GAA's return to play document

Níl tuilleadh dá mhéad nach dtránn, and hopefully the tide of covid-19 is starting to turn. Following the release of details of phase two reductions in restrictions by An Taoiseach on Friday, the GAA, LGFA and An Cumann Camógaíochta released a return to play protocol later that evening. This is great news for all of us and lays out a pathway to a return to club games in August and inter-county games in October.

A question that is on many peoples' lips is 'will there be Summer Camps this year', and we are delighted to be able to say that we are planning for Summer camps to go ahead from July. This will depend on confirmation from the GAA authorities, and the format will be different to other years, but I'm sure that girls and boys in the area will be very happy to have an opportunity to get back playing with their friends. Once we receive confirmation that the Summer camps can proceed and information around the running of the camps, we will post this information on the club website and newsletter.'

[The return to play document](#) which has been endorsed by the GAA, LGFA and An Cumann Camógaíochta is a comprehensive one, but the highlights are:

- Indoor facilities such as changing rooms, showers, gym and social facilities remain closed.
- Signage and social-distancing markings must be put in place at all club pitches.
- Hand sanitisation stations must be put in place for players, mentors and spectators.
- Training during phase 3 will be restricted to non-contact in groups of 10.
- Each team must appoint a covid-coordinator who is responsible for implementation of the regulations for that team.
- Every player, adult and juvenile, must self-diagnose using a questionnaire and take his or her temperature prior to every training session or game. The questionnaire must be signed by the player or by a parent or guardian in the case of juveniles, and handed to the team Covid co-ordinator prior to each training session. The intention is that the questionnaire and temperature measurement would take place in the player's home prior to attendance at training, and there is an underlying assumption that every home has a thermometer.
- Every player and mentor must complete an online training programme and provide the team co-ordinator with evidence of completion prior to return to training. This elearning module is not yet available but will be made available during June.
- All equipment (sliotars, footballs, cones, poles etc) must be sanitised before and after every session.
- No sharing of water-bottles, towels or other similar equipment.
- A schedule of training slots and locations must be prepared and implemented to ensure that there is a gap between sessions to allow one team to depart before the next team arrives at a venue.
- Only the players taking part in the session and their mentors may remain at the pitch during the training session. In the case of juveniles, parents or guardians must drop and collect players and may not stay onsite during training.
- All players, mentors and officials may opt in or opt out of participation in training or games at their total discretion and without any external pressure whatsoever.

A point to highlight is that while Government regulations allow small groups of up to 10 people to take exercise together during phase 2 (8th to 29th of June), guidelines for LGFA, An Cumann Camógaíochta and GAA do not allow collective training until phase 3, starting on the 29th of June. All GAA pitches remain closed until that date, and player injury and insurance schemes will not cover activity before the 29th of June. Tempting though it may be to get back out on the pitch straight away, we ask all members to hold tight until 29th of June.

We will be working under guidance from Croke Park and Parnell Park to implement the measures required between now and 29th of June, and if any mentors have any expertise

or experience that they would like to offer as we get ready for return to training and games, please don't be shy about stepping forward. You can reach out to myself, Brian O'Regan or through your team mentors, and we'll be delighted to get additional help. One specific area where help will definitely be needed is that each adult and juvenile team will need to appoint a covid co-ordinator who will be responsible for overseeing the implementation of measures for that team as well as collecting and collating the self-diagnosis declaration from each player before every session. Training will be provided for people filling these roles, and if you can do this for your team or for your son or daughter's team, please let the team manager know.

Like all of us, I am really looking forward to seeing Ballyboden St. Endas teams back on the pitches next month.

