## History of Boden book going to print.

The History of Ballyboden St. Enda's GAA Club 1969 - 2019 is going to print. **ORDER YOUR BOOK.** With over 650 pages, it's a fascinating account of the Club's history from its foundation, and the earlier history of Gaelic games in the locality. With insights from founder members, lists, statistics, match reports, stories and hundreds of photos, it'll be a reference point for decades and it's a must have for anyone connected to the Club, or with an interest in local or GAA history. In common with a high quality production of this type, there can only be a once off print run, with only one chance to estimate how many copies to print. To address this, the book will be pre-sold and anyone wishing to secure a copy should click on the link below to place an order. **DON'T BE LEFT WITHOUT A COPY.**

## SENIORS BEATEN BY A DOMINANT BALLYMUN

A perfect storm of Boden not reaching their own high standards and Ballymun playing the game of their lives meant a resounding defeat for our Senior Footballers in the DSFC Final yesterday in Parnell Park. While the faithful watched on at home or followed on Twitter, there wasn't much in it for the first quarter but we had no answer to the Ballymun onslaught that ensued in the second quarter and went in 0-14 to 0-04 down at half time. We huffed and puffed and hit more wides that we care to remember but there was no miracle comeback despite the efforts of the lads. We'll take it on the chin, take stock and move on and will have better days no doubt. Thanks to the players and management for a great run and for giving us some much needed cheer throughout the last few months..

A few of our Senior A camogie players accompanied by management and committee members gathered on a sunny evening in Páirc Uí Mhúrchú to thank Bernard Curtis who has gone on a brief Sabbatical from management. He was presented with a small token on behalf of the team to thank him for his dedication to the camogie section over the past number of years.

A Chara,

I wish to advise that as a result of the Government's decision to move to Level 3 Covid-19 restrictions, all Minor Club games scheduled for the duration of Level 3 restrictions have been postponed.

This includes all Minor Championship, Cup and challenge game fixtures. The CCC will reschedule outstanding fixtures as soon as possible, subject to Dublin Minor and Under 20 inter-county Championship fixtures.

[See the latest update from Dublin GAA Juvenile here.](#)

All Adult games remain ON (behind closed doors). Clubs using pitches in DCC Public Parks should note that the City Council has closed their pitches for all activity until we return to Level 2 or lower.

The other three Councils have not made us aware of any pitch closures.

## Covid Practice - Update

As a club, we have been very diligent regarding implementation of measures to ensure the safety of spectators and players, and this has been as a result of hard work and effort by many, many people who have been tracking player check-ins, stewarding games, providing signage and sanitiser, ensuring a safe environment etc. This has been tremendously hard work on top of the normal effort to train and prepare teams and compete in games, and we have received compliments from referees and opposition mentors as to the quality of the preparation and precautions taken at games.

As the numbers of cases reported increases across the country, we must remain steadfast and diligent in implementation of the protective measures and procedures. Can we especially:

- Continue with health check-ins before every session
- Continue to sanitise equipment used after every session
- Avoid car-pooling to training or games. If car-pooling cannot be avoided and members of different households must travel in the same car, then masks should be worn.
- Encourage all club members and players over the age of 16 to download the HSE app to their phones as this is hugely helpful for tracing in the event of a scare.

- Continue to insist that all players bring their own water bottle to training and matches. Shared water bottles must not be used.
- Check-in to the GAA app to confirm health status should be done on the morning of an evening session or the night before for a morning game or session.

Many thanks for all your efforts up to now - let's continue to be diligent to ensure that we can complete our full programme of games in a safe manner.

## Concussion Management

# Concussion Management Guidelines for Gaelic Games

---

▣ Prepare

▶ Perform

+ Recover

# Prepare Perform Recover

If in Doubt, Sit Them Out

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion

injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
