GAA Camogie & Ladies Football Club

**U16A Ladies Footballers hit the jackpot in club lotto**

It was a year which started off with our 2004 ladies aiming to round off their Juvenile years with their 4th straight Championship victories. However, along with all other teams, the best laid plans were scuppered when the competition stopped at semi-final stage in September lockdown.

The girls were lucky to be able to continue training but as the year drew to a close, it looked like it was to be a season without any prize to show for their efforts.

However that all changed last week when the call came through that the team's numbers had come up in the Boden Lotto – and the rollover jackpot was theirs - €10,500!

The team had answered the call a couple of years ago when the lotto was being promoted and the suggestion was made at the time about teams entering together.

The girls kept the entry going and they were rewarded when their numbers were drawn on Thursday night.

No big team celebrations of course in these strange times, but given the time of year, each member of the squad will have a few Euro extra to maybe bring the family out over Christmas, maybe an extra gift for long supporting parents, and maybe something small for themselves!

Congratulations girls and Happy Shopping!!

The winning numbers drawn were:

03 20 21 01

## A message from the chairman ahead of the Christmas break

We have all been through an unprecedented year in 2020, one that we never could have foreseen and one that we hope will not be repeated. As National organisations, the GAA, LGFA and an Cumann Camógaíochta responded brilliantly to the covid crisis and

delivered learning and other assets that allowed players to train and play safely right across the country. We in Ballyboden rose to the challenge, and our amazing volunteers stepped forward to create a safe environment for our players to come together to train, play and socialise. Every team had at least one Covid Supervisor and attendance records were kept, check-ins completed and recorded and hands and equipment sanitised. We can be hugely proud of the online and virtual skills challenges as well fun games and activities that were run to keep our players engaged, active and socialising. We finally got a series of games from July through to October when level three and level five brought a halt to competitive action. We were lucky and grateful that Government regulations allowed juvenile training to continue right through level five, and, due to the absence of alternative indoor activities, training sessions were fully attended in almost all cases. Many thanks to all of the mentors, coaches, FLOs, Covid Supervisors who enabled this to happen. Thanks also to Brian and Paul who supported us through the unknowns of training and playing through a pandemic. Thanks to the Facilities Maintenance Executive, especially Vivian Ruddy and Martin Durkin, and to Con Nagle who made sure that our facilities were safe and that signage and sanitisation equipment were in place. Finally, thanks to Eamonn Gormley for his invaluable support, direction and guidance during return to play.

It is time for all of us, players and mentors to take a well-earned break in order that we can come back refreshed and ready for 2021. The Coaching Executive as well as the Juvenile Boys' and Girls' Executives strongly recommend that all teams would take a break from Wednesday of this week, 16th of December until at least the week commencing 4th of January - and this does not mean that teams need to come back that week! To that end, the pitches in Sancta Maria will be closed and lights turned off for this period and we encourage all teams to take advantage of the break. We are aware that there are two or three teams who are in championship finals that will hopefully be fixed in late January or early February, and exceptional arrangements can be made to facilitate their preparation for those finals.

On behalf of the club Executive, I would like to thank all Ballyboden players, mentors, coaches, FLOs and Covid supervisors for your torjan efforts to bring joy and fun to the youth of Ballyboden, Rathfarnham, Knocklyon and Firhouse during this most difficult of years. Have a very happy Christmas and enjoy the well-earned break.

Ciarán

## An open letter from the GAA ahead of the All Ireland final

A chairde,

The next few weeks will generate great excitement across the island and in seven counties in particular as we look forward to All-Ireland hurling (Liam MacCarthy and Joe McDonagh Cups) and football finals (Sam Maguire and U20) we weren't sure we would see in 2020.

It has been an achievement involving so many people to get the championships played to this juncture and our aim is to try and finish out the competitions to the highest and safest standards possible.

Our players and those who prepare them deserve the highest level of commendation for their respective roles in helping us to stage the games and all of the training involved in

advance.

Similarly, our board officials have worked tirelessly with the county teams to ensure that every measure needed was taken and adhered to allow us to keep our players safe, fit, and healthy.

Go raibh míle maith agaibh to them all for everything they have done to help shorten our winter. As a national sporting body we have a responsibility to not only our players and members, but to wider society too.

To that end, we are encouraging everyone to embrace and enjoy the three All-Ireland finals in the coming weeks in a safe and sensible manner.

It is extremely unfortunate that we can't facilitate supporters at our games but that is a by-product of the pandemic we have been living through.

