Appeal for new Referees at Adult and Minor levels.

Dublin GAA Appeal for new Referees at Adult and Minor levels

Please see message below from the County Board seeking new referees. Anyone interested in signing up for the referee course should forward their details to secretary ballybodenstendas.dublin@gaa.ie before Friday 12th March.

As you are aware, in anticipation of the lifting of current Covid restrictions, CCC is preparing for the season ahead. This year (2021) we have received a significant increase in the number of teams entered in our competitions across both codes at Adult and Minor levels with a significant number of clubs entering more teams than any previous year.

With the increase in teams, combined with withdrawals due to Covid fears, age, etc. comes an additional requirement for new referees. We are already operating with insufficient referees and this increase in teams will put even more pressure on CCC being able to appoint referees for all games.

Without an increase in referee numbers CCC will be unable to guarantee referees for all games in the coming season.

CCC plan to run a Foundation (Beginners) Course as soon as Public Health advice allows.

Support Local Business: Adventure Marine

Alex Murphy a Ballyboden member, has set-up e-commerce website www.adventure-marine.com

Working exclusively with Aqua Marina, Alex and his team are one of the rare few who have access to the new 2021 range of amazing inflatables. It sells isups, kayaks, dinghies & accessories to cater for the whole family. All the way from beginner to advanced.

Marine based activities absolutely exploded this year and for good reason. There is so much water locally and in surrounding areas which can be explored.

Imagine you could fold your kayak or SUP into a bag. Put them on your back, put them in the car, or take them on a plane. Our kayaks, canoes and stand up paddleboards fold up into a small backpack so you can take them wherever you want, whenever you want. Once they're inflated, they're as solid as the real thing. This is adventure made easy!

My favourite time to use my SUP is after an away game with some of the team or family. Sea water is great for recovery and it makes those long trips a bit easier!

Covid Practice - Update

As a club, we have been very diligent regarding implementation of measures to ensure the safety of spectators and players, and this has been as a result of hard work and effort by many, many people who have been tracking player check-ins, stewarding games, providing signage and sanitiser, ensuring a safe environment etc. This has been tremendously hard work on top of the normal effort to train and prepare teams and compete in games, and we have received compliments from referees and opposition mentors as to the quality of the preparation and precautions taken at games.

As the numbers of cases reported increases across the country, we must remain steadfast and diligent in implementation of the protective measures and procedures. Can we especially:

- Continue with health check-ins before every session
- Continue to sanitise equipment used after every session
- Avoid car-pooling to training or games. If car-pooling cannot be avoided and members of different households must travel in the same car, then masks should be worn.
- Encourage all club members and players over the age of 16 to download the HSE app to their phones as this is hugely helpful for tracing in the event of a scare.
- Continue to insist that all players bring their own water bottle to training and matches. Shared water bottles must not be used.
- Check-in to the GAA app to confirm health status should be done on the morning of an evening session or the night before for a morning game or session.

Many thanks for all your efforts up to now - let's continue to be diligent to ensure that we can complete our full programme of games in a safe manner.

Concussion Management Guidelines for Gaelic Games

▣ Prepare

GAA

Prepare Perform Recover

If in Doubt, Sit Them Out

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