Club Lotto Recommenced

After a 5 week suspension, the weekly club Lotto recommenced on the 23rd of April. To ensure that no Lotto member is out of pocket we have stopped one months Direct Debit payments (for the month of April) and will do the same for all Debit/ Credit Card monthly members in April / May. We will also ensure that all annual upfront paying members will be entered in all 52 draws for this year. Because of the ongoing COVID-19

restrictions, the weekly draw process will take place virtually – the Lotto numbers will be selected using an online random number generator, and the draw will be video recorded and also observed by at least three members of the Lotto Committee using the Zoom videoconference application. Now, more than ever, it is more important that all club member support the Lotto, as one of the most important revenue generating methods for our club

U13 Boys Lockdown Hurling challenge against Kilmacud Crokes

Never wanting to rest and always keen for competition, the U13 hurling boys used their lockdown wisely to keep up their fitness and skills levels. What better incentive than to take on a virtual challenge against our great neighbours and rivals from Kilmacud Crokes. BBSE had over thirty of the boys attempt the hurling skills challenge and all were eager to show what can be achieved during these difficult times. There was great interest and a huge practice level from our group, with some boys practicing the skill on over 60 occasions. Such was the success of the challenge from both clubs that it is set to run again this week. Well done to all the boys from both clubs for taking part.

Many thanks to Ros and all the U13 coaches and players from Kilmacud Crokes for providing such great opposition.

GAA Coaching and Games

From webinars, skills challenges & virtual training sessions, it's been a busy few months for the GAA community. Our Games Development Department has been busy providing assistance to coaches, players, teachers and parents to make this difficult time easier.

GAA Learning Website

The GAA Learning platform at learning.gaa.ie is host to a series of Games Development initiatives building on the vast array of resources and courses published in recent years that are now providing a very valuable outlet for Coaches, Players, and Teachers without the opportunity to perform their usual roles in the promotion and playing of our games.

Some of these initiatives include:

- GAA Primary Challenges – Lesson Plans & Physical Activities for Primary School Children

-Coaching Webinars – Live and recorded webinars with leaders in Coaching and Coach Education

- 100's of activities to Coach Hurling, Football, Handball and Rounders on the GAA Coaching Planner <https://learning.gaa.ie/planner/>

- Games Development Conference Videos and Presentations from 2014 to 2020 <https://learning.gaa.ie/GamesConference2020>

- Online Courses and Workshops for Coaches, Players, Referees and Administrators

- LGFA and Camogie Resources and Programmes

#GAAPrimary Challenges

The #GAAPrimary Challenges is a series of learning & physical activities for children in Primary School. During these particularly challenging times for families, the #GAAPrimary Challenges are designed to help teachers and parents to work on the cross-curricular lesson plans with children to meet their learning needs. Gaelic games-themed lessons are across all curriculum subjects and are for children at every class level, based on the GAA Céim ar Aghaidh/Step Ahead resource. For some fresh air and physical exercise, inter-county stars set Skill Challenges weekly that can be done at or near your home. There are also fun competitions and prizes to be won on the @GAALearning twitter page. Primary teachers are encouraged to share lesson plans, learning material and ideas by email to gamesdevelopment@gaa.ie or on social media using #GAAPrimary.

Webinar Series

To help coaches through this difficult period, the GAA, an Cumann Camogaíochta & the LGFA have created a series of Coach Development Webinar sessions taking place on Tuesdays & Thursday at 7.30pm. Information on future sessions can be access through our twitter '@GAALearning' and past sessions can be viewed on our Youtube Page 'GAALearning'

National Hurling Development Manager, Martin Fogarty, is hosting Hurling specific webinars every Monday on various aspects of the game and how best to coach it. For more details, visit out twitter @GAALearning

Coach Survey

The Coach Survey was launched this week with the GAA, LGFA & Camogie Association joining forces to help shape the future development of Gaelic games. The aim of the survey is to get to know more about coaches involvement, their role, experiences and how they envisage their coaching future. The form can be accessed through the link below. Seisiún na Bealtaine

Uair sa mhí, eagraíonn Joe Johnston seisiún ceoil, filíochta agus amhrán sa bheár. Le teacht Covid 19, is mó duine a ceapadh nach bhfeicfear an seisiún arís i mbliana. Ach is údar iontais agus dóchais é cé chomh diongbháilte agus a bhí Joe agus a fhoireann ceoltóirí in uair na hanchaine agus an teachtaireacht láidir: The (Joe) Show Must go ON! ‘Ní foláir rud éigin a dhéanamh,’ arsa Joe. Rinne sé spior spear den phaindéim agus chuir sé féin agus a lucht ragairne seisiún fíorúil (virtual) ar siúl Dé Luain 25 Bealtaine ina raibh duine is fiche páirteach ann. Tháinig le chéile ar Zoom agus Whatsapp chun seó ildánach, spráóúil a chur faoi réir dúinn.

