prize winners were:

1st Doireann Mullany 278

2nd Ciara O'Neill 264
3rd Darina Ryan 204

Presentations of the very generous vouchers were made via a virtual gathering on Monday night by the Managing Director of Courtville Jewellers, Mr. Matthew Weldon . Thanks to Club Chairman, Ciaran Maguire, for his attendance on the night.

Do It for Dan

A fellow Gael needs our help.

Dear Chairman,

My name is Sean Dempsey.

I'm a Laois man from the St Joseph's GAA club.

In October 2003 I had the privilege of watching a group of boys, whom by that point I had worked with for almost 8 years, mature into men and claim a famous All- Ireland minor victory.

On their journey to glory I witnessed them meet and overcome every challenge head on; their strength and unity made them a force to be reckoned with, they epitomised the word team.

Their dedication to Laois was unwavering and they brought great joy and hope to the county.

Fast forward 17-years and they are united once more. This time their end goal is different, this time, it's not about winning matches it's about saving a life.

Dan Donohoe, son of former Laois player Niall, is in a battle that no child should ever have to face. He is suffering from a rare muscular disease called Spinal Muscular Atrophy Type1.

Dan just turned one and his life expectancy is barely beyond that, without lifesaving medical intervention he will not see another year.

This infusion he needs is available exclusively from an American pharmaceutical company at a cost of 2.1 million dollars.

To date almost 400,000 euros has being raised but our fundraising projects has been hampered by the corona virus and restrictions rightfully imposed to help limit it spreading.

However the GAA community is like no other and when we stand together, we are capable of anything.

I know there are challenging times ahead for us all but little Dan Donohoe does not have the luxury of waiting for this crisis to end. He needs help now.

Time waits for no child, man or woman so your generosity and speed of response is vital. I am writing to plead for help for Niall, his wife Aisling ne Quigley (whose brother Brendan was also on the 2003 team) and their son to all units of the GAA. worldwide. I believe if we all donate we can save young Dan's life.

If you can please share this with your executive, club members, sponsors and friends I will be forever grateful.

'Their Story': How the U14 Boys Are Coping With Social Isolation

The U14 lads were asked to send in "Their Story", to document their thoughts and difficulties experienced during the Covid 19 pandemic crisis. We asked them to describe how they were coping with the restrictions through stories, pictures, new things they've learned, inspirational quotes, how they've managed to maintain fitness, anything they have watched and enjoyed, something or someone that has inspired them.

We've gathered all of the responses to date and wish to share them with the wider Ballyboden St Endas community. They clearly show that the boys' talents extend far beyond the football and hurling pitches of Co. Dublin. They are a very creative and resilient bunch of lads who, while struggling with social isolation, have found a variety of ways to cope with this very difficult situation. It will hopefully be a once in a lifetime experience for all of us, leaving lasting memories and a range of emotions. Through their enforced new lifestyles, the boys provide some inspirational advice, funny stories, great poems, and routines to keep fit and the skills levels up to a high standard. It is well known that a healthy body leads to a healthy mind, the U14 boys are showing us how this can easily be achieved. Good luck to all of our friends and community during these trying times.

Concussion Management Guidelines for Gaelic Games

If in Doubt, Sit Them Out

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion

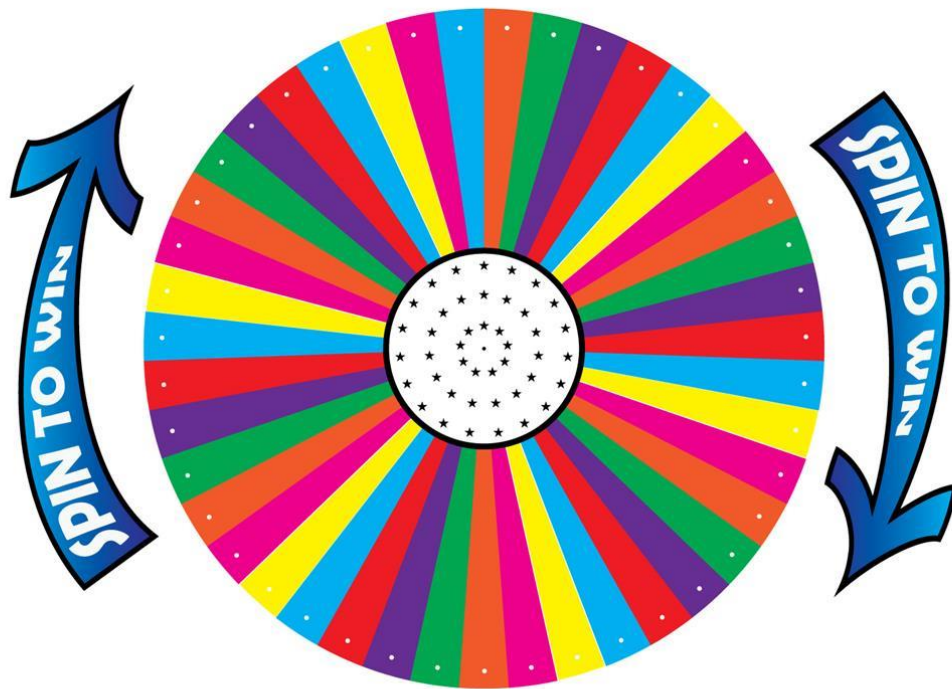

injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
