### **Club Lotto Recommenced**

After a 5 week suspension, the weekly club Lotto recommenced on the 23rd of April. To ensure that no Lotto member is out of pocket we have stopped one months Direct Debit payments (for the month of April) and will do the same for all Debit/ Credit Card monthly members in April / May. We will also ensure that all annual upfront paying members will be entered in all 52 draws for this year. Because of the ongoing COVID-19 restrictions, the weekly draw process will take place virtually – the Lotto numbers will be selected using an online random number generator, and the draw will be video recorded and also observed by at least three members of the Lotto Committee using the Zoom videoconference application. Now, more than ever, it is more important that all club member support the Lotto, as one of the most important revenue generating methods for our club

## **U13 Boys Lockdown Hurling challenge against Kilmacud Crokes**

Never wanting to rest and always keen for competition, the U13 hurling boys used their lockdown wisely to keep up their fitness and skills levels. What better incentive than to take on a virtual challenge against our great neighbours and rivals from Kilmacud Crokes. BBSE had over thirty of the boys attempt the hurling skills challenge and all were eager to show what can be achieved during these difficult times. There was great interest and a huge practice level from our group, with some boys practicing the skill on over 60 occasions. Such was the success of the challenge from both clubs that it is set to run again this week. Well done to all the boys from both clubs for taking part.

Many thanks to Ros and all the U13 coaches and players from Kilmacud Crokes for providing such great opposition.

## **GAA Coaching and Games**

From webinars, skills challenges & virtual training sessions, it's been a busy few months for the GAA community. Our Games Development Department has been busy providing assistance to coaches, players, teachers and parents to make this difficult time easier.

- Coaching Webinars – Live and recorded webinars with leaders in Coaching and Coach Education
- 100's of activities to Coach Hurling, Football, Handball and Rounders on the GAA Coaching Planner <https://learning.gaa.ie/planner/>

## **#GAAPrimary Challenges**

The #GAAPrimary Challenges is a series of learning & physical activities for children in Primary School. During these particularly challenging times for families, the #GAAPrimary Challenges are designed to help teachers and parents to work on the cross-curricular lesson plans with children to meet their learning needs. Gaelic games-themed lessons are across all curriculum subjects and are for children at every class level, based on the GAA Céim ar Aghaidh/Step Ahead resource. For some fresh air and physical exercise, inter-county stars set Skill Challenges weekly that can be done at or near your home. There are also fun competitions and prizes to be won on the @GAAlearning twitter page. Primary teachers are encouraged to share lesson plans, learning material and ideas by email to [gamesdevelopment@gaa.ie](mailto:gamesdevelopment@gaa.ie) or on social media using #GAAPrimary.

## Baile Buadain le Gaeilge 2020

Tá clú agus cáil ar Dan O'Sullivan i mBaile Buadain Naomh Éanna. As Corcaigh ó dhúchas, níor chaill sé an blas Corcaíoch riamh cé go bhfuil sé i mBaile Átha Cliath le fada an lá. Ní fear ciúin é ar an taobhlíne ach cén dochar, bíonn a chroí saite i ngach uile cluiche, idir pheil, iomáint agus chamógaíocht. Tar éis bonn 'Hogan Cup' a bhuachaint le Coláiste Chríost Rí sa bhliain 1970, d'imir sé le foireann míonúir Chorcaí sa bhliain 1971. D'imir sé ag gach leibhéal lena chumann dúchasach, Fánaithe Nemo. D'iarramar ar Dan scothfhoireann peil Chorcaí lena linnse a ainmniú. Is ó 1973 ar aghaidh an fhoireann seo. An aontaíonn tú leis?

The GAA will issue detailed advice before any return to play

The GAA Player Injury Scheme will remain closed until an official return to activity is confirmed (i.e., training is not permitted / no injury claims can be submitted).

## **BBSE Hurling/Camogie Quarantine Challenge : give it a go**

In these very strange times we are continually finding new ways to entertain ourselves ,be it a quiz with your friends or just a catch up on Zoom. Like me I'm sure many of you never heard of Zoom until the Lockdown and now everyone is using it as standard tool to communicate with business colleagues, friends and family.

The Boden family is no different and we're also trying ways to keep in contact. A group of club coaches have come together headed by Seniors coach Mickey to launch the Hurling/Camogie challenge underneath. As always this would not have been possible without the input of the techie group of Smythie, Sinead, Gareth, Susan and of course Naoise who is the time machine. Thanks everyone for the support.

This initiative is special as it includes almost all age groups and includes Camogie and Hurling players. The proficiency level is set accordingly and I understand the fun has just begun.

TJ Vaughan (U10-U13) leads Stephen Pullen(U14-U18) by 10 seconds heading into the w/e with both their fathers scrapping it out at the other end of table (we'll be kind and not give their times) .

So why not GIVE IT A GO and see can you take on the best of the best .

Bragging rights (and few prizes) at stake and you can also make a voluntary/anonymous donation to our front-line health working heroes if you so wish.

Thanks again to everyone for the initiative.

Stay Safe

## **A MESSAGE FOR GAA CLUB MEMBERS**

### **A MESSAGE FOR GAA CLUB MEMBERS**

A chairde,

We are living in the most extraordinary times.

