Support BBSE's Winter Clothes Appeal

BBSE are organizing a winter appeal across the club for the charity Inner City Helping Homeless. This is a non profit charity that was set up in 2013 as a result of the increased number of people sleeping rough around Dublin city and suburbs. They offer outreach services, case management, mental health supports, food distribution, clothes orders and other essential services and are operational 7 days a week 52 weeks a year.

One of the key services ICHH provide is the nightly outreach service which visit 120+ rough sleepers 7 days a week. There are 3 vans that cover the greater Dublin area providing hot drinks, light snacks, hot food, clothes, toiletries and sanitary essentials. As we approach the winter months the need for additional clothing and other essentials increases, and the current situation with Covid has significantly impacted the stocks.

Currently there is an urgent need for donations of male/female clothing including jackets, shoes, tops, jeans, track suit bottoms, socks, hats and gloves. While second hand clothing is ideal, for any donation of male/female underwear it needs to be new. Please have a look at the attached fliers for detailed list of items required.

For other essentials, any donation of body wipes, toothpaste, toothbrushes, roll on deodorant, shower gel and female sanitary products would be greatly appreciated.

Commencing this week we are asking for donations of any of the above items or clothing items on the attached fliers.. All donations can be dropped to the club or if preferred we can arrange collection. It is hoped that we can deliver all donations to ICHH on Friday November 13th.

Donations can be dropped to the club on Friday between 10am-12 noon.

Retirement of John Cummins

Our Master Craftsman John Cummins retires after 25 years' service

As many of you are now aware John has stepped away from Hurley repairs over the last few weeks. How often have you heard the expression “every person can be replaced” but this man for sure will not be replaced? John’s magic touch with the repair of the Hurley was something incredibly special and he took such pride with each one. John has been an absolute stalwart for the last quarter of a century, and we can never thank him enough for his tireless work.

John joined BBSE in 1979 from his home club Doon and very quickly became the first-choice corner back on our Senior team. John played in the 1983 county final in Croke Park against Erin’s Isle but unfortunately was on the wrong side of the scoreboard on the day. However, he had the distinction of playing the last club county final in Croke Park as it was moved to Parnell the following year. John continued to play senior hurling up to the mid 90’s and I had the pleasure of playing alongside him for many of those years.

When the note went up a few weeks ago about John’s imminent retirement the good wishes came flooding in and key words like “gentleman”, “magic touch”, “master craftsman”, “a pillar of BBSE”, “brilliant man”, “top man”, all kept repeating and doesn’t even do justice to the man who had the midas touch when tasked with repairing almost the impossible. For sure he has fixed thousands of hurleys but to John each player was as important as the next and gave the same amount of care and attention whether you were Senior A or Junior C or Hurler or Camogie player. To John it was a labour of love and he

could often be found in the shed late at night after coming off his shift just to have a hurley ready for the following day. He was unbelievable in his commitment and, of course, the hurley was always better after repair than when new.

We cannot let the moment pass without mentioning his wife, Catherine, who was extremely courteous at all times even when members called at unsociable hours (not so sure the dog was as friendly....ask Alex !!). It was certainly a team effort and the club were so fortunate to have such a strong GAA family on their doorstep.

We wish John and Catherine the absolute best wishes on their retirement from the “BBSE Hurley Repair Workshop”.

On behalf of all club members can we say a big ‘Thank You’ to you both for the many years of great service particularly to the hurling and camogie sections.

John Ryan
Hurling Chairman

Hurling Round-up for 2020

As the club year begins to close we thought it would be appropriate to reflect back on the last few months where the club championship was run off over a 9 week period. What a strange year it was! Who would have thought at the beginning of the year that only 2 rounds of league would be played, and we would all end up greeting everyone through a mask and limited to total of 200 people per game. Mr Covid arrived in March and succeeded in closing all activities from March to end of June. Very few club supporters had the privilege of seeing live championship games where most had to depend on Dubs TV for our Senior A’s only. Strange as it may seem as season progressed and with no spectators allowed this became an absolute essential service. Never did we rely so much on social media! Did you ever think you’d be brave enough to enter a bank wearing a mask and ask for money\$\$\$.

And how did we fare??

