Christmas Tree Collection 13th January 2021

The 24 vans & trucks rolled into the Club car park at 8.45am on a frosty morning last Saturday, the personnel in the car park anticipating a busy day ahead. It was of course the 8th year of the increasingly popular Boden Christmas Tree collection service. Everyone split into their respective Area - we covered from Oldbawn across to the LUAS bridge, divided into 8 Area's.

In the lead up there were many thousands of texts, WhatsApp messages & emails. There was also the small matter of many dozens of signs advertising our service throughout the locality. This year was of course a tree collection with a difference, masks, hand sanitiser and gloves

were the essential kit as we adhered to all Covid guidelines. There were no teas, coffees, scones or muffins this year to ensure there would not be any possibility of people gathering.

This year only the driver & family member could travel in the vans and trucks, so the request went out for foot soldiers. We were fortunate to have 117 people assist on the day, many thanks to each and every one as the collection could not be a success without you!

This year we collected in excess of 1,930 trees, a monumental effort by everyone.

Many thanks once again to AJ Grab Hire and driver Leigh, we could not possibly transport this volume of trees to the SDCC depot in Tymon without you. Thanks also to South Dublin County Council for facilitating us once again.

As well as those out collecting, many thanks to Catherine & Laura Nagle for looking after the phone and all related administration work on the day. We are also fortunate to have our PR machine Cliona Mellett to promote the service, and it was great to receive such positive feedback on social media and indeed via texts also.

And most importantly many thanks to the local community who are genuinely thrilled that we provided the service this year in difficult circumstances, and we of course were delighted to be in a position to oblige. We'll go again next year!!

A special mention to Eamonn Clarke & Diarmuid who joined the organising committee this year - a successful first year ensures their position on the team again next year!!!

Rún na hAthbhliana / New Year's Resolution

Bain triail as pé Gaeilge atá agat a úsáid chomh rialta agus ar féidir leat.

Try using whatever Irish you have as often as you can. Even if it's only 'Conas atá tú', or 'Slán' every little bit makes a difference!

A great way for you to practise your Irish is to read a book in Irish to a child, face to face or via Zoom.

Support Local Business: Adventure Marine

Alex Murphy a Ballyboden member, has set-up e-commerce website www.adventure-marine.com

Working exclusively with Aqua Marina, Alex and his team are one of the rare few who have access to the new 2021 range of amazing inflatables. It sells isups, kayaks, dinghies & accessories to cater for the whole family. All the way from beginner to advanced.

Marine based activities absolutely exploded this year and for good reason. There is so much water locally and in surrounding areas which can be explored.

Imagine you could fold your kayak or SUP into a bag. Put them on your back, put them in the car, or take them on a plane. Our kayaks, canoes and stand up paddleboards fold up into a small backpack so you can take them wherever you want, whenever you want. Once they're inflated, they're as solid as the real thing. This is adventure made easy!

My favourite time to use my SUP is after an away game with some of the team or family. Sea water is great for recovery and it makes those long trips a bit easier!

Covid Practice - Update

As a club, we have been very diligent regarding implementation of measures to ensure the safety of spectators and players, and this has been as a result of hard work and effort by many, many people who have been tracking player check-ins, stewarding games, providing signage and sanitiser, ensuring a safe environment etc. This has been tremendously hard work on top of the normal effort to train and prepare teams and compete in games, and we have received compliments from referees and opposition mentors as to the quality of the preparation and precautions taken at games.

As the numbers of cases reported increases across the country, we must remain steadfast and diligent in implementation of the protective measures and procedures. Can we especially:

- Continue with health check-ins before every session
- Continue to sanitise equipment used after every session
- Avoid car-pooling to training or games. If car-pooling cannot be avoided and members of different households must travel in the same car, then masks should be worn.
- Encourage all club members and players over the age of 16 to download the HSE app to their phones as this is hugely helpful for tracing in the event of a scare.
- Continue to insist that all players bring their own water bottle to training and matches. Shared water bottles must not be used.
- Check-in to the GAA app to confirm health status should be done on the morning of an evening session or the night before for a morning game or session.

Many thanks for all your efforts up to now - let's continue to be diligent to ensure that we can complete our full programme of games in a safe manner.

Gaelic games-themed lessons are across all curriculum subjects and are for children at every class level, based on the GAA Céim ar Aghaidh/Step Ahead resource. For some fresh air and physical exercise, inter-county stars set Skill Challenges weekly that can be done at or near your home. There are also fun competitions and prizes to be won on the @GAAlearning twitter page. Primary teachers are encouraged to share lesson plans, learning material and ideas by email to gamesdevelopment@gaa.ie or on social media using #GAAPrimary.

Concussion Management Guidelines for Gaelic Games

GAA

If in Doubt, Sit Them Out

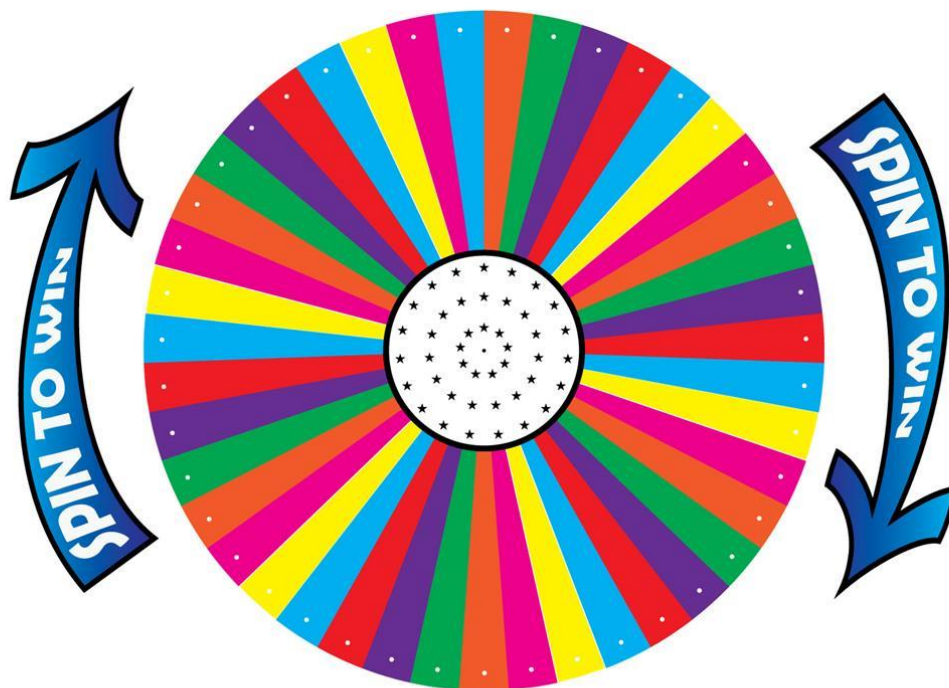

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.