The Coronavirus pandemic has changed almost everything about our world and has impacted upon so much of what we thought was normal about our lives.

Like all sport, Gaelic Games have gone into hibernation.

But it is a source of enormous pride to us that what has not disappeared or become dormant has been the spirit and the passion for community that is the life force of the GAA in every corner of this island.

Clubs big and small and across towns and rural parishes are doing what the GAA has been proud to do for 136 years – and that's be a light and a standard for the people who they represent.

We have always said that the GAA ultimately, is all about People – People working together for a goal. We have a common goal now like never before.

Our goal is to help the island of Ireland push back against the spread of this virus and give the people of Ireland the best chance possible of limiting its impact and being able to

hopefully, some day in the not too distant future, come out the other side.  
This community spirit is also prominent among our hundreds of GAA clubs overseas who are such a vital support network for our Diaspora.

To the people posting skills drills for stuck at home players, keep up the good work. To all of those who have been able to offer help to the vulnerable in their communities, we extend our

sincerest míle buíochas and urge you to stay safe while doing so and follow all the advice and guidelines from the health and statutory authorities.

From the outset of this crisis the GAA has been working closely with the HSE and we have made all of their guidelines available to all of our clubs. Their request for our support has deepened in recent times.

The large car parking facilities at Croke Park have been made available for staff working in nearby hospitals. We have made part of Croke Park available as a drive through test centre for people with symptoms of Covid-19. Cars arrive by prior appointment and drive into the Cusack Stand tunnel where they are tested by doctors in their cars and they then drive away out the other side.

It is all conducted under full medical supervision.

It is an opportunity for GAA HQ to play its part and mirror what is being done by so many of our members elsewhere.

Similar testing facilities are now in operation at several other GAA county and club venues around the country - all of them playing an important role.

Sport is not a priority at a time of a national emergency.

But when the time comes again for the boots to be laced, hurleys to be gripped, nets to be hung and the pitches to be marked and when the time comes for men and women, and boys and girls to run out into the air and play the games they love, sport will be more important than ever before.

We are planning for that day – whenever that day may be.

In the meantime, we can help make that day come quicker if we do what we are being asked to do by the people who know what they are talking about.

Stop, look and listen to all of the advice that is there on how we beat this common foe.

Washing our hands, personal distancing and if needs be self-isolation are the weapons that we have.

Keep safe, keep thinking of others, keep fit and healthy in body and mind.

As that great son of Derry, Seamus Heaney wrote:

“So hope for a great sea-change

On the far side of revenge.

Believe that further shore

Is reachable from here.

Believe in miracles

And cures and healing wells.”

Ar son Chumann Lúthchleas Gael, go raibh maith agaibh  
Seán Ó hÓráin Tomás Ó Riain

## Concussion Management

# Concussion Management Guidelines for Gaelic Games

▣ Prepare

GAA

# Prepare Perform Recover

If in Doubt, Sit Them Out

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion

injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

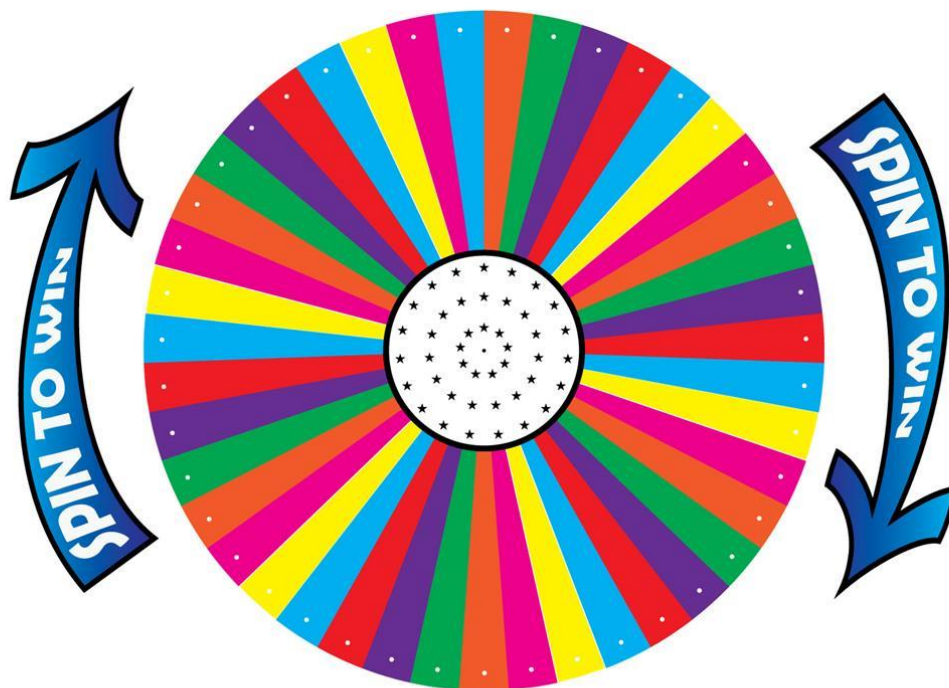

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
