## **Brendan Moran R.I.P.**

It was with huge shock and sadness that we learned of the death today of our friend, fellow club man and comrade-in-arms, Brendan Moran. Brendan was a man of huge integrity, passion, compassion and good humour, and he will be greatly missed by all in Ballyboden St. Enda's. He was a true club person, remarking on his election as Chairman that it was the highlight of his sporting career. A mark of the humility of the man is that he spent his first days as club chairman painting the pillars at the entrance to Páirc Uí Mhurchú. In his tenure

as Chairman, Brendan sowed seeds and built a culture within Ballyboden St. Enda's the fruits of which will benefit the 'Boden community for generations to come.

Brendan coached football teams in the club and latterly managed the senior B hurling team as well as being the board delegate for the hurling section. Everything Brendan did was done with great attention to detail, was done properly and was done to the very best of his ability. People easily recognised Brendans' integrity and genuine good nature and he was universally loved by young and old within the club. I know that the players on the Senior B hurling team have huge regard and affection for Brendan Moran, and 'Boden sidelines will not be the same in his absence.

We offer our condolences and sympathy to Brendan's family on the loss of their dad, grandad and brother.

Suaimhneas síoraí dá anam.

Ciaran Maguire, Chairman

Gaelic games-themed lessons are across all curriculum subjects and are for children at every class level, based on the GAA Céim ar Aghaidh/Step Ahead resource. For some fresh air and physical exercise, inter-county stars set Skill Challenges weekly that can be done at or near your home. There are also fun competitions and prizes to be won on the @GAALearning twitter page. Primary teachers are encouraged to share lesson plans, learning material and ideas by email to [gamesdevelopment@gaa.ie](mailto:gamesdevelopment@gaa.ie) or on social media using #GAAPrimary.

## **BBSE Hurling/Camogie Quarantine Challenge : give it a go**

In these very strange times we are continually finding new ways to entertain ourselves ,be it a quiz with your friends or just a catch up on Zoom. Like me I'm sure many of you never heard of Zoom until the Lockdown and now everyone is using it as standard tool to communicate with business colleagues, friends and family.

The Boden family is no different and we're also trying ways to keep in contact. A group of club coaches have come together headed by Seniors coach Mickey to launch the Hurling/Camogie challenge underneath. As always this would not have been possible without the input of the techie group of Smythie, Sinead, Gareth, Susan and of course Naoise who is the time machine. Thanks everyone for the support.

This initiative is special as it includes almost all age groups and includes Camogie and Hurling players. The proficiency level is set accordingly and I understand the fun has just begun.

TJ Vaughan (U10-U13) leads Stephen Pullen(U14-U18) by 10 seconds heading into the w/e with both their fathers scrapping it out at the other end of table (we'll be kind and not give their times) .

So why not GIVE IT A GO and see can you take on the best of the best .

Bragging rights (and few prizes) at stake and you can also make a voluntary/anonymous donation to our front-line health working heroes if you so wish.

Thanks again to everyone for the initiative.

Stay Safe

## Concussion Management

# Concussion Management Guidelines for Gaelic Games

▣ Prepare

# Prepare Perform Recover

If in Doubt, Sit Them Out

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion

injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