Chomh maith leis an éacht sin a bhaint amach, sheoladar na físeáin chuig tithe altranaís áitiúil cosúil le Marlay agus Orwell ionas go mbeidh na daoine iontu in ann bheith ag canadh leo in aimsir seo na paindéime. ‘Is ar scáth a chéile a mhaireann na daoine’ is a well known seanfhocal and Joe’s sharing of the seisiún videos with local nursing homes is a wonderful

embodiment of that seanfhocal during the current pandemic. Seo thíos cúpla sampla den cheol agus spraoi a bhí le cloisteáil agus le feiceáil an oíche úd.

Covid-19 GAA Update for Clubs and Counties

Some key points :

GAA has confirmed that no official on-field activity will resume before July 20 and our facilities will remain closed until that date.

The GAA will issue detailed advice before any return to play

The GAA Player Injury Scheme will remain closed until an official return to activity is confirmed (i.e., training is not permitted / no injury claims can be submitted).

County Committees will be devising revised competition schedules for each county for games and activities at all levels and grades.

The maintenance of facilities can continue while adhering to the guidelines and as of May 18 construction work on our grounds is also permitted

BBSE Hurling/Camogie Quarantine Challenge : give it a go

In these very strange times we are continually finding new ways to entertain ourselves ,be it a quiz with your friends or just a catch up on Zoom. Like me I'm sure many of you never heard of Zoom until the Lockdown and now everyone is using it as standard tool to communicate with business colleagues, friends and family.

The Boden family is no different and we're also trying ways to keep in contact. A group of club coaches have come together headed by Seniors coach Mickey to launch the Hurling/Camogie challenge underneath. As always this would not have been possible without the input of the techie group of Smythie, Sinead, Gareth, Susan and of course Naoise who is the time machine. Thanks everyone for the support.

This initiative is special as it includes almost all age groups and includes Camogie and Hurling players. The proficiency level is set accordingly and I understand the fun has just begun.

TJ Vaughan (U10-U13) leads Stephen Pullen(U14-U18) by 10 seconds heading into the w/e with both their fathers scrapping it out at the other end of table (we'll be kind and not give their times) .

So why not GIVE IT A GO and see can you take on the best of the best .

Bragging rights (and few prizes) at stake and you can also make a voluntary/anonymous donation to our front-line health working heroes if you so wish.

Thanks again to everyone for the initiative.

A MESSAGE FOR GAA CLUB MEMBERS

A MESSAGE FOR GAA CLUB MEMBERS

A chairde,

We are living in the most extraordinary times.

The Coronavirus pandemic has changed almost everything about our world and has impacted upon so much of what we thought was normal about our lives.

Like all sport, Gaelic Games have gone into hibernation.

But it is a source of enormous pride to us that what has not disappeared or become dormant has been the spirit and the passion for community that is the life force of the GAA in every corner of this island.

Clubs big and small and across towns and rural parishes are doing what the GAA has been

proud to do for 136 years – and that’s be a light and a standard for the people who they represent.

We have always said that the GAA ultimately, is all about People – People working together for a goal. We have a common goal now like never before.

Our goal is to help the island of Ireland push back against the spread of this virus and give the people of Ireland the best chance possible of limiting its impact and being able to hopefully, some day in the not too distant future, come out the other side.

This community spirit is also prominent among our hundreds of GAA clubs overseas who are such a vital support network for our Diaspora.

To the people posting skills drills for stuck at home players, keep up the good work. To all of those who have been able to offer help to the vulnerable in their communities, we extend our

sincerest míle buíochas and urge you to stay safe while doing so and follow all the advice and guidelines from the health and statutory authorities.

From the outset of this crisis the GAA has been working closely with the HSE and we have made all of their guidelines available to all of our clubs. Their request for our support has deepened in recent times.