Senior A’s

Began with a baptism of fire and fell under the spell of a strong Kilmacud side. After a few harsh words and a willingness by management and players to bounce back, sparks flew at training sessions and from it came the fighting spirit of Boden and won their remaining round robin games with more left in the tank. Then came Vinny’s in quarter and a young Na Fianna team in semi. Both presented different type of challenges, but we were up for it and marched on to final on v Cuala. Despite being ahead by 4 points at half time we were unable to quell a strong Cuala side who came at us in waves in the second half. We can be extremely proud of the squad and management who gave it their all to win back that title. Through the efforts of all

involved we now have an excellent mix of youth and experience and hopefully nicely set up for the 2021 management team to raise the bar even further.

Senior B's

Came out of the traps fighting and if fortunate enough to witness the game in Silverpark you saw an absolute classic. Often the management team can get the raw end of the stick but certainly they can be proud of the calls they made in second half - for sure it turned the game and we sealed victory by some excellently taken scores and came away with a victory by 2 points. Our B team has always been a feeder team and some of the top performers were promoted to the A's and indeed became an integral part of their success story. This will always be the case and can be difficult to manage but communication between both sets of management was excellent and decisions were made in the best interest of the players.

Our B team in most cases are up against the first team of most other clubs and is an exceedingly difficult championship to win. The management have already been in contact with the committee about next year and feel they somewhat underperformed and are gunning to get back onto pitch... rock on 2021.

Sadly, on 12th July we lost one of the great Gaels of the club, Brendan Moran. In his final days, Brendan was still our hurling board delegate and manager of our Senior B's. His departure came as a shock to all of us. He was a much-loved friend, caring and witty man, full of integrity and is a huge loss to all of us but most of all to his immediate family

Junior A's

Probably the best fed team in the section and for sure every other management group is looking for Susan but Tim is having none of it and has circled the wagons around Ms Creed.

And the hurling is not bad either, big squads at training and the "Who's who" management team. A serious set up and very well organised and a real team effort. The lads won their group with some strong performances and reached the semi-final against a fancied Brigids. If we could pack Sancta Maria with supporters for sure they would have been out the gate but unfortunately Mr Covid did not allow but for sure there was huge interest in this fixture. And the lads did not disappoint. This was Brigids second team and our third and was always going to be an uphill battle. To say we fought to the end is an understatement. The spirit and heart in this team is infectious and every Boden person present was truly gutted with the outcome.

Junior C's

Firstly, not many will remember but when John and Ger took over this team in 2019 they had 6 at training and looked extremely bleak. If we recall our fifth team suffered until we got this house in order. Some of the elder lemons had retired and our younger members were non-committal. In effect there was no core to the team and was drifting big time. Of course, there are no medals given for fielding a team but the two lads have done trojan work to pull this together and now have a core of 20 strong players and our fifth team was back up and running in 2020.

Secondly they are the only adult team (except 21's) still fighting for silverware. Their season transformed when they entered the Cup competition with some

strong performances to date. They are now in the cup final and training is continuing at pace and await the revised fixture. Something to really look forward to after lockdown

Junior G's:

This has been the brainchild of Brendan Ryan and is often called the social team but can assure you it is far from it. The lads give it their all and something each player really looks forward to.

It is unbelievable to think that Brendan and Bomber has assembled a squad of 30 players (at least on match day !!) and competition for places is savage. Not sure if he gets 30 training but don't think a few of the lads would even survive a heavy session (hurling that is).

Even though the lads lost out at semi-final stage to Thomas Davis the Club has facilitated a fantastic punch of guys to extend their playing career when many had already hung up the boots. Unfortunately, with Covid and clashing with other fixtures it has not been possible to see any of the games, but the importance of this team is immeasurable and hopefully will go from strength to strength.

Minor A and Bs:

With Covid and Leaving Cert upheaval this had to be the most difficult year to manage a minor team. In our view winning Minor championships is never the key goal but more important is to ensure players receive quality coaching and that those players in turn move to adult ranks seamlessly.

Both Johnny and Suds were off the blocks early and assembled a strong backroom team and where possible agreed to trained together. Unfortunately, our A team were riddled with injury but despite this gave some excellent performances and lady luck certainly did not shine on them and were a single point on wrong side of scoreboard on few occasions. Our B's were out of championship due to a Covid scare but within few days were back in again... still not sure how this happened. We all know how difficult it is to keep a B team on the road and Suds pulled out all the stops but again succumbed to first team minors.

However, the players have received some excellent coaching and will again provide numerous players to the adult teams to continue their development. The responsibility now lies with the adult section to continue the fine work done by Minor management and indeed the Juvenile section in the many previous years.