While we can take pre-cautionary measures at our venues, before, during and immediately after our fixtures in attempt to look after those directly involved, we can't control what happens away from the field of play in the aftermath of games.

We learnt lessons after a number of clubs finals that prompted us to move to shut down our remaining club fixtures.

We are calling on all of those who support our games and teams to follow the health guidelines, practice social distancing and to exercise caution at all times while watching and indeed after the games.

We fully appreciate this is not the norm. In fact it goes against so much of what our games mean to people.

However, it would be a travesty if the huge positive that have been our games would turn out to be a negative in the run up to Christmas because we abandoned our collective responsibility to play our part.

Help the GAA to fulfil its role by playing your part and think for a minute about how you can watch and enjoy the games with both your safety and that of others in mind over the course of what should be a memorable fortnight of games.

Thanking you in advance for your ongoing support and co-operation and wish you every best wish for the festive season.

Le gach dea ghuí,  
Seán Ó hÓráin Tomás Ó Riain  
Uachtarán Ard Stiúrthóir

## **Covid Practice - Update**

As a club, we have been very diligent regarding implementation of measures to ensure the safety of spectators and players, and this has been as a result of hard work and effort by many, many people who have been tracking player check-ins, stewarding games, providing signage and sanitiser, ensuring a safe environment etc. This has been tremendously hard work on top of the normal effort to train and prepare teams and compete in games, and we have received compliments from referees and opposition mentors as to the quality of the preparation and precautions taken at games.

As the numbers of cases reported increases across the country, we must remain steadfast and diligent in implementation of the protective measures and procedures. Can we especially:

- Continue with health check-ins before every session
- Continue to sanitise equipment used after every session
- Avoid car-pooling to training or games. If car-pooling cannot be avoided and members of different households must travel in the same car, then masks should be worn.
- Encourage all club members and players over the age of 16 to download the HSE app to their phones as this is hugely helpful for tracing in the event of a scare.
- Continue to insist that all players bring their own water bottle to training and matches. Shared water bottles must not be used.
- Check-in to the GAA app to confirm health status should be done on the morning of an evening session or the night before for a morning game or session.

Many thanks for all your efforts up to now - let's continue to be diligent to ensure that we can complete our full programme of games in a safe manner.

## Concussion Management

# Concussion Management Guidelines for Gaelic Games

▣ Prepare

GAA

# Prepare Perform Recover

If in Doubt, Sit Them Out

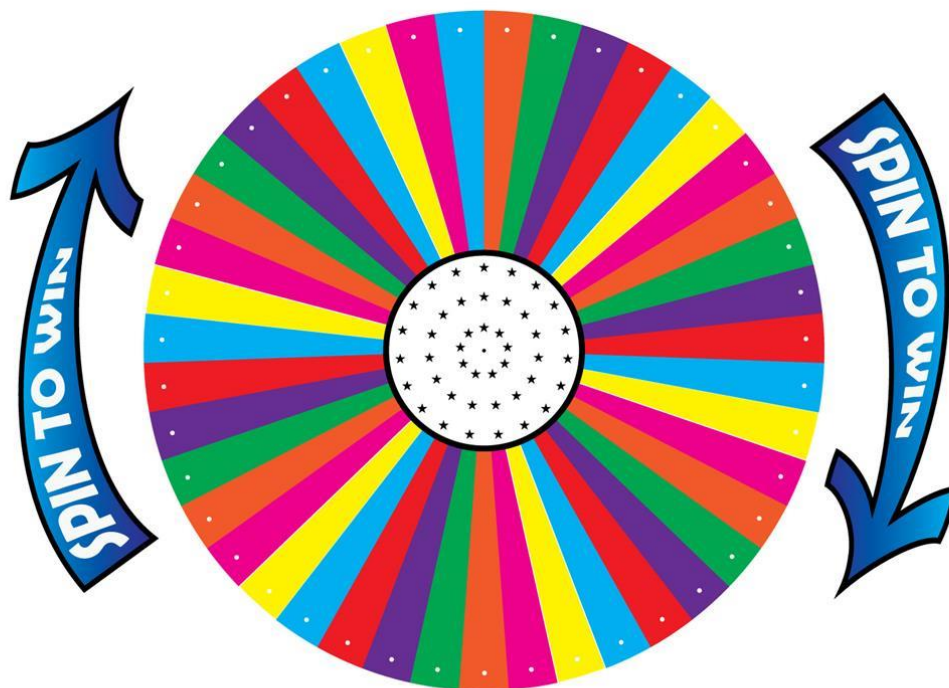

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
