Irish in Decline: A report from 1970

Older men describe how the Irish language was once spoken in their localities but has now all but disappeared.

In the year 1800, there were more people speaking Irish than there were speaking Dutch, Swedish, Danish, and Finish. While these other European languages grew in popularity, the Irish language slumped in use.

GAA Coaching and Games

From webinars, skills challenges & virtual training sessions, it's been a busy few months for the GAA community. Our Games Development Department has been busy providing assistance to coaches, players, teachers and parents to make this difficult time easier.

GAA Learning Website

The GAA Learning platform at learning.gaa.ie is host to a series of Games Development initiatives building on the vast array of resources and courses published in recent years that are now providing a very valuable outlet for Coaches, Players, and Teachers without the opportunity to perform their usual roles in the promotion and playing of our games.

Some of these initiatives include:

-GAA Primary Challenges – Lesson Plans & Physical Activities for Primary School Children

-Coaching Webinars – Live and recorded webinars with leaders in Coaching and Coach Education

- 100's of activities to Coach Hurling, Football, Handball and Rounders on the GAA Coaching Planner <https://learning.gaa.ie/planner/>

#GAAPrimary Challenges

The #GAAPrimary Challenges is a series of learning & physical activities for children in Primary School. During these particularly challenging times for families, the #GAAPrimary Challenges are designed to help teachers and parents to work on the cross-curricular lesson plans with children to meet their learning needs. Gaelic games-themed lessons are across all curriculum subjects and are for children at every class level, based on the GAA Céim ar Aghaidh/Step Ahead resource. For some fresh air and physical exercise, inter-county stars set Skill Challenges weekly that can be done at or near your home. There are also fun competitions and prizes to be won on the [@GAALearning](#) twitter page. Primary teachers are encouraged to share lesson plans, learning material and ideas by email to gamesdevelopment@gaa.ie or on social media using #GAAPrimary.

Webinar Series

To help coaches through this difficult period, the GAA, an Cumann Camogaíochta & the LGFA have created a series of Coach Development Webinar sessions taking place on Tuesdays & Thursday at 7.30pm. Information on future sessions can be access through our twitter '[@GAALearning](#)' and past sessions can be viewed on our [Youtube Page](#) '[GAALearning](#)'

National Hurling Development Manager, Martin Fogarty, is hosting Hurling specific webinars every Monday on various aspects of the game and how best to coach it. For more details, visit out twitter [@GAALearning](#)

Concussion Management Guidelines for Gaelic Games

GAA

If in Doubt, Sit Them Out

Gaelic games can be physical sports, and, while collisions are not a primary element of our games, they can occasionally happen. There has been an increasing number of concussion

injuries over the past year, and it is important that team managers, mentors and first aid people can recognise the symptoms and know the correct actions to take in order to ensure the safety of the player. Player safety is the most important consideration in a concussion, or any injury situation. It is widely reported that an inter-county player collapsed in a dressing room a week after an initial concussion diagnosis.

SPARC lead physiotherapist, Eamon O'Reilly has kindly created the below protocol for dealing with concussion and shared the GAA Medical Scientific Welfare committee guidelines, and we ask all those involved with teams to familiarise themselves with the guidelines and with the 'If in Doubt, Site Them Out' tag line. In order to ensure player welfare and to collate club data on the occurrence of concussion injuries, SPARC will see any club member with a concussion or suspected concussion free of charge, and we strongly encourage club players to avail of this generous and important offer.

BODEN GEAR ONLINE

The club, together with O'Neill's, are delighted to announce that all your Boden merchandise is now available for purchase online, for delivery to your home.

The online shop can be accessed through the link to the O'Neill's website (below) which will appear on the club website.

Delivery charges also apply but it's free delivery for orders above €50.

White club shorts are the only item yet to be added to the online catalogue, and will be updated soon.

Please note that that the online price is higher than the prices that will continue to apply in the club shop as O'Neill's need to apply consistent pricing across their website.