U21's :

We have entered two teams at this level and we wait on CCC for the fixtures. This year we had an unrepresented number of players available for selection. Normally during the summer, we lose players through J1's, Holidays, part-time jobs etc. Everything changed this year due to Covid and as a result we were unable to provide game time for several players. This is something we need to consider for 2021.

We cannot let the moment pass without mentioning the exceptional work done by all our Covid officers. This was trust upon us all on short notice in mid June and the support we received from all teams was excellent. Each team provided a Covid Officer and worked tirelessly to ensure we complied fully with HSE protocol. We cannot underestimate the extra workload this entailed, and our club are truly fortunate with the calibre of people

involved. On behalf of the club we would like to particularly thank you for providing a clean and safe environment for all our players and management.

After many, many years' service to the club John Cummins has stepped down as the "Hurley Repair Man" and we have separately put a few words together to thank John for his exceptional level of commitment to Boden

To all our volunteers can we say a big "Thank you" in one of the most challenging years to date. Let's hope 2021 will return to some normality.

Best Regards,

John Ryan

Hurling Chairman On Behalf of Hurling Committee.

Camógaíocht sa Chlapsholas

Cé gur cuireadh na cluichí camógaíochta ar ceal, lean foireann na sinsear ag traenáil go sábháilte. Aréir agus srianta breise foghraithe bhí orthu críoch a chur leis sin ach d'fhoghlaim an fhoireann go mór i gcúpla seachtain. Is ag díriú ar na bunscileanna a bhí na himreoirí agus bhí cóitseálaithe nua tagtha isteach chun cabhrú leo. Eoghan Ó Neill agus Naoise Maguire a thóg na grúpaí beaga. Bhí seans ag Matty sos a thógáil!

Tá moltaí ag na cóitseálaithe don fhoireann agus d'imreoirí camógaíochta óga sa chlub.

Agallamh le hEoghan agus Naoise

1. Cén scileanna a bhfuil sibh ag díriú isteach orthu leis an bhfoireann faoi láthair?

Naoise:

Táimid ag díriú isteach ar na cúlaithe agus an liathróid a húsáid i gceart ag an am seo.

Eoghan:

I láthair na huaire tá mo ghrúpa ag díriú isteach ar an liathróid a ghabháil san aer agus conas an briseadh a léamh.

2. Conas is féidir le himreoirí na scileanna sin a chleachtadh?

Naoise:

Tá sé an-tábhachtach go bhfuil na himreoirí i gcónaí ag smaoineamh nuair atá siad ag cleachtadh na scileanna. Caithfidh siad a bheith ag smaoineamh 'cad é an rud is fearr le déanamh ag an am seo' agus ansin ag athbreatnú ar an gcinneadh agus ag feabhsú.

Eoghan:

An bealach is fearr gur féidir na scileanna seo a cleachtadh, ná iad a dhéanamh ag luas

ard, mar an gcéanna le luas cluiche. Is gá gluaiseacht a chuir leis chun dul chun cinn ceart agus fiúntach a dhéanamh.

3. Cad iad na rudaí is tábhachtaí is féidir le himreoirí a dhéanamh i rith an gheimhridh chun feabhas a chur ar a gcuid scileanna?

Naoise:

Seans go mbeidh geimhreadh fada againn agus mar gheall beidh sé tábhachtach clár a dhéanamh chun cleachtadh a dhéanamh, b'fhéidir go mbeidh grúpaí beag ann chun cabhair le daoine dul amach agus cleachtadh a dhéanamh. Tá sé i bhfad níos fearr cleachtadh a dhéanamh le do chairde seachas an balla, go hairithe nuair atá sé fuar!

Eoghan:

An rud is tábhachtaí i rith an geimhreach ná go mbíonn na himreoirí ag díriú isteach ar scil nó dhó chun feabhas a chur ar. Ní gá go mbeadh siad ag traenáil ar feadh dhá uair a chloig gach lá den tseachtain. Is fiú go mór píosa beag traenála a dhéanamh agus é a dhéanamh go minic.

4. An bhfuil aon mholtaí eile agat don fhoireann?

Bígí i dteagmháil lena chéile go rialta. Cruthaigh an gaol agus an atmaisféar san fhoireann sibh féin. Glac an freagracht as bhur gcuid traenáil féin.

