## Senior Hurling Manager Update

Following discussions with Joe Fortune, a decision has been made for the hurling section to appoint an Internal Senior A manager for the 2021 season.

The committee would like to thank Joe for his absolute dedication to the team over the last three years. For sure, he gave it everything and had the respect of everyone concerned. He sought out every opportunity, no matter how small, to give us that edge over the opposition. Because of Joe's man Management Skills and his attention to detail he brought back honours to Firhouse Road after an epic encounter with Kilmacud in 2018. Again we reached the county final in 2020 with Joe at the helm and were so close to delivering a further title but lady luck just didn't favor us.

Joe leaves the Senior team in a very strong position with a mixture of youth and experience and we wish him every success in whatever direction he takes.

We have all benefited from Joe's management skills and he will always be welcome in Boden whatever the occasion might be.

John Ryan  
Chairperson, Adult Hurling Section

## Support BBSE's Winter Clothes Appeal

BBSE are organizing a winter appeal across the club for the charity Inner City Helping Homeless. This is a non profit charity that was set up in 2013 as a result of the increased number of people sleeping rough around Dublin city and suburbs. They offer outreach services, case management, mental health supports, food distribution, clothes orders and other essential services and are operational 7 days a week 52 weeks a year.

One of the key services ICHH provide is the nightly outreach service which visit 120+ rough sleepers 7 days a week. There are 3 vans that cover the greater Dublin area providing hot drinks, light snacks, hot food, clothes, toiletries and sanitary essentials. As we approach the winter months the need for additional clothing and other essentials increases, and the current situation with Covid has significantly impacted the stocks.

Currently there is an urgent need for donations of male/female clothing including jackets, shoes, tops, jeans, track suit bottoms, socks, hats and gloves. While second hand clothing is ideal, for any donation of male/female underwear it needs to be new. Please have a look at the attached fliers for detailed list of items required.

For other essentials, any donation of body wipes, toothpaste, toothbrushes, roll on deodorant, shower gel and female sanitary products would be greatly appreciated.

Commencing this week we are asking for donations of any of the above items or clothing items on the attached fliers.. All donations can be dropped to the club or if preferred we can arrange collection. It is hoped that we can deliver all donations to ICHH on Friday November 13th.

**Donations can be dropped to the club on Friday between 10am-12 noon.**

- The GAA's planned tributes to the Croke Park Bloody Sunday victims.
- How the Global Games Development Fund has helped 450 projects in six years.

## **Covid Practice - Update**

As a club, we have been very diligent regarding implementation of measures to ensure the safety of spectators and players, and this has been as a result of hard work and effort by many, many people who have been tracking player check-ins, stewarding games, providing signage and sanitiser, ensuring a safe environment etc. This has been tremendously hard work on top of the normal effort to train and prepare teams and compete in games, and we have received compliments from referees and opposition mentors as to the quality of the preparation and precautions taken at games.

As the numbers of cases reported increases across the country, we must remain steadfast and diligent in implementation of the protective measures and procedures. Can we especially:

- Continue with health check-ins before every session
- Continue to sanitise equipment used after every session
- Avoid car-pooling to training or games. If car-pooling cannot be avoided and members of different households must travel in the same car, then masks should be worn.
- Encourage all club members and players over the age of 16 to download the HSE app to their phones as this is hugely helpful for tracing in the event of a scare.
- Continue to insist that all players bring their own water bottle to training and matches. Shared water bottles must not be used.
- Check-in to the GAA app to confirm health status should be done on the morning of an evening session or the night before for a morning game or session.

Many thanks for all your efforts up to now - let's continue to be diligent to ensure that we can complete our full programme of games in a safe manner.

## Concussion Management

GAA

# Prepare Perform Recover

If in Doubt, Sit Them Out

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion

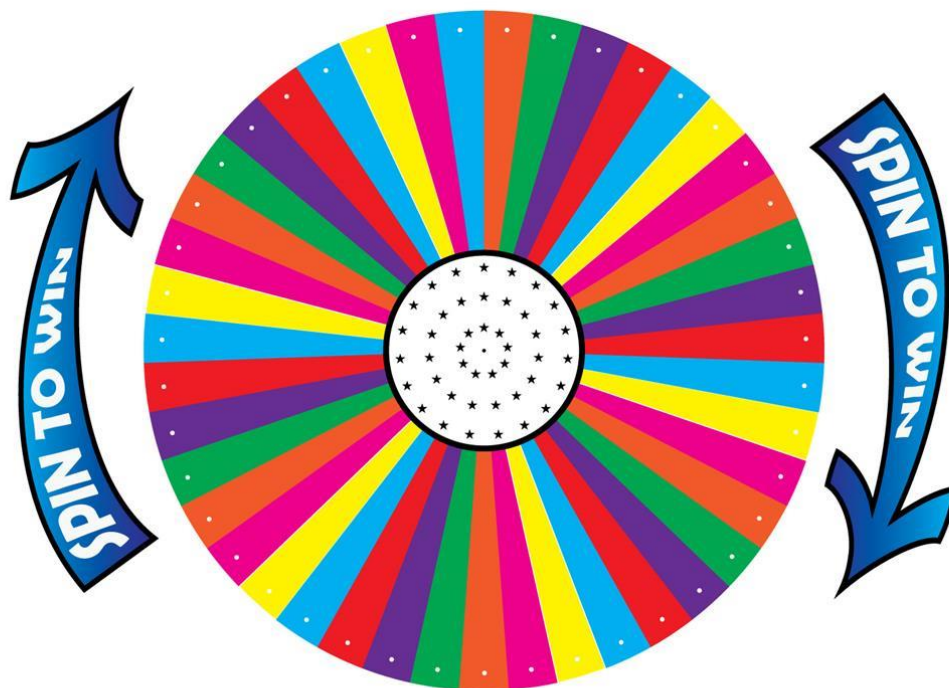

injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
