Cluiche Sóisear v Tomás Dáibhís 8/7/20

Tomás Dáibhís (Sóisear) 2-14

Baile Buadain Naomh Éanna (Sóisear B) 1-11

Bhí gach cineál aimsire le brath ar an bpáirc imeartha roimh an gcluiche Dé Domhnaigh seo caite ach ghlán sí go maith i rith an chuiche, buíochas le Dia.

Thosaigh Tomás Dáibhis le cóir na gaoithe agus thapaigh siad an deis ag glacadh le cúpla cúilín maith luath go leor. Tháinig Baile Buadain ar ais go maith le cúpla scór maith ó Brian Cummins ach go speisialta. Ní raibh ach trí chúilín eatarthu ag leath ama (09-06).

Thosaigh Baile Buadain an dara leath agus fuadar fúthu agus bhí dul chun cinn maith á dhéanamh acu. Fuair Baile Buadain cúl deas i ndiaidh 40 nóiméad ach ba bhuille marfach é nuair a d'éirigh le Tomás Dáibhis cúl a aimsiú iad féin díreach ón bpoc amach. Thoid an fhoireann go cróga ach sa deireadh ní raibh dóthain acu chun an lámh in uachtar a fháil.

Míle buíochas le Rhys Mulhall, imreoir mionúir, a d'imir leis an bhfoireann ar an lá.

Laoch na hImeartha: Seán Lambert

Foireann an Lae

Mark McLean, David Barrett, Murray Breen, Darragh Murphy, Joe Roche, Chris Angle, Sean Lambert, Rhys Mulhall, Ben Hurley, Hugh Nolan, Kieran Toomey, Jonathon O'Donoghue, James Kinsella, Brian Cummins, Liam Mac Pháidín, Adam O'Neill

Do it for Dan Update

Do it for Dan confirm that Dan will not be travelling to America to receive Zolgensma.

Sunday 28th June 2020: The *'do it for Dan'* committee has today confirmed the difficult news that unfortunately Dan will not be making the trip to the U.S to receive the planned infusion of the drug Zolgensma. **#doitforDan** (a massive fundraising campaign which began in March of 2020) was an effort by Laois parents Niall and Aisling Donoher and some of their close friends and family to raise \$2.1 million in order to enable their young boy to receive lifesaving treatment. The terrible news has been confirmed following a second set of tests taken, as part of the standard process when preparing for treatment. The results showed that Dan had contracted a virus (which only 5% of the population are susceptible to) sometime in the last few months which has caused him to develop antibodies that will prevent the infusion from being successful.

Speaking of the news **Dan's mother Aisling said:** *It has been a very tough couple of days and very difficult to get our heads around. We were devastated when we got the results back. The last few months have been surreal for us and although the news is very upsetting, we will never forget the kindness and generosity we received, and we could not be prouder of how our little boy touched so many people and bound so many communities together. We would like to thank absolutely everyone who has supported us, donated, fundraised, ran, sang, and danced in order to give our little boy a fighting chance at life, we will never be able to thank you all enough and what it means to us cannot be put into words. All we ever wished for our baby boy was that he got a chance, and you made that possible. Thank you to the committee, the volunteers and each and every person who helped our family, you did it for Dan. Thank you so much from the bottom of our hearts for your kindness. Thank you from myself, Niall and Dan.*

Non-contact training resumes from June 24

The Covid-19 Club Education eLearning module for Gaelic Games is now available online, and it takes 20 mins. to complete.

It must be done by all adult players, parents or guardians of Juvenile players, mentors, coaches and administrators before returning to training/games.

You can access the training here: <https://courses.gaa.ie/Covid19ClubEd> On completion of the training, and the online quiz you should take a screenshot (or printout) of your certificate of completion and send it to your team's Covid Supervisor.