5. Cén mholtaí atá agaibh don imreoir óg atá ag súil le bheith ar an bpainéal seo sa todhchaí?

Naoise:

Do na daoine óga, caithfidh sibhse an obair chrua a dhéanamh. Nuair a fheiceann sibh na himreoirí atá ar an bhfoireann, rinne siad an obair sin thar na blianta agus mar gheall tá ar na himreoirí óga níos mó oibre a dhéanamh chun a háit a fháil nó feabhas a chur ar an bhfoireann.

Eoghan:

Bíodh meoin dearfach agat i gcónaí agus bí sásta an obair chrua a chur isteach. Bígí muiníneach agus ná bí cúthaileach. Is féidir libhse fuinneamh nua a thabhairt don fhoireann.

Boden U16s represent Dublin Camogie

Our Boden U16s Sadie, Leonie and Áine represented their county with pride this morning in U16 Championship. They went down to a strong Kilkenny team but never gave up and look forward to next challenge in 2 weeks time against Wexford.

Covid Practice - Update

As a club, we have been very diligent regarding implementation of measures to ensure the safety of spectators and players, and this has been as a result of hard work and effort by many, many people who have been tracking player check-ins, stewarding games, providing signage and sanitiser, ensuring a safe environment etc. This has been tremendously hard work on top of the normal effort to train and prepare teams and compete in games, and we have received compliments from referees and opposition mentors as to the quality of the preparation and precautions taken at games.

As the numbers of cases reported increases across the country, we must remain steadfast and diligent in implementation of the protective measures and procedures. Can we especially:

- Continue with health check-ins before every session
- Continue to sanitise equipment used after every session
- Avoid car-pooling to training or games. If car-pooling cannot be avoided and members of different households must travel in the same car, then masks should be worn.
- Encourage all club members and players over the age of 16 to download the HSE app to their phones as this is hugely helpful for tracing in the event of a scare.
- Continue to insist that all players bring their own water bottle to training and matches. Shared water bottles must not be used.
- Check-in to the GAA app to confirm health status should be done on the morning of an evening session or the night before for a morning game or session.

Many thanks for all your efforts up to now - let's continue to be diligent to ensure that we can complete our full programme of games in a safe manner.

Concussion Management

Concussion Management Guidelines for Gaelic Games

▣ Prepare

If in Doubt, Sit Them Out

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion

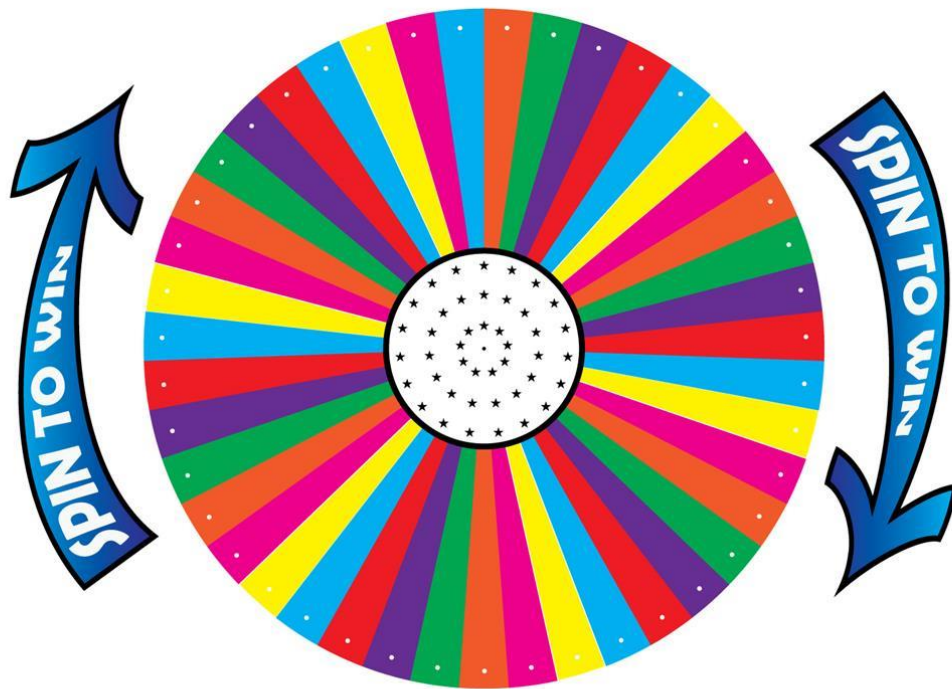

injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