The large car parking facilities at Croke Park have been made available for staff working in nearby hospitals. We have made part of Croke Park available as a drive through test centre for people with symptoms of Covid-19. Cars arrive by prior appointment and drive into the Cusack Stand tunnel where they are tested by doctors in their cars and they then drive away out the other side.

It is all conducted under full medical supervision.

It is an opportunity for GAA HQ to play its part and mirror what is being done by so many of our members elsewhere.

Similar testing facilities are now in operation at several other GAA county and club venues around the country - all of them playing an important role.

Sport is not a priority at a time of a national emergency.

But when the time comes again for the boots to be laced, hurleys to be gripped, nets to be hung and the pitches to be marked and when the time comes for men and women, and boys and girls to run out into the air and play the games they love, sport will be more important than ever before.

We are planning for that day – whenever that day may be.

In the meantime, we can help make that day come quicker if we do what we are being asked to do by the people who know what they are talking about.

Stop, look and listen to all of the advice that is there on how we beat this common foe.

Washing our hands, personal distancing and if needs be self-isolation are the weapons that we have.

Keep safe, keep thinking of others, keep fit and healthy in body and mind.

As that great son of Derry, Seamus Heaney wrote:

“So hope for a great sea-change

On the far side of revenge.

Believe that further shore

Is reachable from here.

Believe in miracles

And cures and healing wells.”

Ar son Chumann Lúthchleas Gael, go raibh maith agaibh

Concussion Management

Concussion Management Guidelines for Gaelic Games

▣ Prepare

GAA

Prepare Perform Recover

If in Doubt, Sit Them Out

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion

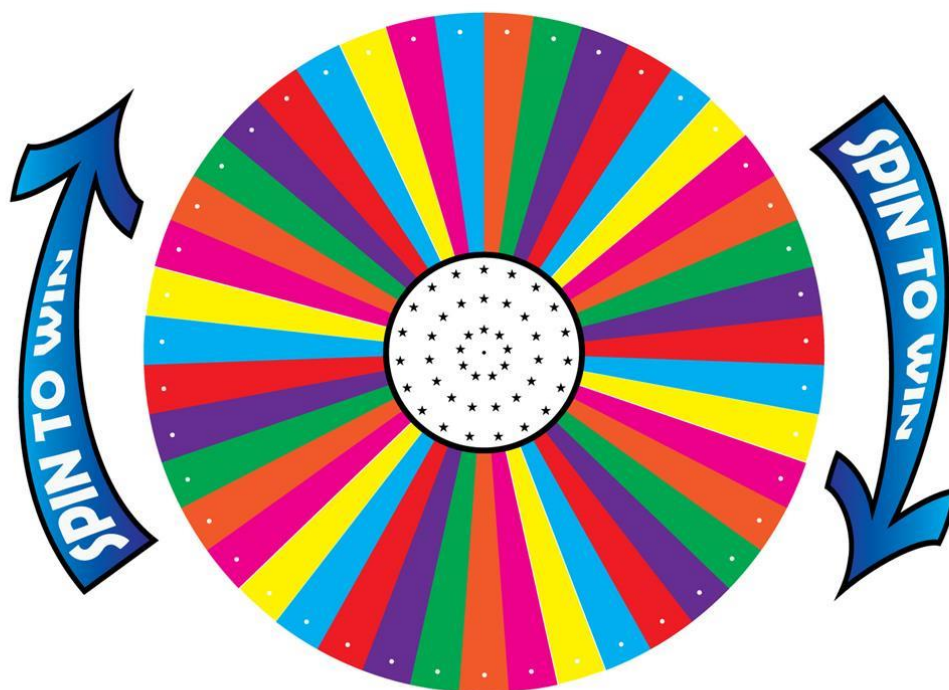

injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.

Inaugural Courtville Jewellers Camogie and Hurling Ball-Wall Competition

Posted by RonanFeely on 20 April, 2020

Inaugural Courtville Jewellers Camogie and Hurling Ball-Wall Competition-a great success! The matches may be on hold but the inaugural Courtville Jewellers sponsored ball-wall competition held over the Easter weekend gave rise to plenty of competitive Camogie and Hurling action. The Camogie competition featured the Senior A Camogie panel and the Senior B hurlers fought for...