The online health questionnaire will be available at <http://returntoplay.gaa.ie>

Adult training may resume on Wednesday 24th of June with Juveniles down to U13 resuming in the week commencing Monday 29th of June. Go Games teams from U9 to U12 will resume at a later date, expected to be in mid-July. The #GAAPrimary Challenges is a series of learning & physical activities for children in Primary School. During these particularly challenging times for families, the #GAAPrimary Challenges are designed to help teachers and parents to work on the cross-curricular lesson

plans with children to meet their learning needs. Gaelic games-themed lessons are across all curriculum subjects and are for children at every class level, based on the GAA Céim ar Aghaidh/Step Ahead resource. For some fresh air and physical exercise, inter-county stars set Skill Challenges weekly that can be done at or near your home. There are also fun competitions and prizes to be won on the @GAAlearning twitter page. Primary teachers are encouraged to share lesson plans, learning material and ideas by email to gamesdevelopment@gaa.ie or on social media using #GAAPrimary.

BBSE Hurling/Camogie Quarantine Challenge : give it a go

In these very strange times we are continually finding new ways to entertain ourselves ,be it a quiz with your friends or just a catch up on Zoom. Like me I'm sure many of you never heard of Zoom until the Lockdown and now everyone is using it as standard tool to communicate with business colleagues, friends and family.

The Boden family is no different and we're also trying ways to keep in contact. A group of club coaches have come together headed by Seniors coach Mickey to launch the Hurling/Camogie challenge underneath. As always this would not have been possible without the input of the techie group of Smythie, Sinead, Gareth, Susan and of course Naoise who is the time machine. Thanks everyone for the support.

This initiative is special as it includes almost all age groups and includes Camogie and Hurling players. The proficiency level is set accordingly and I understand the fun has just begun.

TJ Vaughan (U10-U13) leads Stephen Pullen(U14-U18) by 10 seconds heading into the w/e with both their fathers scrapping it out at the other end of table (we'll be kind and not give their times) .

So why not GIVE IT A GO and see can you take on the best of the best .

Bragging rights (and few prizes) at stake and you can also make a voluntary/anonymous donation to our front-line health working heroes if you so wish.

Thanks again to everyone for the initiative.

Concussion Management

Concussion Management Guidelines for Gaelic Games

▣ Prepare

▶ Perform

+ Recover

Prepare Perform Recover

If in Doubt, Sit Them Out

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion

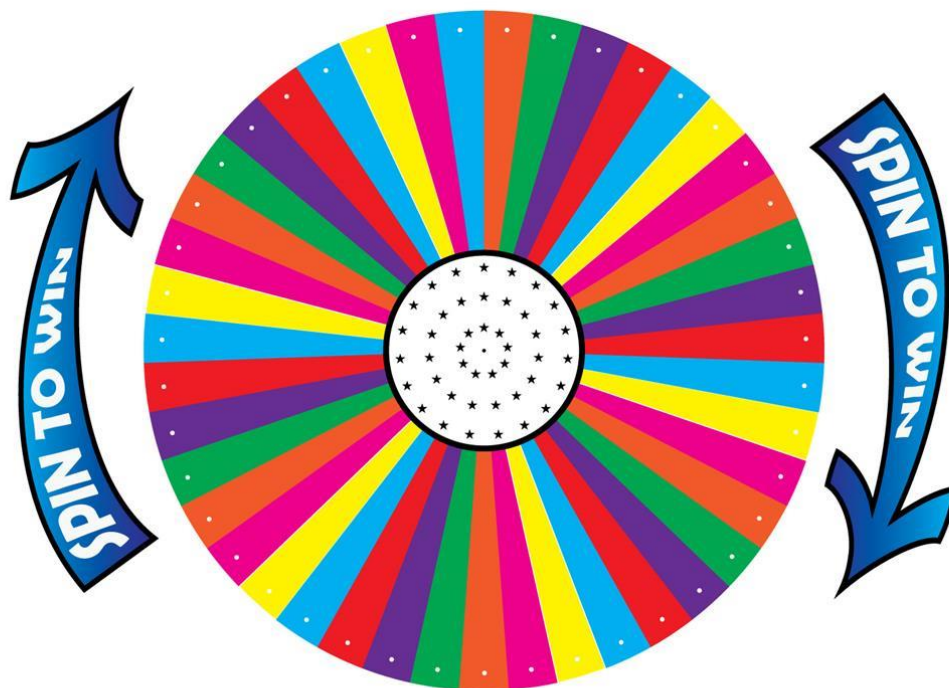

injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
